nominated by the independents as one of the representatives from the district composed of Logan and Custer counties. Shrader is a wild-mouthed orator and his do not stop to consider the unreliabity of his statements.

maries will be held in the several precincts and on Monday next the county convention will be held. These meetings come right in the midst of harvest, and is consequently a busy time for the farmers, but we trust delegates will be sent from each precinct in the county.

ONE of the latest events connected with the Homestead labor trouble was the scault on H. C. Frick, manager of gashes from a dagger, yet chances for his recovery are good.

To avoid any inharmonious action

to be held prior to the primaries which was 41, on Aug. 23, 1891. at the primaries,

THE fact that the democrats are figurgruntled feeling which exists among the manner in which Gray was ignored at velocity of the wind during any Aug. the Chicago convention, it does not look as though the republicans will experience my great trouble in carrying Indiana.

THE republican state convention meets and if the platform adopted and the cancans, even if the democrats and independents do fuse. Much, however, depends non the actions of the convention and we believe all ardent and honest republicans recognize the fact.

Bratistics relating to our foreign trade The farmers are rejoicing over the splendid rains we are having as the corn for the fiscal year just closed are now available. They fully bear out former The wind storm of Thursday night did menos since the i eginning of the govern- the occupants, under great difficulty on to fill vacancy.

help look after his property. If our political independent politicians can make anything out of the Carnegie company's doings they certainly can out C. D. SHRADER, of Logan, has been of the way the above farmer does. Charity begins at home. The Homestead riot cost the state of Pennsylvania \$22,000 per day and if the independents insists in scattering seeds of discord and discontent among the farmers in the future as they have in the past by their well known nostility to the capitalists it speeches please those independents who future as they have in the past by their well known nostility to the capitalists it will cost us individually more than many of us are aware of.

Drive capital from the country and it On Saturday next the republican pri- will be a long road when to sit down in luxury and ease will fail to the lot of the FARMER. AUGUST WEATHER-U. S.
