## TOOK OFF 17 LBS. OF UGLY FAT

### HEEDED DOCTOR'S ADVICE

Mrs. Robert Hickey, Roseville, Calif., writes: "My doctor prescribed Kruschen Salts for me—he said they wouldn't hurt me in the least. I've lost 17 lbs. in 6 weeks. Kruschen is worth its weight in gold."

Mrs. Hickey paid no attention to scammers who said there was no safe way to reduce. She wisely followed her doctor's advice. Why don't you?

Get a jar of Kruschen to-day (lasts weeks and costs but a trifle). Simply take half teaspoonful in cup of hot water every morning. All druggists.

## Recruiting For Regiment Open July 1.

On July 1st the opportunity will be opened to 421 colored young men throughout the length and breadth of the United States to enlist in the 25th United States Infantry stationed at Fort Huachuca, Arizona.

The 25th Infantry commanded by Colonel John F. Franklin, is one of the crack regiments of the United States Army and offers a station a splendid post situated on the northeast slope of the Huachuca mountains in Cochise County Arizona. For the past two years no new men could be enlisted for the regiment and now the regiment is expecting to expand by the addition of capable young men.

The regiment is particularly anxious to have young men with high school or college education enlist to train to be the Non-Commissioned officers of the regiment in the future.

Fort Huachuca has an up to date moving picture theatre with shows every evening, presenting the best and latest of pictures. The price is fourteen cents and it can be paid on the following pay day. Dances are held frequently and the music is of the best. On Saturdays and holidays there is no duty other than the necessary guard and post fatigue. Saturday afternoons are usually clear of duty.

There are usually a few vacancies in the Army for qualified men who possess musical talent. This includes both the skilled musicians and the man who, though musically inclined, has never pursued a course which would qualify him to play a special instrument. Army bands have always held their own with the best civilian organizations. Music exerts a powerful influence on the morale, and the War Department in recognition of this fact strives to perfect each military band by offering the best inducements possible to worthy applicants.

Athletics form a prominent part of the soldier's life. Every effort is made to provide wholesome athletic amusements. Games of all kinds are arranged between the different organizations. The post baseball league is now in full bloom and will be the main pastime throughout the summer months. The Post team made up of the best players in the regiment is being organized. This team will as in past years, play civilian teams from Tucson, Bisbee, Nogales, Douglas, Phoenix and possibly clubs from Mexico.

Football in the regiment has been at a standstill for a number of years but, there's hope of bringing the sport to life this fall. The basketball league usually opens in the regiment during the month of January and carries a keen interest throughout the basketball season.

Boxing is a wholesome sport in the regiment and has a large number of followers. The regiment has turned out some of the best fighters in the State, namely Johnny "Kid" Wright, who won the welterweight championship

While the regiment was stationed at Camp Little in Nogales, it had the leading fight club in the State and booked such men as Bob Lawson, K. O. Brown, Red Fitzsimmons, Johnny Stopper, Bert Colima, Pat Lester, Bull Montana, Jack Johnson, Owens Phelps, and a host of others with wide reputations in the roped arena. The K. O. Brown and Red Fitzsimmons bout was refereed by Jack Dempsey and drew over four grands. The regiment has an excellent boxing instructor and if one possesses the making, will have an excellent opportunity of developing into championship material.

The regiment also affords a bowling alley and a gymnasium. Bowling is the latest addition to the sporting facilities and has a large number of enthusiasts.

All new enlistments are, by act of Congress, to be in the grade of Private, but there will be opportunity for advancement for men who can demonstrate their ability to get things done. The Army provides good food, quarters, good clothing, doctors and dental service in addition to pay. The lowest paid soldier gets the equal of sixty dollars a month in civil life. Non-Commissioned officers of ability in the army are paid as high as \$157 a month in addition to the allowances given above. In case of accident or serious permanent injury, a soldier will be discharged and paid a pension while the disability exists.

After thirty years in the Army soldiers are retired on three-quarters of the pay they were drawing at the date of their retirement for the rest of their lives. The maximum retired is \$133.87 per month. To be accepted for army posts you must fulfill the following conditions:

## Urban League Appeals For an Assistant

New York, July 6, (ANP)—The National Urban League made a special appeal to Frank Persons, director of the National Re-employment Service, for the appointment of a Negro executive assistant in his office in order to insure a fair chance for Negro workers under the re-employment program of the Federal Government. "Unless this is done," declared Mr. Hill, acting executive secretary of the League, "the probabilities are that the Negro will suffer from the same radical injustices which characterized the administration of the CWA in the past and the PWA in the present."

By specific examples Mr. Hill showed that Negro workers even now are being discriminated against on projects financed by Federal funds. "In New York City," he pointed out—recently, four Negro workers refused jobs on a bridge construction project financed from Federal funds. Similar is the case of sixty-two Negro painters of Omaha, Nebraska, who were classified as un-

## Whites Look For Trouble and Find It

New York City, July 6, (By the Associated Negro Press)—Vincent and William O'Connor, two young white men went out Monday morning in quest of a little excitement, which might be termed trouble, and their quest bore fruition when they accosted a group of young men of color. The result was a broken arm for William and a lacerated scalp for Vincent.

The two brothers, according to the reports made to police, asked a colored youth for a cigarette and when he refused they attempted to "rough him up" a bit. A companion joined him and a free-for-all fight resulted in which the whites came out the losers. William and Vincent were arrested, charged with starting the altercation.
