BRIGGS JUBILEE ENSEMBLE

By this time I am sure that the general public has become well acquainted with the "Briggs Jubilee Ensemble" by the outstanding work they have been doing during the past few months.

Their splendid work has met with approval by some of the outstanding music critics of our city and state; and giving credit where credit is due, I might state here that Mr. Paul Briggs, the dynamic young leader of these young artists, is an exceptionally qualified person for his undertaking, donating every moment he can to this splendid effort.

Here is a hope that success shall soon be his. Keep up the good work and continue to strive hard and I am sure that your efforts shall not be in vain. Good fortune to the whole group!
A FRIEND.

WAITERS' COLUMN (BY H. W. SMITH)

The Omaha Club continues out in front with Mr. Blackwell, the modern headwaiter and Mr. Earl Jones the wide awake Captain on the job all the time. Mr. Jones don't understand how this writer obtains so much information about all the waiters. Will some one say to him that his efforts of being on time overseeing and helping the waiters to please the members gives us ideas to write the waiters' column.

Mr. John Evans of the Rome hotel is the right man to be out in front and the very good support that Mr. Glenn and Mr. Martin and the well trained group of extra waiters will always please the guest.

The Cottonwood Room at the Blackstone Hotel with Mr. Tommy Wilson and Mr. C. C. Jones and the well trained crew will take good care of the guest at all times.

Now boys let's take time out and give the Omaha Guide some attention and don't you think they deserve a break. It produces current events and late news and why not take one years subscription and get in the running.

The Fontenelle Hotel is tops at all times with Mr. Underwood and Mr. Reed helping the boss to keep the service up to the minute;... giving the boys good instructions at all times.

The Paxton hotel is always in top form in modern service. Mr. Pierson who is up from Oklahoma continues to progress as he is with the Highland Club rooms and he knows how and what to do at all times. Mr. Owens, Mr. Andrews, Mr. Gaiters, Mr. Thomas and Capt. Brooch and the race horse, headwaiter, guide the boys in giving good modern service.

We often wonder about the high Commerce ad we hope the musician headwaiter will not address this writer as he would a telephone. Hello??? and our good friend Mr. Henry Moore should try and teach him to say good morning or good afternoon as Mr.

He Takes the Cake: Mr. Walter Bryant won a cake at a raffle at the YWCA. Semper Fidelis Club meeting. That was just too sweet.

Nobody's Business—Some people should stick to minding their own business instead of watching to see how frequently a certain Chick visits a Cat.... after all she has only visited this Cats house three times in seven months, and she doesn't run after this Cat as if you were trying to infer.

Congratulations: To Miss Wilhelmina Thomas, who was married last week. The groom should consider himself fortunate.

Received Letter: My staff and I received a letter from Miss Gwendolyn Davis, who is living in Muskogee, Oklahoma. She said to tell all of you sheiks and shebas, Hello!

Improved: You boys improved in your conduct at the dance. We girls want to thank you too.

Glenn Miller: Glenn Miller's program on Monday, Tuesday, and Wednesday, in honor of Chesterfield Cigarettes has finally won the confidence of Omahans. They say they rest on

Chester B. goes always uses those words and our good friend Capt. Burns gives this writer a very pleasant greeting and criticizes also. And the rapid fire chef says he don't see what anyone would employ this writer for and then entertains us with a very nice bowl of good soup and we have a pleasant visit and very pleasant thoughts of Mr. Marchello....we shall always give or a glad hand to him for we are for you for hundred percent.

Double Help for WOMEN!

nervousness, cramp-like pain, lack of energy and appetite, or some other form of periodic, functional distress begins to make you miserable? Why not do as thousands of women take CARDUI?

There are two ways to take it. First: To help relieve periodic pain and discomfort, start three days before "your time" and follow directions. Second: To assist in building energy, strength, through increased flow of gastric juice which helps appetite and digestion, take it by directions as a tonic. Women who use it both ways seem to be CARDUI's most enthusiastic boosters.
