Many rise in the morning with a headache and no inclination for breakfast. This is due to torpidity of the liver and a deranged condition of the stomach. To restore healthy action to these organs, nothing is so efficacious as an occasional dose of Ayer's Pills.

Attention is the stuff that memory is made of, and memory is accumulated genius.

It would be worth while for the ladies to bear in mind that if they take gentle course of Ayer's Sarsaparilla in the spring they will have no trouble with "prickly heat," "hives," "sties," "boils," or "black heads," when summer comes. Prevention is better than cure.

The thing done avails, not what is said about it.

MARCH, APRIL AND MAY

Is the Time for Catarrhal Dyspepsia The Blood Must be Cleansed.

The symptoms of catarrhal dyspepsia are: Coated tongue, pain or heavy feeling in the stomach, sour stomach, belching of gas, dizzy head, sometimes headache, despondent feelings, loss of appetite, palpitation of heart and irregularity of the bowels.

For this condition Pe-ru-na is found to be an admirable remedy. In all cases it brings prompt relief to the painful symptoms, and in a large per cent. of cases it makes a permanent cure. Pe-ru-na soothes the inflamed mucous surface, and thus strikes at the root of the disease. In cases where the inflammation has been so severe and continued as to produce extreme irritability of the stomach, the remedy may be taken in small doses at first, diluted in water; but, as soon as the improvement is sufficient to permit the full dose to be taken undiluted, it is the better way, and the cure is more rapid. Pe-ru-na is also a spring medicine which at once removes the cause of all affections peculiar to the spring season by purifying the blood of all contaminations, and invigorating the whole system.

Two valuable books, No. 2 setting forth in detail the treatment of catarrh, coughs, colds, sore throat, bronchitis and consumption, in every phase of these diseases, and No. 3, on spring remedies and diseases, will be sent free to any address by the Pe-ru-na Drug Manufacturing Company of Columbus, Ohio.

He is a fool who cannot be angry, but he is a wise man who will not be.

"For several years," says John Park of Beaver Creek, Minn., "during the winter, I have been troubled with a painful swelling of the feet, which the physicians claimed was rheumatic gout. I was treated by some of our best physicians, and obtained little, if any relief, and used many so-called 'cures,' without benefit. During the winter of 1887, when my feet was so swollen and inflamed that I could not wear my boots I commenced using Chamberlain's Pain Balm. The first application reduced the swelling and inflammation, and the use of one fifty cent bottle so completely relieved me, that I discontinued my 'cures,' and was able to get around all right and wear my boots." 50 cent bottles for sale by L. W. McConnell & Co.

The more one endeavors to sound the depths of his ignorance, the deeper the chasm appears.

While Minnesota is one of the most healthy States in the Union, it is one of the worst for colds, owing to the severe winters. Many of the druggists there make it a rule to give their customers just what they ask for; but when they come back and say it did no good, they almost invariably recommended Chamberlain's Cough Remedy after other leading cough preparations failed to do any good, and always with the best results. We can always rely upon that remedy, as it is sure to effect a cure. It has no equal for children; especially in cases of whooping cough." 50 cent bottles for sale by L. W. McConnell & Co.

Good-humor may be said to be one of the very best articles of dress one can wear in society.

STRENGTH AND HEALTH.
If you are not feeling strong and healthy, try Electric Bitters. If "La Grippe" has left you weak and weary, use Electric Bitters. This remedy acts directly on Liver, Stomach and Kidneys, gently aiding those organs to perform their functions. If you are afflicted with Sick Headache you will find speedy and permanent relief by taking Electric Bitters. One trial will convince you that this is the remedy you need. Large bottles only 50 cents at A. McMillen's drugstore.

The hate which will bear with the most Christian patience is the hate of those who envy us.

A child of Mr. John Pears had the scald head and had been under treatment of physicians without relief. It was cured by Chamberlain's Eye and Skin Ointment, and is now well and right.—W. R. MILLER & SON, Briscoe, Iowa. 35 cent bottles for sale by L. W. McConnell & Co.

Necessity is the only real sovereign in the world, the only despot for whom there is no law.

That produces that beautiful, soft delicate complexion and leaves no traces of its application or injurious effects? The answer: Wisdom's Famous Robertine. No lady's toilet complete without it.

If more care were given to character, less attention might be demanded by the reputation.
