mendable manner. He is in every way worthy the position he seeks.

By THE announcement of Mr. Murphy, of Brady Island, the struggle for the commissionership receives new interest. At a meeting called for the purpose of selecting a candidate from that section, he was unanimously endorsed by the Republican electors. Mr. Murphy has resided in the county a long time-in fact he was raised here-

BELION.

Loss of Wallace precinct, makes his announcement as a candidate for County Superintendent. Mr. Beeler has resided in the county about four years, locating on land about eight miles south of Wallace. As a teacher he has always as the least the granges were talken much as a county about interest in education.

BELTON.

EDITOR TRIBUNE:—I see by the last issue of The Tribune that friend Belton is on the war path once more. It has been some time since we have been solaced with his writings. It is about four years now since he commenced abusing the county treasurer, Mr. Eells, I think it was, and telling the public, or at least the granges part of its county treasurer and the 

tiful spot I realized for the first time that there is such a thing as a magnetic influence in connection with scenery. I had been awed, inspired and impressed, but never had I felt a spot of mountain scenery ask me to stay and dream life's busy dream away in sweet solitude

We were all day on the water from The Dalles to Portland. These time. They pull to the shore on the slightest provocation and stay

But I was intending to tell a fish story while writing up this trip. banks or the streams of western Nebraska all day and catch a little string of fish, just let me say to him don't do it "go west." In the Columbia river the water has almost turned to fish. I saw dressed sturgeons lying on the boat that looked like dressed beeves they were so large. Our boat stopped at a salmon cannery for about an hour. "The boys" got hooks and lines and proceeded to fish here in all this they pulled in a dozen beautiful salmon fish that would measure from eighteen inches to two feet in length; but the greatest sport was had by throwing crackers or pieces of bread into the water when the ly turns black with the finny tribe in two minutes there would be a circle around the cracker of eight or ten feet solid fish and so tame we dipped them up with a parasol. Every hotel and boat is well sup-

received an invatation from the board of trade of Boise City and the Governor and legislature of Idaho to visit them in Boise City, but the kind invatation had to be arrangements made already. We reached Portland about dark and were met by the board of trade and Maj. Hendershot, who had preceded us to Portland by rail while PAID ties there was nothing in the west. So after spending two nights

was very much ap- and one day in Portland we started for Ashland, 250 miles south of Brown good bye and Portland, accompanied by the Mato maha after turn- jor who conducted and introduced the party in a very creditable man-
