

ST. JOHN A. M. E. "The Friendly Church"

Rev. L. P. Bryant, pastor: Rev. Bryant preached from I Samuel 3:10. His subject was "Hearing and Heeding God's voice. From this he preached a very strong sermon. Some of the thoughts that should be remembered. If one does not heed the call, he will suffer for it. The best result come when we are silently receiving the message from God.

God speaks to us through his works, mighty power, and providence.

It is very dangerous to get careless and have a tendency to put off doing the things that should be done at once. There were many other good thoughts, but too many to name.

We regret to say the sick of the church are: Mrs. Gant, Miss E. Luckey, Mrs. George Althouse, Deaconess Jenkins, Mr. D. N. Streather and Mr. Lee. We wish for them all a speedy recovery.

St. John's choir regret to lose two of its most faithful members in the going away of Mr. and Mrs. Shakelord. These people are

going to California to live with their sons. The choir will not only miss them, but the church and the community as well.

The week in party under the direction of rs. Myrtle Hayden was very successful. Those present seemed to enjoy as very pleasant evening.

Remember to make your Thanksgiving offering on the coal bill for your church.

SALEM BAPTIST

22nd and Seward Sts. Rev. C. H. Hilson, pastor; Miss Minnie Harris, reporter: The Sunday school opened at the usual hour, 9:30 a. m. with Supt. Reagan presiding. The lesson was reviewed by Miss Minnie Harris. We had a very beautiful lesson, the subject of which was "The Christian Growth." The Sunday school was well attended.

Rev. Fort brought the message to us at 11 a. m. His subject was "The Christian Heorism." Our pastor, Rev. Hilson, is out of the city.

The B. Y. P. U. opened at 5 a.

m., with one half hour devotional period. Group No. 4, the young men's group, of the Union gave to us a splendid devotional program. The lesson topic was "What is Light and What is Wrong with America." Mr. John Rosenbaugh gave an inspiring talk on "Equality." He stated that all men are created equal to dwell upon the face of the earth. He pictured out to us, as the Negro in America, the manifold hardships we have to confront.

Deacon Robert Alexander and his wife and Mr. and Mrs. Welley motored to Oklahoma, taking Rev. Hilson home. They stopped at his home for several days and reported a successful trip.

Visitors are always welcome to Salem at anytime.

DINNER TO HONOR THE LOVING FIVE

Mr. A. D. Turner gave a dinner in honor of the Loving Five at her home on Sunday, October 4. The guests included the five singers who make up the Loving Five, Misses Versie Mae Thomas, Georgia and Minnie Harris. The dinner was served promptly at 1:30 p. m. A very healthful meal was served, and everyone enjoyed themselves.

The Loving Five had to leave at 2:45 in order to be at Mt. Moriah, where they were scheduled to sing.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL LESSON

LESSON FOR NOVEMBER 11 THE CHRISTIAN CITIZEN

LESSON TEXT—Galatians 5:13-24. GOLDEN TEXT—Then said Jesus unto him, Put up again thy sword into its place: for all they that take the sword shall perish with the sword.—Matthew 26:52.

PRIMARY TOPIC—Jesus' Law in One Word. JUNIOR TOPIC—God's One Law. INTERMEDIATE AND SENIOR TOPIC—Be a Peace-maker. YOUNG PEOPLE AND ADULT TOPIC—Thinking Peace Instead of War.

Doubtless the thought of the lesson committee was to take advantage of this memorial occasion to inculcate in the hearts of the youth the spirit of peace which grows out of a heart of love. It should be borne in mind that this value can only be a practical reality as the people are brought into a saving knowledge of the Lord Jesus Christ. Love is the fruit of the Spirit made operative in the heart of the regenerate.

Paul, having shown in chapters three and four of this epistle that the believer is free from the law as a means of justification, in our present lesson makes the practical application of the doctrine. The divine method of doing away with war is to secure the regeneration of individuals.

1. Christian Freedom (vv. 13-15). 1. It is not an occasion to the flesh (v. 13). Liberty is not license. The notion that when one is free from the law he is free from constraint is wickedly erroneous. License of the flesh means not merely the indulgence of the flesh in actual sinning, but in the expression of a self-centered life.

2. By love serve one another (vv. 13a-15). Freedom from the Mosaic law means slavery to the law of love. Love thus becomes the fulfillment of the law.

11. Walking in the Spirit (vv. 16-18). This discloses the secret of how a life of service to another can be lived. Walking in the Spirit results in:

1. Loving service to others (v. 13). 2. Victory over the flesh (vv. 16, 17). By flesh is meant the corrupt nature of man expressing itself in the realm of sense and self. The renewed man has two natures, between which is going on a mortal conflict. The Christian must choose between good and evil. Notwithstanding the reality of this deadly conflict, victory is sure if one chooses the good.

111. The Works of the Flesh (vv. 19-21).

By the works of the flesh is meant the operation of the carnal nature. The one who chooses to live according to the impulses and desires of his natural heart will be practicing the following sins:

1. Sensuality (v. 19). The sins enumerated here are practiced in the body, and are:

a. Fornication (the word adultery is omitted from the best manuscripts). Fornication includes all sexual sins in the married and unmarried state. b. Uncleanness, which includes all sensual sins, open or secret, in thought or deed. c. Lasciviousness, which means the wanton, reckless indulgence in the shameful practices of the flesh.

2. Irreligion (v. 20). These acts take place in the realm of the spirit, and are:

a. Idolatry, the worshiping of idols. b. Witchcraft or sorcery, all dealing with the occult, such as magical arts, spiritism, necromancy.

3. Sins of the temper (v. 20-21). These take place in the sphere of the mind, and are:

a. Hatred. b. Variance, including all strife and contentions. c. Emulations, including all types of jealousy. d. Wrath, meaning bursts of passion. e. Seditions, which mean factions in the state. f. Heresies, meaning factions in the church. g. Envyings. h. Murders.

4. Sins of excess (v. 21). a. Drunkenness, indulgence in intoxicating liquors. b. Revellings. Acts of dissipation under the influence of liquor.

All who practice such sins shall be excluded from the Kingdom of God (I Cor. 6:10).

IV. The Fruit of the Spirit (vv. 22-24). This indicates action in the realm of the life. It is the product of the Holy Spirit indwelling the believer.

1. Love to God and Man. 2. Joy—glad-heartedness because of what God has done. 3. Peace with God and Man. 4. Longsuffering, taking insult and injury without murmuring. 5. Gentleness, meaning kindness to others.

6. Goodness, doing good to others. 7. Faith, believing God and committing everything to him. 8. Meekness, which essentially means submission to God. 9. Temperance, self-control in all things.

Not Ashamed to Ask I attribute the little I know to my, not having been ashamed to ask for information, and to my rule of conferring with all descriptions of men on those topics that form their own regular professions and pursuits. Locke.

Divine Revelation Divine revelation given historically in the person of Christ is mediated and made real to the soul by the Holy Spirit.—W. H. Griffith Thomas, President.

Services—Sunday school, 9:30 a. m. Mr. C. H. Garner, superintendent. Sermon, 11:00 a. m. and 8:00 o'clock. Prayer meeting week evening B. Y. P. U. 7:00 p. m. Mr. J. Henderson, President.

Allen Chapel—26th and E Sts. (South Omaha) Rev. W. S. Moton, Pastor. Services, S. S. 9:30 a. m., Mr. John Fellows Supt. Sermon, 10:45 a. m. and 7:45 p. m. Prayer meeting Wednesday evening, 7:30.

BETHEL BAPTIST

29th and T Sts. Rev. F. S. Goodlett, pastor; Mrs. J. C. Collins, reporter: Sunday was another spiritual high day at the Bethel Baptist church. After the Sunday school convened, with the superintendent, H. C. Garner, in charge the lessons of Christian Growth were beautifully discussed by the teachers and classes. All present enjoyed the reports coming from the various teachers who attended the Omaha Standard Leadership Training school. For the worship period for the first Sunday in the month time was allotted for individual testimonies, which was very tense and spiritual, by the expression of God's goodness and the power gained over a period of three months.

B. Y. P. U. was a very interesting session with the president, Mr. Joshua Henderson in charge. After the period of Study, we were favored with a very interesting Jefferson, the subject of which was "What America Needs Today." Next Sunday evening's Union Study will be based on Armistice Day, with a dedication program rendered out of loyalty to those who have fought, suffered and died that others might live.

At 8 o'clock the pastor was in charge, giving a brief discussion on the Lord's Supper, after which in its Commemoration, we Communioned together.

Visitors and friends are always welcomed to worship with us at the Bethel Baptist church.

CHRIST TEMPLE

26th and Burdette Sts. O. J. Burkhardt, pastor; J. W. Goodwin, assistant; Mrs. Edna Pankey, reporter: We had a great day at the Temple. Our Sunday school was unusually good and yet we think that about each Sunday school lesson, but truly these teachers and pupils dig the very kernel out of these lessons to the extent that you are richer in the Bible truths by being in this Sunday school. At 11 a. m. the pastor brought us a message from Phil. 3:7 but for what things were we gain to me, those I counted loss for Christ. He set out in his sermon, that Christ must have the preeminence in all things. At 8 p. m. Rev. I. B. Smith, of Lincoln, brought us a fine message that was highly appreciated by the audience. We were indeed glad to have Rev. Smith with us.

Sunday we expect another fine day of service, to which you are always cordially invited. The W. W. Workers are pushing right on under the leadership of Sister Willie Vann. They are really accomplishing some things. Our sister Emma Tate is about ready to leave her sick couch, where she has been confined for better than two months. Sister Hatti Osborne, who underwent quite a serious operation, is now under the care of her life long friend, Mrs. Frankie Reed in whose home she is also rapidly gaining her health, and will soon be able to take up duties at her own beautiful little home on Madison St. Rev. Irving has recovered from a badly sprained back. For all this, we, as church, are thankful.

PARABLES AND PROVERBS THE EMPTY WAGON BY A. B. MANN (For The Literary Service Bureau)

Nothing is literally more true than the familiar axiom "The empty wagon makes the most noise." The whole world would bear witness to its truth.

Speaking in terms of human activity here is a brief application to conditions of today: An ignorant or an illiterate person is more garrulous and more blatantly loquacious than one of the better informed class. A man

with meagre possessions will talk more loudly of the little he has than will the man of greater possessions. So, it is evident that persons who talk much and make a loud noise are generally empty-headed, like the empty wagon. Usually a mind filled with impractical and vague ideas is more anxious to present such and do so in a noisy way. And it is fully demonstrated that persons who talk most boast most praise themselves and to a large extent irresponsible—and their very loudness indicates emptiness. Human experiences confirm this truth. So we need beware of the noisy blarney and boasting talker.

Another thing I would remind—Another thing worthwhile to know—Only in service to mankind, Can our own souls expand, and grow; And, sharing what one may possess, The blessing too, himself shall bless.

Should men these sentiment embrace, And in their hearts confess the true, Many who duty shun today, Would helpful tasks begin anew, And labor e'en more zealous, than, To serve and help their fellowmen.

LOOKING BACK ENCOURAGING SUPERSTITIONS BY VIDETTA ISH (For The Literary Service Bureau)

It should not seem so strange that even educated Negroes should be superstitious since they were taught these things by their parents. Here are a few examples of fostering superstition in other days.

For two persons to say the same thing at the same time was "bad luck." It was serious bad luck for the first caller in the morning to be a woman. Children were familiar with the "black cat" superstition; the "squeech (screach) owl" superstition; the "wood-pecker" superstition; and all of their contemporaries. They heard frequently that "if you sing before breakfast you will cry before supper;" that it was "bad luck to see the new moon through a tree;" that a "dog howling where someone was sick indicated that the sick person would soon die." They had seen their parents "make a cross mark and spit in it" to avoid bad luck if they had to return for some forgotten article. They had wondered when mama went back around a post to keep an object from passing between her and papa. And many other such things we saw and heard as we were growing up; and by these things we were yada to "fear and tremble."

I look back with amusement at the things which used to awe us; and looking back also I am glad that my children are growing up under different and more enlightened conditions. And I am doing my best to free their minds of the incubus of any such superstitions.
