Jefferson Davis says that Horace Greeley signed his bond out of pure kindness of heart. Davis had never spoken to the great editor in his life.

Mr. C. W. Bettell, a traveling man representing Messrs. S. Collins' Son & Co., printing inks, New York, after offering intensely two or three days with lameness of the shoulders and back, completely cured it with two applications of Chamberlain's Pain Balm. Longley. No duty should be left undone. If you have a smarting skin disease it is not your duty to scratch and irritate it but to apply Chamberlain's Ointment and cure it. Guaranteed and sold by C. A hundred republican clubs have been formed in Maryland, and 500 delegates attended the convention which organized the State League at Baltimore last week.

It is proposed by the directors of the Inter-national Exposition at Paris next year to put the grounds and buildings of the palaces at Versailles in perfect order. It will be a great attraction.

The venerable Dr. Andrew P. Peabody, of Boston, has attacked the reputation of the Boston Tea-party, and says that their acts were "bitterly deplored by the better classes, or real patriots." Is it possible that the Mugwumps go back so far in our history?

Ballard's Horehound Syrup. A single bottle of Ballard's Horehound Syrup kept about your house for immediate use will prevent serious sickness, a large doctor bill, and perhaps death, by the use of three or four doses. For curing consumption its success has been simply wonderful, and for ordinary coughs, colds, sore throat, croup, whooping cough, sore chest, hemorrhages its effects are surprising and wonderful. Every bottle guaranteed. C. W. Price, agent.

The report of the finding of rich gold bearing quartz in southern California is fully confirmed by a party sent to investigate. Those who contemplate a prospecting tour among the mountains of this new gold region should remember that the wealth dug from mother earth with the pick and shovel.

Hear the heathen howl: "After more than three years of democratic rule at Washington a democrat has been appointed postmaster at Fairbury. And yet there is a man down in Indiana hewing himself hoarse about the hollowness of civil service reform. The appointment of James D. Hubble is a good one." The above from the Lincoln Democrat is all right as far as it goes, but after three years of democratic rule at Washington, a republican is still marshal of the state of Nebraska, and has his hundreds of republican deputies and strikers scattered all over the state.—Beatrice Democrat.

A TARIFF.—Mr. L. M. Martin, a prominent Iowa railroad man and Superintendent of the St. Louis, Des Moines & Northern R. R. says: "On my return from a recent trip south, where the water was very impure, I was attacked with a violent case of cholera morosa. Having heard a great deal of Chamberlain's Colic, Cholera and Diarrhoea Remedy, I concluded to try it and with the most beneficial results; within six hours I was completely cured." No wall register household should ever be without a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Sold by C. W. Price and F. H. Longley.

It is very funny to listen to our democratic brethren as they call upon the farmers to rise and rally and kick and rebel against the rule of the "manufacturers" and money kings who are causing them to bleed from every pore, and support the "tariff reform" of the democratic congressmen, and then to look over the Mills bill and find that the "reform" consists in taking off the tariff from everything that the farmers raise so the bloody manufacturers can buy their raw material cheaper abroad. Why, the consummate hypocrites did not even have the grace to take the tariff off coal because Mr. Millionaire Scott is a Pennsylvania coal miner.—Ec.

THE REASON why Acker's Blood Purifier is warranted, is because it is the best Blood Preparation known. It will positively cure all Blood Diseases, purify the whole system, and thoroughly builds up the constitution. Remember, we guarantee it. For Sale by A. F. Streitz.

At New Orleans the republicans have undertaken to make the authorities comply with the law in the appointment of registers of election by putting at least one republican on the board. The court, however, refused to interfere, and the democrats will have the machinery wholly in their hands. This arbitrary action on the part of the democrats indicates the desperation with which they intend to fight for political control of the city and state. It will probably be impossible to secure a square vote and an honest count in Louisiana this year. The election is close at hand and a warm contest is going on in every parish. McEnery has violated his pledges, so far, to see that there is an honest election. The bourbons have brought him to time.—State Journal.

Who is Your Best Friend. Your stomach of course. Why? Because if it is out of order you are one of the most miserable creatures living. Give it a fair honorable chance and see if it is not the best friend you have in the world. Don't smoke in the morning. Don't drink till your stomach is through with breakfast. You can drink more and smoke more in the evening and it will tell on you less. If your food ferments and does not digest right, if you are troubled with Headache, Dizziness of the head, coming up of the food after eating, Bilelessness, Indigestion, or any other trouble of the stomach, you had best use Green's August Flower, as no one can use it without immediate relief.

Nine hundred and ninety-nine years ago the church of England, then under the headship of the pope of Rome, leased a lot of land to the British government for a long term that was considered in that day as equivalent to an estate in fee. But the lease has just expired and the land has gone back to the church of England, which has changed its coat several times since Henry VIII's day but has preserved throughout its corporate integrity. Nine hundred and ninety-nine years is not forever and the expiration of this lease and the reversion of the property to the lessor is a significant sign of the stability of the Anglo-Saxon government, as well as of its church. Dynasties have changed, revolutions have swept the little island from stem to stern, but the state and the church have remained and their contracts are held good after a lapse of a millenium. Probably no other country can show a like proof of business stability.—Journal.

Is Consumption Incurable? Read the following: Mr. C. H. Morris, Newark, Ark. says: "Was down with Abcess of Lung and friends and physicians pronounced me an Incurable Consumptive. Soon taking Dr. King's New Discovery for Consumption, am now on my third bottle, and able to oversee the work on my farm. It is the finest medicine ever made." Jesse Middlewart, Decatur, Ohio, says: "Had it not been for Dr. King's New Discovery for Consumption I would have died of Lung Trouble. Was given up by doctors. Am now in best of health." Try it. Sample bottle free at A. F. Streitz's Drug Store.

Said a well known engineer on the Central road the other day talking with a reporter: "It is not generally known what loss of power is involved in the starting and stopping of a train of cars. There is required about twice as much power to stop a train as to start one, the loss of power depending upon the momentum. A train going at the rate of sixty miles an hour can, by means of the Westinghouse air brake, be stopped within 120 yards from the first application of the brake. Now enough power is lost to carry this same train fifteen miles over a plane surface. First there is the momentum acquired by the train flying at this remarkable rate of speed, then the loss of steam in applying the brakes, and lastly, but not least, the extra amount of coal to compensate for all these losses. By computation I have ascertained that every complete stop involves a cost of \$1.17.

Old and reliable Medicines are the best to depend upon. Acker's Blood Purifier has been prepared for years for all impurities of the Blood. In every form of Scrophulous, Syphilitic or Mercurial diseases, it is invaluable. For Rheumatism, has no equal. For Sale by A. F. Streitz.

Twelfth-three years ago Saturday the first and greatest of Presidents chosen by the Republican party, if not the greatest ever chosen by any party, was fatally wounded. The assassin fired the last and most deadly shot of the rebellion. Years have brightened and will ever brighten the glorious memory of Abraham Lincoln. But is the great work to which he was called by God and the people finished? Are the men of to-day earnest in keeping what was gained and in completing what was projected during his administration? These grave questions are suggested by the memory of his death. Is there "government of the people, for the people, by the people" in all the states of the Union? Is sectional policy or sectional feeling still a living heresy? And if a truly republican form of government be yet a stranger to certain states; if sectionalism still linger and flourish, is the Republican party of to-day doing its whole duty towards the establishment of the one or the eradication of the other?—Inter Ocean.

How Men Die. If we know all the methods of approach adopted by an enemy we are the better enabled to ward off the danger and postpone the moment when surrender becomes inevitable. In many instances the inherent strength of the body suffices to enable it to oppose the tendency toward death. Many, however, have lost these forces to such an extent that there is little or no help. In other cases a little help to the weakened lungs will make all the difference between sudden death and many years of useful life. Upon the first symptoms of a cough, cold or any trouble of the throat or lungs, give that old and well-known remedy—Boschee's German Syrup, a careful trial. It will prove what thousands say of it to be the "benefactor of any home."

Many of the good things of this life are sorrowfully let alone on account of Dyspepsia. Acker's Dyspepsia Tablets will cure Dyspepsia, Indigestion and Constipation; sold on a positive guarantee at 25 and 50 cents, by A. F. Streitz.

Michael L. Frese, defendant, will take notice that on the 24th day of March 1888, the Nebraska Farm Loan and Trust Company of North Platte, Nebraska, a corporation duly organized under the laws of the State of Nebraska, plaintiff herein, filed its petition in the District Court of Lincoln County, Nebraska, against you, the object and purport of which was to foreclose a certain mortgage executed by you to the Plaintiff upon the S. E. 1/4 section 32 in township 10 north, of Range 30 west, of 6 P. M. to secure the payment of a certain coupon bond dated Sept. 1st, 1887 for the sum of \$800, and due and payable in five years from the date thereof, interest payable semi-annually. There is due upon said coupon bond and mortgage the sum of \$600, with seven per cent interest thereon from Sept. 1st, 1887, for which sum Plaintiff prays for a decree that Defendant be required to pay the same or that said premises may be sold to satisfy the amount due.
