More than two hundred million dollars of capital is said to have been invested within the last twelve months in southern enterprises and lands.

Mr. C. W. Battell, a traveling man representing Messrs. S. Collins' Son & Co., printing ink, New York, after suffering intensely two or three days with lameness of the shoulders and back, completely cured it with two applications of Chamberlain's Pain Balm. It cures lameness and rheumatism when all other treatment fails. Guaranteed and sold by C. W. Price and F. H. Longley.

Mrs. Murat Halstead is now spoken of as the very worst writer in the country. His chirography is worse than was that of Horace Greeley.

Whooping cough may be kept under complete control and all danger avoided by frequent doses of Chamberlain's cough remedy. No better treatment can be prescribed for it. Sold by C. W. Price and F. H. Longley.

No duty should be left undone. If you have a smarting skin disease it is not your duty to scratch and irritate it but to apply Chamberlain's Ointment and cure it. Guaranteed and sold by C. W. Price and F. H. Longley.

Mrs. Senator Hawley takes her full share of her husband's large correspondence and is acquiring familiarity with American political platforms.

Pretty Women. All women look attractive when their color and complexion is clear. If your skin is sallow, dry, dull, you are bilious, receive a box of Williams' Australian Herb Pills, take as directed, and the feeling of languor will leave you, your eyes brighten, and you are another woman. C. W. Price, Agent.

Roswell P. Flower was one of nine children born to a poor country tailor. He started in life on a salary of five dollars per month and kept his expenses within his income.

Ballard's Horehound Syrup. A single bottle of Ballard's Horehound Syrup kept about your house for immediate use will prevent serious sickness, a large doctor bill, and perhaps death, by the use of three or four doses.

Emperor Francis Joseph of Austria, who has been a great drinker of beer for the past ten years, has recently received a present of a thousand dozen of various bottled ales from an English brewing house.

The Verdict Unanimous. W. D. Ball, druggist, Rippon, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles and was cured of rheumatism of ten years standing. Abraham Hare, druggist, Bellville, Ohio, affirms: 'The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters.' Thousands of other testimonials are on hand, so that the verdict is unanimous that Electric Bitters do cure all diseases of the liver, kidneys or blood. Only a half dollar a bottle at A. F. Streitz's drug store."

Miss Anna H. Whitney acted as judge of the St. Bernard dogs at the New England Kennel Club's fourth annual meet at Boston last week. She is the first American woman to fill such a position.

A Woman's Discovery. "Another wonderful discovery has been made and that too by a lady in this country. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Letz." Thus write W. C. Hamrick & Co., Shelby, N. C. Get a free trial bottle at A. F. Streitz's drug store.

You talk of the fire of genius. Many a blessed woman who dies unsung and unremembered, has given out more of the real vital heat that keeps the life in human souls, without a spark fitting through her humble chimney to tell the world about it, than would set a dozen theories smoking or a hundred odes simmering in the brains of so many men of genius.—McCook Tribune.

\$25.00 Reward. The above reward will be paid for any case of rheumatism not benefited by Ballard's Snow Liniment. There is no pain it will not subside, no wound it will not heal. It is the most penetrating and powerful for all pains, for man or beast. It stands without parallel. Ladies who have backache should never be without it. Price 50 cents. C. W. Price, Agent.

It was a droll reply that rose to the lips of a confederate soldier who was caught in a persimmon tree by General Longstreet. When sternly asked by his commander what he was doing there, the veteran at once disarmed his superior's wrath by saying: "I am eating some green persimmons to draw my stomach up so it'll fit its relations."

How Men Die. If we know all the methods of approach adopted by an enemy we are the better enabled to ward off the danger and postpone the moment when surrender becomes inevitable. In many instances the inherent strength of the body suffices to enable it to oppose the tendency toward death. Many, however, have lost their lives through such an extent that there is little or no help. In other cases a little help to the weakened lungs will make all the difference between sudden death and many years of useful life. Upon the first symptoms of a cough, cold or any trouble of the throat or lungs, give that old and well-known remedy—Bosch's German Syrup, a careful trial. It will prove what thousands say of it to be the "benefactor of any home."

The reason why Acker's Blood Preparation is the best Blood Preparation known. It will positively cure all Blood Diseases, purifies the whole system, and thoroughly builds up the constitution. Remember, we guarantee it.

Skeletons of two Akkas, the pigmy people discovered by Schweinfurth in 1870, have been acquired by the British museum, and show that this race is undoubtedly the most diminutive known. The stature of the male is about an inch below four feet and that of the female about as much above. The few previous measurements recorded indicate that these heights are rather below the average, though a living adult of three feet ten inches is known. Prof. Flower finds that the Akkas belong to the black or Negroid branch of the human species and that they are not allied to the Bushmen or Andaman islanders, which tribes they most resemble in size.

Who is Your Best Friend. Your stomach of course. Why? Because if it is out of order you are one of the most miserable creatures living. Give it a fair honorable chance and see if it is not the best friend you have in the end. Don't smoke in the morning. Don't drink in the morning. If you must smoke and drink, wait till your stomach is through with breakfast. You can drink more and smoke more in the evening and it will tell on you less. If your food ferments and does not digest right—if you are troubled with heartburn, flatulencies of the bowels, coming up of the food after eating, biliousness, indigestion, or any other trouble of the stomach, you had best use Green's August Flower, as no one can use it without immediate relief.

Babies that are fretful, peevish, and cry, or are sick, or have colic, or are troubled with Windy Colic, Teething Pains, or Stomach Disorders, can be relieved in a case by using Acker's Baby Soother. It contains no Opium or Morphine, hence is safe. Price 25 cents. Sold by A. F. Streitz.

There is nothing like push—genuine, nery, gritty go-a-head-i-liveness. It helps a man along wonderfully in this world. It overcomes the most formidable obstacles, and also bridges the way to victory through the swamps of defeat. It builds cities and towns, makes railroads and canals, cultivates farms and propels the tireless wheels of manufactures. It erects churches and school houses, establishes governments and organizes armies. It delves deep into the earth's bosom and reveals the inexhaustible mines of wealth. In fact it is the diamond drill that tells us at what depth coal, gas, oil and other deposits can be found.

A TRIP SOUTH.—Mr. L. M. Martin, a prominent Iowa railroad man and Superintendent of the St. Louis, Des Moines & Northern R. R. says: "On my return from a recent trip south, where the water was very impure, I was attacked with a violent case of cholera morbus. Having heard a great deal of Chamberlain's Colic, Cholera and Diarrhoea Remedy, I concluded to try it and with the most beneficial results; within six hours I was completely cured." No well regulated household should ever be without a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Sold by C. W. Price and F. H. Longley.

Old and reliable Medicines are the best to depend upon. Acker's Blood Elixir has been prescribed for years for all impurities of the Blood. In every form of Scrofulous, Syphilitic or Mercurial diseases, it is invaluable. For Rheumatism, has no equal. For Sale by A. F. Streitz.

It is a fact not generally known that the number of flour mills throughout the country is decreasing year by year. It very rarely happens that a mill that is destroyed by fire or otherwise is rebuilt, and in that way it has come within the last decade the total number of mills throughout the country has fallen off considerably. The reason of this is the smallness of the profits now realized from milling. Only the larger and better equipped mills make any money and that only by reason of their large output. For this reason also the failure to rebuild applies only to mills of limited capacity. That this elimination will better the milling business somewhat is probable, though the tendency is for the larger mills to increase their capacity and cut down margins at every indication of a falling off of opposition.—St. Louis Globe-Democrat.

Many of the good things of this life are sorrowfully lost on account of Dyspepsia. Acker's Dyspepsia Tablets will cure Dyspepsia, Indigestion and Constipation, sold on a positive guarantee at 25 and 50 cents, by A. F. Streitz.
