

**GOODWILL SPRING
MUSICAL DATE SET**

Many of those who have been asking for the place and date of the Spring Musical will be interested to know it will be at Pilgrim Baptist church, 25th and Hamilton streets, Sunday April 25th, at 2:45 p. m.

The choirs are looking forward to this day with a great deal of interest. This is the time you can show your love for your choir. If you are a member, you should make the regular rehearsals and help your choir make a fine showing on this important occasion. It is hoped that the choirs will work very hard to perfect the numbers. They will sing in a group under the very able direction of Rev. John S. Williams.

The American Legion Theodore Roosevelt Post No. 30 met in its regular session Thursday night, Feb. 18th. We had a wonderful meeting. Money was raised for the flood work and house fund.

I wish to thank the members and friends for turning out in such large numbers and I hope you will keep up the good work.

It will mean success to the race as well as to the Post.

The next regular meeting night will be March 4th. Please be present.

C. J. Coleman, Commander.
Ed Turner, Adj.

PLATFORM OF THE OMAHA GUIDE

Race prejudice must go. The Fatherhood of God and the Brotherhood of man must prevail. These are the only principles which will stand the acid test of good citizenship in time of peace, war and death.

(1) We must have our pro-rata of employment in businesses to which we give our patronage, such as grocery stores, laundries, furniture stores, department stores and coal companies, in fact every concern which we support. We must give our citizens the change to live respectably. We are tired of educating our children and permitting them to remain economic slaves and enter into lives of shame.

(2) Our pro-rata of employment for the patronage to our public corporations such as railroad companies, the street car company, the Nebraska Power company, the Northwestern Bell Telephone company and other establishments which we are forced to support by right of franchise. Also our pro-rata of employment in return for the taxes we pay in our city, county, state and federal government.

(3) To encourage the establishment of a first class hospital that we may get the best that here is in medical science from our doctors whom we know to be nearest to us, also to encourage a high respect of them and encourage more of our girls to take nurses training.

(4) An one hundred per cent department of our citizens in our public or private places of business, especially on street cars. If we are to be respected we must act respectably, especially in public places where we are constantly before the public's eye.

(5) A one hundred per cent membership in the Omaha branch of the N. A. A. C. P. should be had to encourage the efforts put forth by the founders of the organization and to assist the general office to establish a five million dollar endowment fund to maintain operating expenses and to further the principles of the N. A. A. C. P. All people of all races must be educated up to a higher principle and a more thorough understanding of inter-racial relationship that our country may in reality be a government of the people, for the people and by the people, in whole and not in part.

(6) The re-establishment of the Christian Religion as Christ taught it, for the uplifting of mankind, eliminating financial and personal gain. A practical Christian religion, week days as well as Sunday. An attitude toward our fellowman as a brother in order to establish a principle which will guide the destiny of each other's children, our neighbor's children today are our children tomorrow.

(7) Courteous treatment in all places of business and the enforcement of the State Civil right law.

(8) To encourage and assist in the establishment of the following financial institutions near 24th and Lake streets: A building and Loan association, a state bank, and, also, a first-class trust company for the purpose of administering aid and assistance to our widows and children.

(9) To encourage the erection of a one hundred thousand dollar Young Men's Christian association building near 24th and Lake streets.

(10) To enlarge the Young Women's Christian Association that it may supply sufficient dormitory accommodations.

(11) To teach our citizens to live economically within their earning capacity by printing in each issue a budget system for various salaries.

(12) To make Omaha a better city in which to live by inaugurating a more cosmopolitan spirit among our American citizens.

(13) To put a stop to the Divorce Evil by passing a state law making the mistreatment of a wife or a husband by either of them a criminal offense to be decided by a jury, first offense, jail sentence of a short duration, second offense one of longer duration, third offence from one to five years in the penitentiary. This, we believe, will make men and women think before marrying.

(14) We must become owners of our city government by paying a seemingly higher salary to those whom we employ to administer its affairs, a salary that will attract men of high caliber.

NATIONAL

(1) Fight for a passage of the Dyer Anti Lynch bill and thus stop the shameful lynching of American citizens.

(2) One of our citizens in the president's cabinet.

(3) Federal control of the educational system that every child must have a high school education.

(4) Assist in the furtherance of research by our scientists and Historians to prove that civilization was first founded in Africa.

(5) Establish a political influence which will bring about our pro-rata of higher appointments made by our chief executives.

(6) Stop graft in politics by passing a Federal Law making election day a legal holiday and compelling every American citizen of voting age to vote.

(7) Prevent further wars by teaching the so-called white race that it is high time for them to quit fooling themselves about white supremacy with only three-tenths of this world's population. They must be taught that color is due to climatic conditions. They must be taught that seven-tenths of the world's population is made up of darker races. They must be taught that the rays of the sun that blazes upon the equator and turn the skin brown do not effect the power of the brain any more than the coldness of icy glaciers effect the brain of the white race; and that the darker races will not continue to be crushed by a money mad fed. If the Fatherhood of God and the Brotherhood of man are not welded into the hearts of this world's family now, by teaching the principles laid down by our Saviour, it will be welded into the hearts of our children some day, soon, on the bloodiest battlefield this world has ever known.
