Fear Louis Victory Will Enrage Mussolini

Bosotn, Mass., July 3.—ANP-Fear that Joe Louis's victory over Primo Carnera will incur the wrath of Premier Mussolini and bring about further reprisal against Ethiopia, was expressed here Wednesday by Prof. Rayford W. Logan of Atlanta University, in an address before the fourth annual New England Institute of International Relations at Wellesley college.

Decrying Mussolini's policy with regard to Ethiopia, the Southern professor added: "I am afraid that the defeat of Primo Carnera by Joe Louis will be interpreted as an additional insult to the Italian flag which will permit Mussolini to assert again the necessity for Italy to annihilate Abyssinia."
