WEDNESDAY, OCTOBER 11, 1893

-Remember the W. R. C. entertain ment at Lloyd's Oct. 17th -T. Fulton Gantt went to Sidney yesterday to address a populist meeting.

-The pants C. M. Newton has been ordering for the men about town are giving the best of satisfaction. -On account of the I. O. G. T. social

rooms was postponed until October 17th. retail. The school in district 79, Baker precinct, which had been closed a week on

account of the prevalence of scarlet fever, was reopened Monday morning. -V. G. Lucas leaves this week for Omaha to enter a medical school. His place in Longley's drug store will be

filled by a gentleman from Holdrege. men at the Y. M. C. A. rooms last Sun- The company is an excellent one. day. Rev. Hardaway will address the men's meeting next Sunday at 4:15 p. m.

garments.

following day. -By the accidental discharge of a gun digits was necessary.

young shoats were brought into town Monday by farmers who were long on hogs and short on corn. The price paid was five cents a pound.

-I. A. Fort will speak on the question of irrigation on Wednesday, Oct. 11th, at Sidney, and will hold meetings at every county seat in western Nebraska during their fall term of court.

-Rev. L. P. McDonald's subject next Sunday will be "The worship of the church of God," being the fourth in the series of services in "The bible and the church." Everybody welcome.

-Wesley T. Wilcox has purchased the J. Q. Thacker property in the west part of the city and will shortly move therein. It will make him a very comfortable and commodious home.

Ohio, a week or so ago to accompany the Doctor home, has written friends that she found him in a much better condition than she expected. They will arrive in the city in a few days.

-Among the world's fair visitors who returned home the latter part of the week were Mr. and Mrs. Laing, Mr. and Date, Miss Callle McDonald, W. L. Park, C. E. Patterson, W. H. McDonald, Claude Weingand and W. M. Baskins.

-Sheriff Baker is making a tour of the county this week posting election F. ST. As these notices must be posted Aft bu of the forty-eight precincts it will im to travel several hundred

Telegraph.

-We are requested to announce that church of Omaha, will deliver a lecture national reputation.

-When catarrh attacks a person of scrofulous diathesis, the disease is almost sure to become chronic. The only efficacious cure, therefore, is Ayer's Sarsaparilla, which expels scrofula from the system and the catarrh soon follows suit. Local treatment is only a waste of time.

- The members of the Woman's Relief Corps will give a dance, supper and fair at Lloyd's opera house on Tuesday evening of next week. The funds derived from this source will be placed in the relief fund and applied toward relieving the wants of needy old soldiers and their families during the coming winter. THE Tresune trusts the ladies will be accorded a large patronage.

-Last Friday night the fire alarm was sounded at about midnight and the department promptly responded. Investigation developed the fact that some miscreant had broken open the back door of R. A. Douglas' store and exploded a can of powder, shattering the front windows and blowing open the door. The author of such deviltry sleuths and promptly be visited with a heavy punishment.

MAGIC IN THE EAST.

I have intended to tell the story of little Akli before. I don't know why I haven't done so, unless it has been because- But I will tell the story this

I had been journeying through Egypt in company with my friend, Harry Kellar, the magician. We were stopping at the quaint old town of Boolak, which is situated on the right bank of the Nile, at with relatives in Illinois Friday evening the divergence of its Pelusiac branch, one mile northwest of the historic city of Cairo, of which it forms a suburb. Our host was an Egyptian grandee, whose fine country place overlooked the shipping from just outside the more densely populated part of the town. Several men and teams were repairing One day we were strolling down near

> the landings when an old Egyptian market woman besought us to purchase some of her tamarinds, naming an exorbitant price. "Why, my good mother, do you sell these tamarinds at that low figure?" ex-

> claimed Kellar in mild surprise, addressing her in her own tongue. "They are worth much more than that, I am She looked surprised; so did our host. "Yes, I was sure of it," Kellar con-

capturing a certain young lady, but he tinued, and he broke one of those that he had taken up and drew a small copper coin of the country from its center. For a moment the woman was too startled to do more than regard the coin | bered out of sight, Abalani clapped his with wonder. Then, however, her natural avarice asserted itself, and she the sound of Akli's falling body. The snatched the bit away from Kellar's unresisting hand.

"Ah! I see you are a fakir," our host said smilingly as we moved on. "It was well done. Now I know that you and than ordinarily enjoy the slight divercame up here a few days since and gave ment after coffee today. Perhaps, too, ruby lantern. is not in me to explain the performance looking up wonderingly. Abalani ordered Akli to climb up, hurrying him with a word of impatience and stamp of his foot.

did as he was requested. Up, up, up, he clambered, higher and higher, gradually growing smaller and smaller as he ascended until he actually on the Vestibuled limited trains of the disappeared from view. Yet we could Chicago, Union Pacific & Northwestern tell that he was still climbing away up there, for the rope before us trembled agent for rates or other information. with the motion that he made. Abalani

did his best to study it. Then suddenly the fakir clapped his Chicago now and see the most complete hands and sprang to one side. We heard and magnificent exhibition that has Abalani's hands, and rope and boy both with the least trouble and changes.

I ne fakir stood alone before us. Kellar and I were mystified. He asked that Abalani perform the trick again. When it had been done a second time, Abalani

left us as perplexed as before. For my part I gave the whole riddle up. I had seen many a strange feat of jugglery, but this one completely nonplused me. Kellar was determined not to leave Boolak until he had satisfied himself as to how the trick, or feat, had

been performed. A week passed. Our host enjoyed Kellar's quandary keenly as a boy, and joked him about it. However, Kellar joined us on the porch one afternoon

with a certain amused expression upon his face that made me feel reasonably sure that something interesting was up. "I should like to see little Akli climb just once more this afternoon," he said. dropping into a low steamer chair with more satisfaction than I had noticed him evince for the past week, "Con and I should be leaving tomorrow or the next

day at the latest. To make known a wish there was to have it gratified. After coffee that afternoon Abalani came walking gravely up the shaded path, his slight figure clothed as before-in the flowing mantle and scanty breechcloth-that dark copper ring, a shade lighter in color than the breast it hung against, his only dec-

oration. As before, he was alone. There were the same low salaams, his dry, hard palms that were of almost the whiteness of mine being stretched over us. Few words were spoken. The man could not have been more deferential. But at the same time I thought that I detected a gleam of egotistical challenge in his dark eyes that made me hope Kellar would succeed in detecting his trick and increased my desire to know how it

was performed. We moved down to the place in the garden where we had witnessed the act before, Kellar slipping into the house a moment first. Little Akli appeared as bright and smiling as when we had first seen him. The rope appeared, Akli had climbed it, when I heard a slight, sharp "click!" on the side where Kellar was standing. When little Akli had clamhands twice. We shuddered as we heard rope had disappeared, and the little fel-
