GEN. FRANZ SIGEL has been appointed pension agent at New York.

A PETITION with twenty-three thousand signatures, in favor of optional cremation, has been presented to the German reichstag.

JOSH BILLINGS wrote: "I have known a man who was so pious that when he went fishing on Sunday he always prayed to the Lord for good luck."

THE Pullman car company received an order for twenty-seven hundred cars. Other orders have been given out within a few days amounting to three thousand cars.

BUTLER MAHON, son of the senator, is in Texas and fully confirms the report that his father will leave Texas and go into the cattle business in Dakota.

QUEEN VICTORIA has reigned over Great Britain nearly fifty years. If she lives to see the 20th of June, 1887, she will complete the 50th year of her reign.

THE pope of Rome is said to have income of a million and a half a year and yet he lives on two dollars a day. If he could reduce his daily expenditures about one-half, what a successful newspaper man he would make.—*Ex.*

It will cost the Dominion government one million dollars to reimburse the grocers and saloon keepers who obtained their licenses under the Dominion liquor act, which the privy council has declared unconstitutional.

DURING the past year 73,300 seals have been killed off the coast of Newfoundland and 10,750 along the shores of Greenland. Still the husband whose wife is not supplied with a sealskin saccque feels that he is not a happy man.

Mrs. ANNA PRICE, widow of John Price, a Revolutionary soldier, recently celebrated her ninety-seventh birthday at Kilmore, Clinton county, Ind. There are now living of the descendants of this venerable mother and her husband not less 194 persons.

Mrs. Grant's profits on the subscriptions for her husband's book already taken will be \$500,000. The book was circulated in England and Germany. France and Italy will have the book next. The second volume, which is larger than the first, will be ready in March.

REPRESENTATIVE PRICE, of the Eighth Wisconsin District, was the only one among the 325 members of the House who voted "no" on the bill to allow the usual pension to the widow of General Grant. Mr. Price has made a ridiculous mistake which his friends sincerely regret. He has won a distinction to which precious little honor attaches.

BUTTE CITY, Montana, has a population of 18,000, 4,000 to 5,000 of whom are employed in the mines at \$4.50 per day, while fully as many are idle. The town supports five daily newspapers, five brass and string bands, fifteen gambling establishments, four variety theatres and one opera house.

W. L. SCOTT, of Erie, Penna., is said to be the richest man in the present House of Representatives. His wealth is estimated at twelve million dollars, invested in railroads, oil lands, coal mines, etc. He was a page in the House when Webster, Clay and Calhoun were still active at Washington. Mr. Scott is a Democrat, is of medium size and about forty-five years of age.

THE New York Herald contains the following account of a would-be Guiteau's performance: "A man—believed from papers found on his person to be L. S. Kempell—was arrested Saturday night on the outskirts of Council Bluffs, Iowa. He says he is enroute to Washington to kill Cleveland in order to rid the country of Democrats. He was heavily armed and had considerable money. Kempell is believed to be from Sidney, Neb."

CONGRESSMAN LAIRD's bill to raise a regiment of Frontiersmen especially to put an end to the Apache outrages, will be popular even outside of New Mexico and Arizona. The regular troops have made a gallant pursuit, but it has proved ineffectual although presumably all the soldiers that can be spared for the purpose have been placed at Crook's disposal. Why not, therefore, let the frontiersmen have a chance to punish the Apache murderers under proper conditions? Under Crook's command they would enter the campaign with an ardor that would make it particularly lively for the Indians.

—All hanging lamps sold by James Belton are furnished with hooks and competent workmen hang the lamps without extra charge.

THE President is reported as shaking hands with 448 persons in sixteen minutes, but it did not give time for any fellow to say postoffice and get the word completed until he was half way down the line on his way out.

For reasons perhaps dependent upon his shape, President Cleveland has resolved on the frock coat for evening receptions, and the swells are bestirring themselves to trade off their swallow-tails and imitate the great Democratic reform leader.

THERE has been a wonderful reform worked among certain New York editors. A gentleman more or less acquainted with the fraternity says: "For the past year the New York editors have been so busy swearing about their circulation that they have quit swearing everything else."

A HAPPY New Year to the United States means, indeed, a Happy New Year to the peoples of all nationalities and of all climes. For the growth of the power and the wealth of the American people is a promise and a safeguard to all mankind. As a test of the strength and stability of a government of the people, by the people and for the people the success of the United States is a blessing to the whole world.—*New York World.*

Just set it down that "the dollar of the daddies" will go on buying 100 cents worth of beefsteak and flour and groceries just as if there were no gold bugs singing their wings with midnight gas over speeches showing what a monster evil the silver dollar is. It came a long time ago, and there is not a particle of doubt that three-fourths of the voters at the ballot-box will vote that "the silver dollar has come to stay," despite Wall street and the President and his advisers.—*Chicago Inter Ocean.*

A YOUNG man attending Yale undertook to do two years' work in the law department in one year. He also supported himself and was manager of a co-operative society. It was too much and it killed him. Overwork pure and simple carried him off. His mistake was in imagining that life was too short. There is plenty of time for the young man. He need not hurry. He has, or can take, ten to fifteen years to finish his education, and instead of losing time he will have gained it. The young fellow who thinks that his twenty-first birthday is a magic dividing line in life, on the beyond side of which he must begin suddenly to distinguish himself or pile up money, makes a grievous and burdensome mistake for which he is sure sooner or later to atone. There is no need to hurry. Life is long enough, and attempts to stretch it out usually result in snapping its thread short.—*Journal Times.*

—No other medicine has won for itself such universal approbation in its own city, state and country, and among all people, as Ayer's Sarsaparilla. It is the best combination of vegetable blood purifiers, with the iodine of Potassium and Iron, ever offered to the public.

**Ayer's Cherry Pectoral**

Should be kept constantly at hand, for use in emergencies of the household. Many a mother, started in the night by the ominous sounds of Croup, finds the little sufferer, with red and swollen face, gasping for air. In such cases Ayer's Cherry Pectoral is invaluable. Mrs. Emma Guibrey, 153 West 123 st., New York, writes: "While in the country, last winter, my little boy, three years old, was taken ill with Croup; it seemed as if he would die from strangulation. Ayer's Cherry Pectoral was tried in small and frequent doses, and, in less than half an hour, the little patient was breathing easily. The doctor said that the Pectoral saved my darling's life." Mrs. Chas. B. Landon, Guilford, Conn., writes: "Ayer's Cherry Pectoral

Saved My Life, and also the life of my little son. As he is troubled with Croup, I dare not be without this remedy in the house." Mrs. J. Gregg, Lowell, Mass., writes: "My children have repeatedly taken Ayer's Cherry Pectoral for Coughs and Croup. It gives immediate relief, followed by cure." Mrs. Mary E. Evans, Scranton, Pa., writes: "I have two little boys, both of whom have been, from infancy, subject to violent attacks of Croup. About six months ago we began using Ayer's Cherry Pectoral, and it acts like a charm. In a few minutes after the child takes it, he breathes easily and rests well. Every mother ought to know what a blessing I have found in Ayer's Cherry Pectoral." Mrs. Wm. C. Reid, Freeland, N. J., writes: "In our family, Ayer's medicines have been blessings for many years. In cases of Colds and Coughs, we take

**Ayer's Cherry Pectoral,** and the inconvenience is soon forgotten." PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists.

### NOTARY PUBLIC.

Having a certificate on file in the Pension Office at Washington, pension papers filled out without charge. Business before the U. S. Land Office attended to.

Below is a partial list of lands I have for sale

No. 1. About 45,000 acres of farming land in ranges 23 and 24, in Lincoln county. These lands run from \$2.50 to \$3.00 per acre, according to quality and quantity purchased. As an investment they are bound to prove profitable. Long time of deferred payments.

No. 2. Ten sections of agricultural land in Towns 10 and 11, Range 25, Keith county, at \$2.50 to 4.00 per acre. This is rolling table land suitable for agricultural purposes.

No. 3. One section of choice bottom land 8 miles from North Platte, at \$7.00 per acre, part on long time. A portion of this is lay land.

No. 4. A choice section of table land, 8 miles from this city, smooth and every foot suitable for cultivation, a bargain at \$3.00 per acre, worth \$5.00. Sold on three years' time.

No. 5. Three hundred and twenty acres very choice land five miles from town, at \$7.00 per acre, in four equal payments. This is mostly bench land and is offered very low.

No. 6. S. E. of sec 1 and N. W. of sec 9, township 12, range 21, and N. W. of sec 7, township 14, range 21, all in Dawson county near Goodrich. These are said to be quarters that have half or more of plow land. 7-14-21 is half valley land and water is easy to get. They will be sold in quarters and come at a little over \$4.00 per acre on the ten year plan, \$25,000 cash down per quarter.

No. 7. Six hundred and twenty acres of bench land six miles from North Platte at \$3.50 per acre. This is very cheap and will be sold on four equal payments. It is a fine section and is offered for sale because the owner has more land than he desires to carry.

No. 8. Section 15, township 12, range 24, Lincoln county. A very good section of agricultural land at \$3.00 per acre.

No. 9. S. W. of sec 8-12-20, lay land, two miles from North Platte, \$1,000.

No. 10. Two sections of bench land 6 to 7 miles from North Platte, surrounded by land that will most likely remain vacant for some time, thus affording ample time for the settler to get on his feet. A bargain for the money. \$3.00 per acre, cash-down, balance on time.

TIMBER CLAIMS. I have a number of timber claim relinquishments, some of them offered quite reasonable. Below is a list of these I consider worth the money asked.

No. 1. A fine quarter-section of table land six miles south of Alkali, Keith county, \$300.

No. 2. A good timber claim in township 10, range 20 about 25 miles south of this city, \$250.

No. 3. A very choice bottom quarter in township 15, range 21, at \$200. Homestead relinquishment in same section at \$200—a bargain for any one having the two rights as it is line bench and lay land.

No. 4. A very fine timber claim in township 12, range 20, high rolling prairie, very reasonable at \$150.

Parties from a distance should bear in mind that it is not necessary to live on a timber claim. After making your entry all you have to do is to hire the necessary improvements made, which always adds more than double the cost to the value of the land, and if necessary you can hold it four years, free from all taxes before settling. This exemption is a small item and should not be overlooked. A timber claim is a profitable investment.

HOMESTEADS. I have a number of homestead relinquishments within one mile of the city, and parties with small means will find it more profitable to buy these than to go far away from the railroad or market. Most of them are offered reasonable.

CITY PROPERTY. I have a number of choice building lots in the city. Parties desiring choice lots should call.

No. 1. Large fine house and two lots, windmill, tank, stable, trees, shrubbery, nicely improved, \$2,500.00 or one lot and all the improvements for \$2,000.00. Part on time.

No. 2. House and 2 lots on North side, six blocks from 2nd, 2 closets, out buildings, etc. Price \$1,200.
