YOU CAN'T RATE THOMAS' GULE IN THE FORECASTS

More than once, since he graduated from school back in 1922, Marty Thomas has heard remarks that the chances of his teams to ever come through on top were slim.

Usually Marty agreed, but always that has been only mouth talk, never in his heart. Deep down in that great organ, Marty Thomas must harbor the conviction that his boys always have a chance.

On would think that the statisticians, of the Tuxedo, should have discovered long ago that the teams of Thomas cannot be adequately pictured by figures. It is impossible to set down all their skill and prowess in neat tabulated columns.

But taking Marty's teams as a whole it is just impossible. No method has been evolved whereby the craft and cunning of Marty Thomas can be reckoned in advance.

No one can foresee what Marty Thomas will accomplish through his loyal eager pupils.

Two years ago the dope setters demonstrated by all mathematical processes but which they picked the Woodson Center basketball team to win the colored league.

What Actually Happened The proud Woodson Center finished the season well in second spot behind the Thomas team.

No one expected this which was not surprising. Why should anyone expect it? The Thomas team had two new men and traditionally they had depended upon five vets to work together in complete harmony and carry the load and score winning points.

The Thomasonians will again play a big part in the winning of the crown next year.

Once more number work boys can prove to you that the Thomas bunch simply haven't a chance. Once more they can demonstrate by figures and talk that Woodson center simply cannot fail.

I confess it is beyond any powers to discover any stratagem, any set manipulations, any act of head or threw that can keep the Thomas men at the top. Things are indeed much different than a few years ago. The boys are much older, they think more it's up to Marty.

And Woodson Center isn't the soul menace. The Aces, a group of young boys who will be competition for any team and the Hunter All-Stars.

Yes I find myself wondering who is going to be the outstanding basketball team for 1934 and 1935.

SOMETHING I LIKE TO REMEMBER

The ole ball games on the Long play ground—the old Baccs basketball team and Thomas and Lee under the basket combination and set up. Porgie Thomas' long extra base hits and home runs for Poly's ole Aristocrats.

Little Adolph Bolden playing anything (a good hustler).

Clyde White rounding the turn at Tech's track on his way to victory in the 220 yard dash.

The king of tracksters. Preston Shackelford.

"Little Larry" Stewart running four touchdowns at Central High in '29 for his first "all alley" selection.

Baby Tiger Flowers working out in his smart and unusual style.

Dave Biddes smothering little Dick Paski on Tech field in the North-South battle of 1919.

John "Pal" Williams grappling for Central in '32 his last and best year.

George "Zep" De Lespine knocking the cover off the ball for Long School in 1929—basketball and soccer. (Some guy)—even now.

OMAHA PACKERS WIN BEGINNER, 7 TO 2

PACKERS CLUB WAY TO EASY VICTORY

Intlerfer Gives Up Only Four Hits; Omaha 15

Dutch Wetzel, minus the Great James turned in for, their first game a 7 to 2 victory over Sioux City.

Intlerfer, though nipped great ball was still wild. He walked eight men and had if not been for the great support of his teammates and great play on his own part, the game might have been different.

Thomas, the tall pale left hander for the Citymen, freely gave the Packers fifteen hits.

A home run was hit by Clements, new Packer outfielder. While the other big guns in McMahon and Tutaj, last year Packers, pounded the apple as well. And only guy Wetzel one error which caused the Sioux City, first run the first inning.

Clements tripped and Thomas' wild pitch tied the score in the second, but the real excitement didn't come until the fourth inning when Clements clouted a homer over the right field fence to lead the way for four runs.

TRIM TECH, 4-2: WIN CROWN

Donahue Holds Maroons to Five Hits; Strikes Out Six

Beyond a doubt one of the hottest games of the year when the Packers downed Tech 4 to 2 on the Tech diamond, to win the City crown.

Bunny Donahue, Packer Ace chucker, turned in his year's best performance, by allowing the Techsters only five scattered hits, striking out six and allowing two bases on balls.

The Packers hopped on Charley Barney, left hander for the Tech nine, for seven hits and all of their runs in the five innings he pitched. Weiner went in and allowed the Packers only one hit in the final two innings.

South eaped out in the lead in the first inning when Shultz, Tech shortstop, dropped Zezulak's high fly. Donahue then came up and doubled to drive the run home, while Dukich came up and singled to advance Bunny to third, who came in on Williams' long fly to centerfield.

Later, on in the fourth and fifth innings they collected a couple more. The Maroons counters came in the first and last innings on Williams' error and off a triple by Ron Saylor. The Packers will meet Creighton Prep at Fontenelle Thursday. This game will have no effect on the Packers present standing.

West Coast Sars Best East Records

Fresno, Cal., May 17—California's premier, according to the Associated Press, track and field athletes put aside the west coast relays Sunday with the knowledge that they had, in the main surpassed the efforts of their eastern and midwestern cousins in the annual contests here Saturday night which went to Southern California for the sixth straight time with 63 points.

In nine of the thirteen events on the program the Californians turned in better marks than are credited to the 1934 efforts in the recent Pennsylvania, Drake and Kansas programs.

Outstanding was the broad jump of

24 feet 10 1/4 inches by Olson of Southern California. Two junior college boys, Sefton and Meades of Southern California Junior college, tied for first place in the pole vault at 13 feet 11 inches.

Big Ben Eastman ran the 880-yard in 1:51.5. George Anderson, University of California freshman, clipped off the 110-yard dash in :09.4.

John Lyman of Stanford could not reach the superhuman effort of Jack Torrance contributed to the shot put at Drake. Lyman tossed the 16-pound ball 53 feet 10 3/16 inches, but was far short of the 55 feet 1 1/4 inches Torrance came up with at De Moines.

PANTS STORE BEAT GLOBE TROTTERS; KULTER TOO MUCH

Kuter backed by the deadly stick work turned the heat on the leading Globe Trotters and went into a tie for 2nd place by virtue of a 10 to 2 win.

Kutler struck out six and gave six hits in the seven innings while his mate pounded Wicks, Globe hurler for ten hits. Three Globe hurlers and three hits accounted for three runs in the first frame then the Panters scored in all but the 5th 6th and 7th.

The Chat "N" Nibbles won 12 to 2. The Chat "N" Nibbles came out of their slump to trounce Trinity M. E. 12 to 2. The Chats slugged 15 hits for the 12 runs while the Trinity could garner only 6. Chat Nibble by virtue of the win go into a three way tie for second place, with the Pants Store and the Globe Trotters.
