ADDITIONAL LOCAL NEWS.

-A. H. Peterson the wide awake grocer is putting up his own special brands of rice, prunes, pepper &c., in neat boxes of convenient size.

-Ayer's Sarsaparilla operates radically upon and through the blood, and is a safe, reliable, and absolute cure for the various diseases, complaints, and disorders due to debility, or to any constitutional taint or infection.

-The iron rails on the Julesburg branch are being replaced by steel which makes a better and safer track and will enable the management to run their trains at a greater speed.

-During the past three or four weeks we were well supplied with amusements, but just at present there is a lull, there being nothing booked for the opera house until some time in July.

-On the Branch Run. Conductor J. Bloom, who has been running on the main line, has changed places with Conductor Anderson, and runs between Denver and North Platte, with his longest lay-over at Sterling.

-A Deserved Compliment. One of the finest, most eloquent and at the same time most tributory orations made in the memory of any departed that we have read, was the one delivered at North Platte on Decoration Day by Hon. A. H. Church over the grave of Geo. T. A. Nixon.

-North Platte vs Kearney. Arrangements have been completed for a series of three games between the North Platte and Kearney baseball clubs.

-Avoid by all means the use of calomel for bilious complaints. Ayer's Cathartic Pills compounded entirely of vegetable ingredients, have been tested for forty years, and are acknowledged to be the best remedy ever devised for torpidity of the liver, costiveness, and all derangements of the digestive apparatus.

-Real Estate Transfers. Recorded in the office of the county clerk from May 20th to June 9th, 1886.

-A Narrow Escape. A slight accident occurred at Grand Island Sunday night which had it happened a few minutes earlier would have caused a bad wreck and possible loss of life.

-We Notice That Joe Hawkins has been spending a week or two in town assisting C. C. in the office.

-A Perfect Puff. From the best cigar in the world is offensive to those who detect the weed, but here is a puff that can offend no one.

-Excitement in Texas. Great excitement has been caused in the vicinity of Paris, Texas, by the remarkable recovery of Mr. J. E. Corley, who was so helpless he could not turn in bed or raise his head.

-The Elk Horn river runs a third more water than it did six years ago, as can be vouched for by those who have lived there that long.

-The Fremont creamery turned out 33,761 pounds of butter in May, an increase of 6,000 pounds over the corresponding month last year.

PERSONAL GOSSIP.

Walter Peale was in town Tuesday enroute from Omaha to Ogallala.

L. A. Brandis of Ogallala, came down on No 2 Monday evening.

Mrs. H. S. Keith is visiting in Mankato, having been called there early last week by the severe illness of her mother.

Rev. Adam Stump went up to Sidney Saturday for the purpose of effecting a Lutheran church organization in that thriving and promising town.

Mrs. C. M. Wherry is visiting friends in Peru, having left here last week. Mr. Wherry started Wednesday evening for the same point.

C. C. Hawkins returned from Omaha and Lincoln Monday night. The purpose of his trip will soon be made known through these columns.

Engineer Wheelock has taken a lay-off and will while away the time in Omaha and Denver. Mr. Wheelock is now visiting friends in the latter city.

Mr. Steward moved his family to North Platte a few days ago, where Mr. S. intends going into the grocery business.

Tobias Castor, the man who looks out for the B. & M. right of way, was in the city Saturday. From the number of B. & M. men who have been around lately it looks as though there might be some railroad building in the wind.

Mrs. D. A. Baker, who has been making an extended eastern visit, returned home Sunday night. During her absence Mr. Baker made many improvements in and around his pleasant residence, which was an agreeable surprise to Mrs. B.

Recorded in the office of the county clerk from May 20th to June 9th, 1886.

U. P. Railway Co. to Hubert Pabs, lots 5, 6, 7, and 8, block 172, North Platte. 40

NEIGHBORHOOD NEWS.

It was a frightful risk Capt. O. Phillips made, last week, at Curtis, when he offered to bet \$100 that Curtis would be the terminus of the railroad for a year.

However, almost any man in the county would have done the same thing. It would surprise us if the road was extended in much less than a year.

The Platte river is now remarkably high. One of the old timers, who has been here since 1874, remarked the other day that he had never seen the river so high in summer.

The ranchers who cross the river are obliged to go to the bridge. The water has swept off the waste way near the head of the Sterling ditch, and no water can be run through the ditch until considerable work is done.

Mrs. B. Gorman of North Platte, spent Sunday with her friend, Miss Mary Schell, of this place.

The citizens of Cedar Rapids, Boone county, will on the 24th inst. vote on the proposition to issue \$10,000 in bonds for the purpose of building a school house.

The Rock Island has made a proposition to build thirty miles of road in Gage county for \$85,000. The proposition will be submitted to a vote of the people.

The Nemaha Times calls for a straight Republican or straight Democrat for the Senate.

The school board have decided to order another election on the bond proposition and posted notice to that effect Wednesday.

The election will be held the 29th day of June and is to vote on the proposition to issue \$12,000 for the purpose of purchasing a site, building a school house and furnishing the same.

W. A. Paxton has given \$50 to be used in the construction of a Catholic church at Ogallala.

The Ogallala Land & Cattle Company, of which Mr. Paxton is a member, have also given \$100.

Several wells have been completed in 9-40, the depth of which is only six to forty feet. It will be understood that 9-40 is on the table land thirty-five miles southwest of Ogallala.

The bridges across the North Platte at a point seven miles north of Ogallala will be completed about September 15th.

Mr. E. M. Day has recently added four lenses to his fixtures for picture making and thereby is enabled to take four tin types at once.

The finance committee has succeeded in obtaining \$320 contributed by citizens to defray expenses of celebrating the Fourth of July.

W. C. Lemon of North Platte was a visitor in these parts last Saturday and Sunday. Mr. Lemon has considerable land business in this vicinity.

Two thousand acres of maple trees have been planted in the vicinity of Valentine this year.

Nebraska City claims to have disposed of 2,000 boxes of strawberries in one day last week.

H. H. Bullen, of Hastings, will realize \$1,400 from a five acre strawberry patch this year.

A movement is on foot to secure the establishment of a \$10,000 pork packing plant at Boomer.

The first stone building in Schuyler is now being constructed. It will be occupied as a national bank.

The saloonkeepers of Columbus are being prosecuted for obstructing the fronts of their saloons with screens.

The cannery factory at Falls City commenced operation last week. It furnishes employment for 150 persons.

A military contest at Crete between the Doane college cadets and the college girls resulted in a victory for the boys.

Complaint has been entered against certain citizens of Cumby county that they kill prairie chickens while they are nesting.

The Elk Horn river runs a third more water than it did six years ago, as can be vouched for by those who have lived there that long.

There is talk of locating at Milford of an infirmary after the plan of the world-renowned establishment at Battle Creek, Michigan.

The Fremont creamery turned out 33,761 pounds of butter in May, an increase of 6,000 pounds over the corresponding month last year.

JOB WORK
