Pretty Women.
All women look attractive when their color and complexion is clear. If your skin is sallow eyes dull, you are bilious, secure a box of Williams' Australian Herb Pills, take as directed, and the feeling of heaviness on your eyes brightens, and you are another woman. C. W. Price, Agent.

Harry Garfield and his brother James A. Garfield, will practice law in Cleveland as partners under the style of Garfield & Garfield.

It is said that the Chinese remedy for small-pox is to make the patient beat a drum. If he can do it he is all right. Formerly they used to beat the patient to cure him, but civilization is progressing even in China.

President Adams, of Cornell University, and President Hyde, of Bowdoin College, are said to be the only two college presidents who play tennis. Maine folks claim that President Hyde is the better player. A match to decide the question would be very interesting.

How Men Die.
If we know all the methods of approach adopted by an enemy we are the better enabled to ward off the danger and postpone the moment when surrender becomes inevitable. In many instances the inherent strength of the body suffices to enable it to oppose the tendency toward death. Many, however, have died because they had such an extent that there is little or no help. In other cases a little help to the weakened limbs will make all the difference between sudden death and many years of useful life. Upon the symptoms of rheumatism of the body and of the throat or lungs, give that old and well known remedy—Boschee's German Syrup, a careful trial will prove that thousands say of it to be the "benefactor of any home."

The case of the hapless New Hampshire mail carrier, who, during the great blizzard, at the risk of his life crawled through the drifts four miles to deliver the mail, and has just been fined \$1.40 by the Washington authorities for "delay," is a good illustration of the petty and preposterous way in which the department business is done.—Boston Journal.

Major E. A. Burke of New Orleans, one of the best known newspaper men in the South, expects, it is said, to realize something like \$10,000,000 from his land speculations in Bessemer, Ala. If he does it will represent an enormous profit on an investment he made there hardly two years ago, when a small frame hut was the chief building in the town.

Fallard's Horehound Syrup.
A single bottle of Fallard's Horehound Syrup kept about your house for immediate use will prevent serious sickness, a large doctor bill, and perhaps death, by the use of three or four doses. For curing consumption its success has been simply wonderful, and for ordinary coughs, colds, sore throat, croup, whooping cough, sore chest hemorrhages its effects are surprising and wonderful. Every bottle guaranteed. (C. W. Price, agent.)

There is no more human slavery in Brazil. The Senate has passed the House bill abolishing the brutal institution of that country. This ends the long struggle for emancipation. The abolition movement has been in progress for twenty years. The Emperor, Dom Pedro, has been the earnest advocate of the liberation of the slaves within his dominion. Now as he lies upon his sick bed in Milan, he must rejoice that there is no human being in bondage in the Republic of Brazil. Cuba and Porto Rico are the only lands in the new world where slavery exists. It ought to be driven from these islands so that no soil on the western hemisphere should be tainted with the foul wrong of involuntary servitude.

PAXTON NEWS.

From the Pilot.
Emigrants by the thousands are still wending their way westward.

Miss Lillie Cooper burned her hand severely one day last week.

Clarence, son of Willis Martin, we understand is laying very low with brain fever.

John C. Palmer has been quite sick for the past week or ten days, but we are glad to learn that he is again on the convalescent list.

We noticed on our streets last Saturday Mr. and Mrs. W. W. Yates, Mr. and Mrs. Phil Brown and Mr. Steve Conway, all from western Lincoln county.

Over twenty thousands acres of railroad land changed hands in eastern Keith county last week and "yet there is more to follow."

There is some prospect of the town site changing hands in the near future and it is to be hoped the deal will be made as it will doubtless benefit all parties.

The 30th of this month is Memorial or Decoration Day. This day is made a legal holiday by act of congress for the purpose of scattering flowers upon the graves and paying tribute to those who are dead that helped save this nation.

Let us perpetuate the memory of our dead soldiers by keeping this day sacred and if you can't do more, close your business houses and place the American flag above your doors draped in mourning. We would be very glad if all the people in Paxton precinct would turn out at an early hour on that day and go to Ogalalla and join the G. A. R. Post at that place in its memorial services. Everybody is invited. Come in your wagons early and let us go in a body to Ogalalla early on the morning of the 30th so that we can get there by ten o'clock. The G. A. R. of Ogalalla has given us the invitation, let us accept it.

Personal.
Mr. N. H. Frohlsheiser, of Mobile, Ala., writes: I take great pleasure in recommending Dr. King's New Discovery for Consumption, having used it for a severe attack of Bronchitis and Catarrh. It gave me instant relief and entirely cured me. I have not been afflicted since. I also beg to state that I had tried other remedies with no good result. Have also used Electric Bitters and Dr. King's New Life Pills, both of which I can recommend.

Dr. King's New Discovery for Consumption, Coughs and Colds is sold on a positive guarantee. Trial bottles free at A. F. Streit's Drug Store.

Judge Gresham is comforting himself with becoming dignity and modesty and is silent on the subject of the presidency, which he can almost see before him. He perceives his boom growing stronger day by day, but says not a word to encourage it. The boom has a healthy spontaneity about it, and is not in danger of withering before it attains its full growth. That is the right kind of a boom to have, and lucky is the man who has it.—Chicago Journal.

Wonderful Cures.
W. D. Hoyt & Co., Wholesale and Retail Druggists of Rome, Ga., say: We have been selling Dr. King's New Discovery, Electric Bitters and Bucklen's Arnica Salve for four years. Have never handled remedies that sell as well, or give such universal satisfaction. There have been some wonderful cures effected by these medicines in this city. Several cases of pronounced Consumption have been entirely cured by use of a few bottles of Dr. King's New Discovery, taken in connection with Electric Bitters. We guarantee them always. Sold by A. F. Streit.

The result of the plan adopted a year ago by John Wannamaker, the merchant prince of Philadelphia, of making his employes partners in his business, has been announced to the parties interested. It shows that the total cash distributed or set apart for the seven years employes, in addition to the usual salaries for the year, was \$100,413, of which \$50,158 was in monthly dividends, \$40,251 in annual dividends, and \$10,000 in pension funds. The scheme has fulfilled the best expectations of its generous projector, and has greatly strengthened his claims upon the fidelity and gratitude of his employes. The experiment is warmly commended by the Philadelphia press as a practical method of more closely identifying the interests of capital and labor.

Babies that are fretful, peevish, cross, or troubled with Windy Colic, Teething Pains, or Stomach Disorders, can be relieved at once by using Acker's Baby Soother. It contains no Opium or Morphine, hence is safe. Price 25 cents. Sold by A. F. Streit.

Who is Your Best Friend.
Your stomach of course. Why? Because if it is out of order you are one of the most miserable creatures living. Give it a fair honorable chance and see if it is not the best friend you have in the end. Don't smoke in the morning. Don't drink in the morning. If you must smoke and drink eat till your stomach is through with breakfast. You can drink more and smoke more in the evening and it will tell on you less. If your food ferments and does not digest right—if you are troubled with Heartburn, Dizziness of the head, coming up of the food after eating, Biliousness, Indigestion, or any other trouble of the stomach, you had best use Green's August Flower, as no one can use it without immediate relief.

If you would enjoy your dinner and are prevented by Dyspepsia, use Acker's Dyspepsia Tablets. They are a positive cure for Dyspepsia, Indigestion, Flatulency and Constipation. We guarantee them. 25 and 50 cents. Sold by A. F. Streit.
