HERE'S ONE WAY TO SAVE SUGAR

FRESNO, CALIF .- Dried figs from the San Joaquin Valley of California are helping housewives all over the nation solve their sugar rationing problems. With a 55 per cent natural sugar content figs make possible a big reduction in usual sugar requirements of delicious desserts, such as the old-fashioned Bread Pudding illustrated above. Eaten out of hand, figs are also an ideal confection for satisfying the sweet tooth of children and grown-ups alike.

#### "I'm buying War Bonds today for an all-electric kitchen tomorrow!

"It isn't often that I can spend my money twice—but War Bonds let me do exactly that!

"They're wonderful, anyway. Every time I buy one, I feel inside the way I do when a band plays the Star Spangled Banner! I sort of feel I'm doing something for my country and the boys in the service.

"Then, when I get down to earth again, I realize that I'm doing something for myself as well. I'm really saving money when I spend it for War Bonds. I get to dreaming about what I'll do when this war is over, and about the things I want to buy. Things like the rest of the equipment for that electric kitchen I have my heart set on, but can't get for the duration.

"That's why, when I buy War Bonds 'til it hurts, it doesn't really hurt at all!"
