THE CHILD RECOVERED—My little girl, aged seven years, was afflicted with a severe cough and cold. She could not sleep, but coughed almost incessantly. I was induced by a friend to try Chamberlain's Cough Remedy and was astonished at the immediate relief it gave her. I would not be without it in the house for any price. I have tried many remedies for coughs and colds but this is superior to anything I have ever tried. Prof. J. M. Mehan, Capital City Commercial College, Des Moines, Iowa. Sold by C. W. Price and F. H. Longley.

22, 24, 26, 28, 30 & 32 Lake Street, CHICAGO, ILLS.

John Dean, of Belleville, Ohio, a retired farmer 70 years old and worth \$50,000, killed his wife Friday night and committed suicide. Temporary insanity or a burst of passion are suggested as accounting for the crime.

A Sound Legal Opinion.
E. Bainbridge Munday Esq., County Atty., Clay Co., Mo., says: "Have used Electric Bitters with most happy results. My brother also was very low with Malarial Fever and Jaundice, but was cured by timely use of this medicine. An satisfied Electric Bitters saved his life."
Mr. D. I. Wilcoxon, of Home Cave, Ky., adds a like testimony, saying: "He positively believes he would have died, had it not been for Electric Bitters."
This great remedy will ward off, as well as cure all Malaria Diseases, and for all Kidney, Liver and Stomach Disorders stands unequalled. Price 50c. and \$1 at A. F. Streitz's.

W. M. Green, employed at the Joliet (Ill.) rolling mills, was sitting on a box of dynamite Friday when, from some unexplained cause, the dynamite exploded. Mr. Green was blown forty feet in the air, and buildings two miles distant violently shaken, but no one else was killed.

Don't Experiment.
You cannot afford to waste time in experimenting when your lungs are in danger. Consumption always seems, at first, only a cold. Do not permit any dealer to impose upon you with some cheap imitation of Dr. King's New Discovery for Consumption, Coughs and Colds, but be sure you get the genuine. Because he can make more profit he may tell you he has something just as good, or just the same. Don't be deceived, but insist upon getting Dr. King's New Discovery, which is guaranteed to give relief in all Throat, Lung and Chest affections. Trial bottles free at A. F. Streitz's Drug Store.

The through California express train on the Santa Fe road left Kansas City in charge of Engineer Ben Wharton, a non-union man, who was expelled from the brotherhood in 1877. His wife was in the cab acting as fireman, her clothing being covered with a rubber ulster. Every car of the train was filled with passengers.

A Delaware, Lackawana and Western passenger train tumbled down a thirty-foot embankment at Tracy's bridge, near Binghampton, N. Y., at 2:15 Friday morning. The cars caught fire and were soon consumed. A man perished in the flames; a half-dozen passengers are probably fatally hurt, and many others were wounded. Most of those who escaped had no covering but their night clothes, and shivered for two hours in the frosty air before a relief train arrived.

The fire record for the first two months of 1888 has struck dismay to the hearts of fire insurance company managers, and five companies have retired from business since the beginning of the year. If the percentage of loss shown already during this year shall be maintained the calamitous period of 1887 will be far surpassed in evil results to the companies.—Phila. Record.

Babies that are fretful, peevish, cross, or troubled with Windy Colic, Teething Pains, or Stomach Disorders, can be relieved at once by using Acker's Baby Soother. It contains no Opium or Morphine, hence is safe. Price 25 cents. Sold by A. F. Streitz.

A report from New York says the Brighton Beach Hotel was blown out to sea. All the plans for moving it back 500 feet from the beach were perfected last week. The hotel had been raised and was resting upon a platform, which, in turn, was upon wheels like a car. This weight was to be drawn by a small army of locomotives. Its own weight was all that kept the hotel in position, and the fierce wind which prevailed had full play upon it.

\$25.00 Reward.
The above reward will be paid for any case of rheumatism not benefited by Ballard's Snow Liniment. There is no pain it will not subside, no wound it will not heal. It is the most penetrating liniment known for all pains, for man or beast it stands without parallel. Ladies who have backache should never be without it. Price 50 cents. C. W. Price, Agent.

Ex-Mayor Carter Harrison, of Chicago, has been visiting Burmah. He says: "Theebaw is a state prisoner in the Madras country, and the English blacken the poor devil's character so as to justify in the eyes of the world their high-handed act when they took from him his country. I met several intelligent Italians who have been in the country for many years. These declare the representations of the English to be calumnies; that Theebaw was not a drunkard, that he was a good-hearted, overgrown boy, and that the acts laid to his door as barbaric were the acts of his ministers in which he had no hand."

Deer in the Pocono Mountains, Pennsylvania, have been driven by hunger from the woods to eat hay with barnyard cattle.

Try St. Patrick's Pills and compare their effect with any other kind made. They contain the good properties of the older preparations in the market combined with the most valuable medicine discovered in modern times. As a cathartic and liver pill, St. Patrick's are perfect. Kansas City has seen a Chinese funeral. One rite is the scattering of bits of paper along the route of the procession. The idea that when the dead comes to life he will by this means find his way home.

Pretty Women.
All women look attractive when their color and complexion is clear. If your skin is sallow eyes dull, you are bilious, secure a box of Williams' Australian Herb Pills, take as directed, and the feeling of languor will leave you, your eyes brighten, and you are another woman. C. W. Price, Agent.

When Mrs. John L. Sullivan heard the news concerning her husband's contest with Mr. Mitchell she piously expressed her regret that the latter did not kill him, adding that Mr. Sullivan is a great big good. Considering the fact that she is the wife of the champion she is probably prejudiced against him, but her remarks, nevertheless, would assay about 90 per cent truth as the result of a careful analysis.—Topics.

How Men Die.
If we know all the methods of approach adopted by an enemy we are the better enabled to ward off the danger and postpone the moment when surrender becomes inevitable. In many instances the inherent strength of the body suffices to enable it to oppose the tendency toward death. Many, however, have lost these forces to such an extent that there is little or no help. In other cases a little help to the weakened lungs will make all the difference between sudden death and many years of useful life. Upon the first symptoms of a cough, cold or any trouble of the throat or lungs, give that old and well-known remedy—Bosch's German Syrup, a careful trial. It will prove what thousands say of it to be, the "benefactor of any home."

The channel of the Ohio River five miles above Steubenville is said to be completely blocked with sunken coal-barges. Over 400,000 bushels of coal are being scoured by the muddy waters. A combination of recklessness and stupidity appears responsible for this mishap, which makes the situation serious not only for boats attempting to stem the stream, but for the towns below waiting for fuel supplies. High water is the only way out of the present difficulty.

Sore throat may be cured in a few hours by applying Chamberlain's Pain Balm when the first symptoms appear. If the case is a bad one, thoroughly saturate a flannel bandage with it and apply to the throat. Chamberlain's Cough Remedy should be taken internally and a cure is certain. Sold by C. W. Price and F. H. Longley.

Cleveland's majority over Blaine in New Jersey was just 4,411. The narrow margin of Democratic safety in that state is made still narrower by the return to the republican ranks of thousands of temperance republicans who have been acting temporarily with the prohibitionist organization; and that man is a fool who cannot foresee the inevitable result of any attempt to force upon the democrats of this great manufacturing and protectionist state a free trade platform and a free-trade candidate.—New York Sun.

Many of the good things of this life are sorrowfully let alone on account of Dyspepsia. Acker's Dyspepsia Tablets will cure Dyspepsia, Indigestion and Constipation; sold on a positive guarantee at 25 and 50 cents, by A. F. Streitz.

The Men That Saved This Nation.
Below we print an extract from the National Tribune which gives a clear statement of facts. Read it, young men, and remember that one man out of every nine of that great army laid down his life while in the service to make it possible for you to live in this free country; read it, and when an old soldier passes you on the street on crutches or otherwise wounded remember that he was the unlucky one out of every ten that stood up in the front rank of that great army to save this nation.

"There were in all—reduced to a three-years standard—2,320,272 men in the service of the United States during the war. These men in four years fought the unprecedented number of 2,261 battles and skirmishes, and nearly 50 of these were battles in which the fighting and slaughter were greater than is customary in the great battles of Europe which have decided campaigns and wars.

Of the men who enlisted, 184,713—or more than a great European army—were actually killed on the field of battle, to say nothing of those who went to the hospitals or their homes to die, and nearly 200,000 died of disease. In all, 400,000 of the young men who formed this great host perished during the great struggle.

One man in every 65 was killed on the field of battle.
One in every 56 died of wounds received.
One in every 13 died of disease.
One in every 9 died while in the service.
One in every 10 was wounded.
This is an appalling array of losses unprecedented in the history of wars."

FOR PAIN
The time is fast coming when the grave and gay, the sedate and frivolous, the dominie and the pugilist, the broker and the gambler, and all mankind will drop their daily avocations and hie them to the bleaching boards of the base ball ground! What a wonderful creature is man! —New York Graphic.

Ballard's Horehound Syrup.
A single bottle of Ballard's Horehound Syrup sent about your house for immediate use will prevent serious sickness, a large doctor bill, and perhaps death, by the use of three or four doses.
For curing consumption its success has been simply wonderful, and for ordinary coughs, colds, sore throat, croup, whooping cough, some chest hemorrhages its effects are surprising and wonderful. Every bottle guaranteed. C. W. Price, Agent.

Sherman has changed a good deal in these twenty-five years. Formerly he had a waving mane of black hair and flashing black eyes, and in every movement there was vigor and alertness. He has not gained any in plumpness, as a healthy man should, and he has lost immensely in energy and that positiveness which is the shadow and voucher of personal sincerity of conviction.

If you would enjoy your dinner and are troubled by Dyspepsia, use Acker's Dyspepsia Tablets. They are a positive cure for Dyspepsia, Indigestion, Flatulency and Constipation. We guarantee them. 25 and 50 cents. Sold by A. F. Streitz.

Senator Hawley is the most rapid speaker in Congress. He talks so fast that stenographers become discouraged when he rises to speak. In his speech against the Blair educational bill last week he delivered his words at such a rate of speed that the record of the Rev. Phillips Brooks for rapid speaking was rendered almost insignificant. Hawley spoke at an average rate of from 215 to 225 words a minute; 120 words a minute is the ordinary record of public speakers. But in spite of Senator Hawley's great oratorical feat the Blair bill passed the Senate.

Who is Your Best Friend.
Your stomach, of course. Why? Because if it is out of order you are one of the most miserable creatures living. Give it a fair honorable chance and see if it is not the best friend you have in the world. Don't smoke in the morning. Don't drink in the morning. If you must smoke and drink wait till your stomach is through with breakfast. You can drink more and smoke more in the evening and it will tell on you less. If your food ferments and does not digest right—if you are troubled with Heartburn, Dizziness of the head, coming up of the food after eating, Bloating, Indigestion, or any other trouble of the stomach, you had best use Green's August Flower, as no one can use it without immediate relief.
