

WONDERFUL!

The cures which are being effected by Drs. Starkey & Palen, 1529 Arch St., Philadelphia, Pa., in Consumption, Catarrh, Neuritis, Bronchitis, Rheumatism, and all chronic diseases by their compound Oxygen Treatment is indeed marvelous.

If you are a sufferer from any disease which your physician has failed to cure, write for information about this treatment, and their book of two hundred pages, giving a history of Compound Oxygen, its nature and effects with numerous testimonials from patients, to whom you may refer for still further information, will be promptly sent, without charge.

This book aside from its great merit as a medical work, giving as it does, the result of years of study and experience, you will find a very interesting one.

NOTHING ELSE LIKE IT.

When the publishers decided to issue The Journal twice a week at the same price of the old weeklies, \$1.00 per year, they stuck just what the public wanted—something between the old-fashioned weekly and the high-priced daily. The success of The Semi-Weekly Journal has been immediate and continued. It has distanced every one of its once-a-week rivals. It doesn't take long to convince people that a good live paper every Tuesday and Friday is better than only one a week, especially when you appeal to their pocket books, and give it to them at the same price. Readers will testify that it is almost as good as a daily. The markets twice a week are worth the money. Four complete novels each year by "The Duchess," Miss Braddon, and other widely known authors, are worth the dollar. Its legislative news is its strong point just now. It is wide-awake, spends money for news, and is always in the lead. You can see its superiority over the old-fashioned weekly. Everyone who subscribes now gets a Seaside Library free.

This offer won't hold good all ways. One of our big offers is The Semi-Weekly Journal and Weekly New York Tribune, both one year for \$1.25. Our great premium, History of the United States, Stanley's Book, or Life of Spurgeon, prepaid, and The Journal, \$1.40. Either book is worth \$1.50 alone. Your choice of these books and the Weekly New York Tribune and Journal a year for only \$1.65. What a combination of reading matter! If you send us your own and another new name, we will send you either of the above books free. Subscribe now and get 104 papers a year, which is less than one cent per copy. Address

CHOLERINE IN PENNSYLVANIA.

Swickly, Penn.: We had an epidemic of Cholera, as our physicians called it, in this place lately and I made a great hit with Chamberlain's Colic, Cholera and Diarrhoea Remedy. I sold four dozen bottles of it in one week and have since sold nearly a gross. This Remedy did the work and was a big advertisement for me. Several persons who had been troubled with diarrhoea for two or three weeks were cured by a few doses of this medicine.

RHEUMATISM QUICKLY CURED.

Three days is a very short time in which to cure a bad case of rheumatism; but it can be done if the proper treatment is adopted, as will be seen by the following from James Lamore of New Brunswick, Illinois: "I was badly afflicted with rheumatism in the hips and legs, when I bought a bottle of Chamberlain's Pain Balm. It cured me in three days. I am alright today; and would insist upon everyone who is afflicted with that terrible disease to use Chamberlain's Pain Balm and get well at once." 50 cent bottles for sale by L. W.
