Song Police Guard American Music

By Joseph R. Fiesler

MOTION picture cameramen hid themselves high in Radio City, New York City, the other day to the head offices of the "M-men," the American Society of Composers, Authors and Publishers. "M-men" are a law-enforcing body, protecting the music of American creators against piracy.

The prime business of ASCAP, of course, is to license the legal use of musical works copyrighted by its members.

The cameramen wanted to know all about the Society and its mem-

bers for use in Pathe Parade, a current series of motion picture short subjects on interesting topics, personalities and events.

Several ASCAP composers agreed to perform for the movie, including George M. Cohan (1), "Over There"; Carrie Jacobs Bond (2), "Perfect Day"; Hoagy Carmichael (3), "Stardust"; Nat Shilkret (4), "Jeannie, I Dream of Lila Time"; W. C. Handy (6), "St. Louis Blues"; and Rodgers and Hart (11), "I'd Rather Be Right".

Gene Buck, president of ASCAP

(7); E. C. Mills, chairman of the Administrative Committee (8); John G. Paine (9), General Manager; a bust of Victor Herbert, founder (5); and several of the young ladies of the clerical staff (10 and 12) are also seen in the film.

The "M-Men" are not showmen—they are investigators who do the field work and discover infringements.

Practically all recognized American composers and authors are members of ASCAP.

Horace Mann Bond Made Dean At Fisk

Nashville, Tenn., April 23 (AP)—The Board of Trustees of Fisk university held its annual spring meeting in President Jones' office in the commons on April 11. Various committees met Saturday evening in preparation for the executive session Monday.

The following officers of the Board were re-elected: Mr. Paul D. Cravath, chairman; L. Hollingsworth Wood, vice chairman, and Charles E. Haydock, treasurer, all of New York City. Mrs. Charles Wesley, professor of History at Howard university, was elected as secretary to succeed the late Dr. F. A. Stewart. Atty. James G. Cashin of Chicago was elected as a new member to represent the General Alumni association.

Dr. Harold F. Smith, who has held the post of head of the Department of Education and Director of the Summer Session since 1930, continues in the latter position, and was also appointed Registrar and Director of the Lower Division of the college. Dr. Horace Mann Bond, who has been Dean at Dillard university, comes to Fisk as Head of the Department of Education. Dr. Carl M. White, who has been Librarian during the past four years, has accepted the same position at the University of North Carolina. Dr. Niel C. Van Dusen of Columbia university has been appointed to fill this vacancy.

The board endorsed a new athletic policy in line with that worked out recently in a conference at LeMoyne by the heads of the A. M. A. Negro colleges. This new policy provides that there shall be no scouting of players; that not more than seven football games shall be played each year, and that there shall be no attempt, directly or indirectly, to declare a championship; that no individual may participate in intercollegiate athletics for more than four years and that the names of all candidates for teams of each sport be submitted to a central authority one week previous to the first intercollegiate athletic contest.

In the absence of President Jones, who with Mrs. Jones sailed for Africa on April 27, the vice chairman of the board, L. Hollingsworth Wood, will officiate at the commencement exercises on June 8 and award the diplomas to the graduating class.

On Monday afternoon the Trustees met with administrative and personnel officers for a survey of the life and activities of the colleges. The next meeting will be held in December in New York City.
