WANTS NO DISCRIMINATION IN HEALTH BILL, NAACP CHAIRMAN TELLS SENATORS

Washington, D. C. May 18—No public health program can accomplish results that will be profitable to all the people unless it is administered fairly and carried to all elements of the population without regard to sex, creed, race or color.

This was the view expressed today by Dr. Louis T. Wright, of New York, chairman of the board of the National Association for the Advancement of Colored People before the Senate sub-committee holding hearings on the Wagner health bill.

Representing the association at the hearing, Dr. Wright testified that the NAACP supports the bill which proposes to appropriate \$80,000,000 of federal funds the first year of its operation and larger sums annually thereafter as federal aid to state-guided health programs, but pointed out that the NAACP insists that certain safeguards against discrimination be included in the bill.

The bill is divided into four sections which include: grants to states for maternal and child welfare, public health work and investigations, hospitals and the health centers, and medical care for illness and insurance against loss of wages during periods of temporary illness.

Dr. Wright set forth the N. A. A. C. P. sponsored amendment which would operate in each of these sections, to insure:

"A just and equitable apportionment or distribution of the several funds, provided under this act, for the benefit

of the minority racial group in a state which maintains separate health facilities for such minority and racial groups; not less than the proportionate need that each minority racial group in such states bears to the needs of the total population of that state."

Calvin's Newspaper Service TESTED RECIPE

By Frances Lee Barton

If chicken has graced your Sunday dinner table, don't give way to despair when you see the "pickings" and mourn the absence of leftovers for Monday night supper. Just attack the remains, gently but firmly, and you'll be amazed at the amount you'll get off the bird. You'll only need a cupful in order to have a grand chicken salad for a cold supper the next night. Then you'll be filled with the grand and glorious feeling of looking lavish and being economical.

Chicken Salad Mold

1 package lemon-flavored gelatin; 1 1/2 cups hot chicken stock, free from fat; 2 tablespoons vinegar; 1/2 teaspoon salt; dash of cayenne; 1 cup diced chicken; 1 cup chopped celery; 2 tablespoons chopped green pepper. Dissolve gelatin in hot chicken stock. Chill until slightly thickened. Combine remaining ingredients and fold into slightly thickened gelatin. Turn into loaf pan. Chill until firm. Unmold on crisp lettuce. Garnish with mayonnaise. Serve in slices. Serves 6.
