But no one of them has been able to furnish any explanation respecting them from the younger princes. But no one of them has been able to furnish any explanation respecting them from the younger princes. But no one of them has been able to furnish any explanation respecting them from the younger princes. But no one of them has been able to fur TABIFF discussion will begin in the

spects in the Senate, and this will necessitate its return to the house, or its submission to a conference committee of the two bodies. This delay may consume six or eight days or that May will be here before the president gets his hands on the bill. It will hardly be signed before the 8th or 10th of that month. Five or six weeks, it is likely, will be allowed to elapse between its enactment and its going into effect. The men who have been predicting that the bill will not pass early enough to start into operation before the middle of June or the 1st of July have the probabilities on their side.

THE city jailor of Topeka has also been meditating on the inwardness of economic science and has distime so long as he revels in idleness. He has, therefore, determined to let started the cold chills down the backs of the governor's imported of a way to put the present large tramps and they have concluded to give the Kansas capital a wide berth ereafter.-Journal.

-Globe-Democrat.

Some of the democratic papers claim that there is no good reason for blaming the democratic party with causing the hard times we are THREE receivers will take care of now experiencing, because we are employing additional section hands, or else used in increasing the pay of those now employed.

They are starting a boom for expresident Harrison in Indiana by which they hope to land him the presidential nomination in 1896.

They had better ring off. A very large majority of the republicans of the country desire McKinley as the country desire doings of a witch. Several days ago a yeang farm that which is causing all the trouble. The distingtion appeared to deal apparent to this city, are ago over the doings of a witch. Several days ago a yeang farm to certainty that in acknowledging to the country of the ramed the value of this remedy, and it has causing all the trouble. The southwhom the value of this remedy, and increase in acknowledging to the desired to be sufficient to which the benefit I have received from it. Tired of His Calling, He Writes a Cou Nothing could be more correct or gentlemanly than the behavior of the Corsican brigand Barthelemy Durili in surrendering himself, as he has recently done, to the offended justice of his country. Writing from Piana to the commandant of the district, he said: Monsieur the Commandant—I, the undersigned, Barthelemy Durill, brigand at Piana, have the honor to respectfully submit to you that I intend to give myself up into your custody as a prisoner to be tried at the approaching assiscs. Pray, monsiour the commandant, let me know when I can do so and address your reply to my mother, Mme. Durill, at Piana.

As soon as you have written to her, and she has sent me the letter, I beg you, monsieur the commandant, to be good enough to instruct your gendarmes in order that I may proceed without molestation to Ajaccio to surrender myself. I should not care to be arrested on the way by the gendarmes, and I shall take it as a favor if you will give them instructions on the subject. Please let me hear from you five or six days before the date of the assizes, that I may have time to make my preparations. I I may have time to make my preparations. I rely upon you. Accept, monsieur the commandant, the expression of my entire devotion.

DURILI (BARTHELEMY),

Brigand and Landowner at Piana.
