Take medicine prescribed by Doctors only. I warn you against taking root medicine. A change will take place if you cooperate with a good medical doctor or the clinic.

C. G.—Please tell me if I will be able to get the children I am trying to get?

Ans:—I see disappointment ahead for you regarding these children? In all probability your financial standing has something to do with it.

L. C.—Please tell me if I stand a chance with either one of the 2 boys I have been going with? Both claim they love me?

Ans: The fellow you have been going with for the longest period of time loves you more devotedly than the one you started with recently. He would marry you—but I don't think the latter fellow would consider marriage at all.

E. J. W.—Do you think my daughter will make good at the school that I am planning to send her to?

Ans: I do. It seems to me that you are using the very best of judgement in sending her off to school. She's ambitious and studious—you may expect nothing but the best from this young lady.

I. L. W.—Things got so bad that I had to leave home. Is it the end of everything for me? What must I do?

Ans: Go back home and stay there. Your husband has become infatuated with someone else, but you are foolish to step out and give him a free road to travel. Try to hold your home together and work and take care of yourself. A change will take place in him before fall.

LADIES AUXILIARY TO BROTHERHOOD WILL HOLD BIENNIAL CONVENTION

The Ladies Auxiliary to the Brotherhood of Sleeping Car Porters which is affiliated with the A. F. of L. will hold its Biennial Convention in the International Headquarters of the Brotherhood of Sleeping Car Porters, 27 West 125th Street, New York, September 16-19 inclusive. The preliminary activities of the Convention will include a Parade followed by a Mass Meeting at the Salem Methodist Episcopal Church, 129th Street and 7th avenue, Sunday September 15, at 3 o'clock p. m. The Ladies Auxiliary will be the guest of the Brotherhood of Sleeping Car Porters on these two occasions which also mark the beginning of the Second Biennial Convention and the 15th Anniversary Celebration of the Brotherhood. The Brotherhood Sessions will be held in New York simultaneously with those of the Ladies Auxiliary, but will be of longer duration.

The Ladies Auxiliary was organized August 1925, in New York City by the Brotherhood President A. Philip Randolph and was known at that time as the Colored Women's Economic Council. As rapidly as circumstances and conditions would permit an auxiliary was set up in each of the Brotherhood Divisions until today there are 44 such organizations throughout this country and Canada.

In July 1938, a National Call was issued by the International President A. Philip Randolph requesting the Auxiliary representatives to assemble the following September, in Chicago, Illinois for the purpose of being organized into an International Organization. This was to represent the first and only group of Negro women to be organized on an International scale by a duly recognized Negro International Labor Organization. The following officials were elected at that time by the Convention Delegates:

- Halena Wilson; Chicago, Illinois; International President. Rosine C. Tucker; Washington, D. C.; International Secretary-Treasurer. Katherine Lassiter; New York

Marie Downing BEAUTY AND ROMANCE

SPONSORED BY LARIEUSE BEAUTY FOUNDATION

The Larieuse Beauty Foundation was established by the Godfrey Manufacturing Company to study methods of preserving women's natural beauty, and to make the results of this research available to the public.

EASTER PARADE
Yesterday I watched a young friend of mine get all dressed up in her Sunday best for a gala party. She had bought a new dress and her best beau had sent her a lovely shade. Her hat was the exact shade of delicate blue as her dress. She should have looked fresh and lovely but—unfortunately—she missed.

Small Details Are Important
Few of us realize the importance of little details of grooming. A dashing new dress or suit only serves to call attention to our shortcomings if the small items of costume are faulty. We are inclined to say, "What shabby looking gloves," or "How dirty her shoes are," rather than comment on the excellence of the rest of the ensemble.

What are your beauty problems? Write Marie Downing, Larieuse Beauty Foundation, Room 521—319 North Fourth St., St. Louis, Mo., and she will be glad to answer them. Be sure to enclose a self-addressed, stamped envelope.

the Virgin Islands were present. The association went on record condemning lynching, peonage, the failure and refusal to make a pro rata distribution of educational funds, the poll tax, discriminatory practices against Negroes in the armed forces, disfranchisement, the jim crow car, and the exclusion of the Negro from the state and federal judiciary. Atty. Edwin F. Kensil of St. Louis, chairman of the committee on time, and place, reported that six cities requested the next convention. This was the largest

number of invitations the association has ever had. After much discussion Little Rock Ark., was selected for the next convention which will be Aug. 7, 1941.

The following officers were elected: S. R. Redmond, St. Louis, president; Thomas Campbell, Denver, E. L. Wheaton, Toledo, and William T. Garvin, New York, vice presidents; George W. Evans, Baltimore, secretary; Georgia Jones Ellis, Chicago, assistant secretary and Charles W. Anderson, Louisville, treasurer.

CITIZENS PROTEST GET DEFENSE TRAINING

Charleston, S. C. Aug. 22 (AN P)—As a result of three weeks of action Negro citizens told Tuesday that NYA training under the National Defense Training program, would inaugurate at the Burke Industrial High school here in the fall when the first eight week period ends. One hundred white youth are receiving such training at the Murray Vocational school which bars colored students.

Civic actions was sparked by the local weekly, the Lighthouse and Informer, which began negotiations immediately upon public announcement that no training was included in the local program for Negroes. Roger L. Coe, state NYA administrator and B. R. Turner of the State Education department were contacted, as well as local authorities.

When persistent efforts continued and apparent run-around was abandoned and G. C. Rogers assistant of local school board, told editor John H. McCray, who headed the citizens committee, on Tuesday that the course would be offered this fall. W. H. Grayson, Jr., principal of the school had conferred with Mr. Rogers Tuesday upon request of the committee.
