

Governor Issues "State War Fund Week" Oct. 9 thru 15th Proclamation

PROCLAMATIONS
WHEREAS, the 22 agencies of the National War Fund are engaged in vital wartime services to the members of our fighting forces and merchant marine, and to stricken allied peoples, refugees, and child war victims—services that extend from the 3,000 USO clubs in this country to 87 Campshow Units in battle zones and to 91 countries on 6 continents, and

WHEREAS, Nebraska's share of the expense in the maintenance of these necessary services as been set at \$925,000, and

WHEREAS, Monday, Oct. 9th has been set for the beginning of the United War Fund Campaign in the 93 counties of Nebraska, and

WHEREAS, the National War

Fund is worthy of the complete confidence and whole-hearted support of the American people.

NOW, THEREFORE, I, Dwight Griswold, Governor of the State of Nebraska, do proclaim the week of October 9th through October 15th, 1944, a National War Fund Week, and urge the people of Nebraska to give their full support to the campaign just as they did so remarkably in 1943 to the high credit of the citizenship and patriotic spirit of this state.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Nebraska to be affixed.

Done at the Capitol in the City of Lincoln, this 29th day of August, in the year of our Lord, Nineteen Hundred and Forty-Four.

DWIGHT GRISWOLD,
by the Governor:
Frank Marsh, Secy. of State.

\$51,000,000 IN JOBS FOR G. I. JOE

The motorists and truckers are offering the state of Nebraska \$51,000,000 for building highways and streets to provide jobs for thousands of returning GI Joes in the first three post-war years. Voting "Yes" on the Gas Tax Constitutional Amendment is the way voters can assure this fine job-program for our veterans.

Gas Tax Constitutional Amendment is the only available, blue-printed, business-stimulating, state-wide program that absolutely guarantees thousands of jobs in the post-war period for our thousands of returning GI Joes.

There will be no increase in gas taxes. The Amendment merely provides that the revenue raised by gas taxes and other motor vehicle fees shall be used exclusively for the building and maintenance of our highways and streets.

Nebraska motorists, truckers and farmers will be the beneficiaries of "Time and Tide Wait on No Man". NOW IS THE TIME TO GET YOUR SHOES REBUILT.

Hot Water and Kruschen Salts Before Breakfast. No Forcing! No Straining!
Here's amazingly effective way to moisten bowel contents and obtain more gentle "easy" movements. Every morning for 5 days, 15 minutes before breakfast, drink a glass of hot water to which one teaspoonful of Kruschen Salts has been added. Bowel contents become soft, moist, easier to expel. No need to strain and thus risk painful rectal irritation. Usually within an hour wastes are expelled smoothly and gently. Get Kruschen Salts at all drug stores.
Over 245 million bottles sold in the past 100 years—it must be good.

A BRIDE GROOM AND A PAL

Chicago, Lt. Eliot Van Zandt, of Chicago, beams for the cameraman while posing with his lovely wife, a few days and his close friend Lt. Carl White. The charming bride is the former Dorothy Shands of Vicksburg, Miss. She is a graduate of Dillard, Class of '42 and taught in the public schools at Vicksburg for

two years. Mrs. Zandt has taken up residence with her mother-in-law at 4743 S. Prairie Ave., to await the return of her handsome husband, who along with his friend Lt. White left recently for a Port of Embarkation. Both are members of the 371st Infantry and are Tuskegee grads, class of '43. Lt. Zandt sits to the right of his bride. (PPNS)

IT'S NO CIRCUS!

They may look like daring young men on the flying trapeze. But they're electric linemen, fifty feet in the air, with no net underneath.

It's tough enough up there on a hot summer day. It's worse on a wet, black night—or when everything's slippery with sleet. But the job must be done. It's part of giving you good electric service.

Fortunately, there are men who have the courage and skill to do it. Just as there are other men who control complicated switchboards in lightning storms, or crawl in hot boilers to make repairs.

These folks know what to do because they've been doing it a long time. Men and women grow up in the electric light and power business. It takes years to become a power-plant engineer. Almost every other job is specialized and technical.

The value of this practical experience—and of sound business management—has been dramatically proved by war. In spite of shortages of many essentials, there is no shortage of electricity—and it is still sold at pre-war prices!

"YOU FINISH THE JOB THIS TIME SON!"

Facts in Rhyme
By Myrtle M. Goodlow
"My country 'Tis of Thee"
We have again been called to fight
To help keep freedom's torch alight.
Yet it is our sorrowful plight—
To be denied the rights for which we fight.
And so we cannot sing so sweetly—
"Sweet Land of Liberty."
Since liberty isn't ours completely,
The words have an empty ring—
And they never fail to bring—
A sob in our throat.
And a prayer in every note.
That someday America will be,
The Land of Liberty.
To all alike beneath her Stars and Stripes!
"Of thee We Sing".
And may the plaintive song,
Of fifteen million strong—
Never cease to ring,
Until our country rights her every wrong.
For we have paid with blood and sacrifice.
The price of equal rights!
Yet America continues to deny—
The rights for which we fight and die!
That "Long May Our Land Be Bright,
With Freedom's Holy Light"—
"Protect Us By Thy Might,"
Has always been our plea.
And God is a God of mercy and right.
And He shall make all wrongs right.
He protects and watches over us,
And someday we shall be victorious
Because our plea is just—
We have always been a God-fearing and praying race,
Our fore-parents in slavery's darkest days—
Prayed for their deliverance.
And their prayers were heard and answered!
And we have continued to pray—
All along the way just as they—
And trusting in His holy name.
Our prayers shall not be in vain.
"Great God Our King",
To Him we shall always cling,
Knowing that all things work together.
For the good of those who serve Him.
And that He works in a mysterious way—
His wonders to perform!
We shall continue to carry on—
To watch, serve and pray.
And look for the coming dawn,
When freedom's light shall shine

Upon all mankind!

Ladies, they used to say: "That's TABOO!" Now read these facts

Not long ago, many a woman would prefer to suffer in silence from periodic, functional pain rather than talk about this subject.

Nowadays, women and girls openly praise CARDUI's 2-way help. Taken as a tonic, it usually peeps up the appetite and aids digestion by stimulating the flow of gastric juices;

thus it often helps build up resistance for the trying days to come. Or taken as directed 3 days before the time, CARDUI may help relieve pain due only to periodic, functional causes.

Try CARDUI. For 62 years thousands of women have said they believed it helped them.
