STEVENS& BARE, EDITORS AND PROPS

WEDNESDAY, FEB. 26, 1890.

OUR correspondents discuss the township organization question this week with much animation and we trust with great interest to our readers. The subject is now fully opened and we hope others will take it up. Send in your views, gentlemen.

KEARNEY went down to Grand Island in force with the object of securing the location of the reunion during the next five years. She failed, but the Kearney gait is still as rapid as ever. Kearney reaches for everything worth having and seldom fails.

the country improve, it keeps pace If they have not, then Mr. Belton's treasurer cannot keep track of perwith the advance and the demands statement is true. If they have, sons against whom personal taxes of its readers.

two years ago.

it should be stopped.

CONGRESSMAN DORSEY has placed us under obligations for a copy of the masterly speech of Benjamin Butterworth of Ohio on the authority of the speaker to count as present members who are in their seats but fail to respond when their names are called. This is the rule in the good Democratic states of Kentucky and Tennessee, a fact brought out by Mr. Butterworth

The state is not yet able to indulge Governor generally enjoys the hos- of this county when he was county ber of gentlemen in the state who always thought and still think that chair. Gov. Thayer is undoubtedly ted by and for the whole county to willing to fill the office a third serve the people of the county by term. He has made an excellent levying the taxes and disbursing the popular, but there is a pretty strong visions of law and the needs of the which he will have to overcome, them. and yet in a certain contingency candidate the Republicans can will try and finish Mr. Belton's arname. At present the people of ticle next week. this part of the state strongly favor Hon. Jack McColl of Lexington. Two years ago when Gov. Thayer received his second nomination that Mr. McColl would be the choice of the west at the next convention, that this country should be the already heavy taxes without rethere was an implied understanding and he will no doubt go in with everything north of the Platte and west of Kearney.

A special dispatch from Lincoln

One of the most colossal political

suspecting public, is abroad in the

politicians generally. This little

bit of western enterprise contem-

plates a division of the state along

the line of the Platte, or a separainto North and South Nebraska on

a line with Kearney, in either event

this city to remain the capital of

the southern half. No one knows

just where this fake originated, but

a number of men are talking i

seriously to-night, and assert that it

was thoroughly discussed at the late

Grand Island encampment. Per-

haps it has some connection with

an alleged scheme at the last ses-

sion of the legislature to add a slice

of northwestern Nebraska into

Dakota, and perhaps it was conceiv-

ed in the gigantic brain of the
