-The custom of making New Year's

town Monday. -Mrs. McCune. of Wallace, was brought in Saturday night in an insane condition. She is very violent at times, and was taken to Norfolk yesterday.

-An eleven pound boy baty was born to Mr and Mrs. Howard Jeffries Monday. That is an excellent way in which to begin the new year.

THE TRIBUNE sent to his address at Bloomington, Ill., in which city he expects to make his future home.

upon the Ten Commandments, taking man, Utica, Mo. them in order, on Sunday evenings.

-The Germans of the city held a building New Year's eve, and a very happy and jolly time resulted. -Benedict's Fabio Romani company,

which had a date at the opera house for Friday evening, has cancelled the enager Lloyd.

-Monday's Bee contained the a ldress delivered by Judge Emery at the irrigation convention two weeks age. The Bee is doing good work for the cause of irrigation.

-New Year's Day was a very quiet one, about all the business houses being closed after ten o'clock in the morning. The shops were closed and the employes passed the hours at such amusement as could be found.

-Gustave Mills, who was sentenced by Judge Neville to thirty days imprisonment and pay a one hundred dollar fine by reason of being found guilty to the charge of adultery, has been released, having served his term and paid his tine.

-The A. O. H. will hold an entertainment at Lloyd's opera house on the evening of the 16th inst. Hon. Matt Gering. of Plattsmouth, will deliver an address and a very interesting musical and literary programme will be rendered.

three hundred thousand dollars in meet the requirements of business. Very few chattel loans are being made.

-In closing up the business of his term Sheriff Baker found quite a number of foreclosure cases on which decrees had been granted by Judge Neville, and on the 3d day of February the sheriff will offer for sale about twenty-five pieces of property.

-The local company of National Guards is figuring on purchasing a lot on west Sixth street on which to erect an armory. The proposed building will brick. It will be erected by a stock company.

-- L. Thoelecke is building a dam farm on the south side and expects thereby to create a storage basin which will water quite a tract of land. Other armers on the south side should follow Mr. Theelecke's example

-Last week G. W. Dillard bought the Brocker of H. R. Ottman for the reported consideration of \$5,000. This is certainly chesp property and Mr. Dillard can consider he got a bargain.

-It is with regret the people of North Platte learn of the affliction which has befallen R. J. Wyman, namely aberra tion of the mind. Mr. Wyman was brought down from Denver last week. where he had been visiting his son Arthur, and is now being cared for by Mrs. Emma Pulver.

-There will be a meeting held at Sutherland, Neb., on Saturday evening, January 6th, for the purpose of discussing ways and means by which water can be obtained for irrigation purposes Everybody invited who has an interest in that vicinity. By order of local irrigation committee, John Conway, Pres.

-We understand that a number our leading farmers are agitating the question of organizing a Lincoln County Farmers' Club of similar character to a large number of other such organizations that exist in the majority of our eastern counties. These associations are of great benefit to the farmers and they should be encouraged.

-W. F. Gates says a city contemporary erred in its statement that the Knights of Pythins had rented Keith's hall and would use it regularly for lodge meetings. Mr. Gates has, bowever, offered to fit up a hall in the Keith block for lodge purposes providing the Knights of Pythias agree to rent it for a term of years.

-Through the courtesy of J. H. Hershey THE TRIBUNE editor, along with has been smoking cigars made from these c gars cannot be compared with a Havanus filler, they are superior to many five-cent brands sold in the local market.

-C. H. Stamp has purchased of Otten a half interest in the Star boot and shoe store, the transfer having been made the latter part of the week. Mr. Stamp has been casting his eve around for several weeks for a business in which to encage and finally accepted Mr Otten's offer of a half interest in latter's store. This establishment has been enjoying an excellent business and the new partner, who will give the store his attention, will see that it loses none of its prestige and popularity, in fact it is safe to predict that the business will show an increase.

-H. S. Boal came in from La Crosse Malt is exceedingly bright."

-The Hook and Ladder company will meet Monday, January 8th.

-Sheriff elect Miller moved his family and personal effects in from Garfield

-Remember the concert for the benecalls was observed to some extent in fit of the poor on the evening of the 13th inst. Tickets 50 and 35 cents.

-At the request of Judge Snelling weather-maker Piercy gave us a light fall of snow this morning. -D. W. Crane will address the men's meeting at the Y. M. C. A. next Sunday

4:15 p. m. Topic, "The Open Switch." -Special meeting of Signet Chapter No. 55 will be held on Friday night, -Thos. Daly, late of this city, orders Jan 5th. Annie C. Kramph, Sec. By order of ANNIE M. HALL, N. M.

--- Walnuts suitable for planting or to eat at 50 cents per bushel in bags f. o. b. day night. -Next Sunday evening Rev. L. P. Full instructions for planting, etc. Ad-McDonal will begin a series of sermons dress at once, Ed. H. Smith, nursery-

-Rev. James Leonard, presiding elder of this M. E. district, was in town the dance on the second floor of the Holteen latter part of the week making arrangements to move his family to North Platte which in the future will be the elder's headquarters.

-Several of the weather flags are now worn out and that is the reason why no gagement for reasons unknown to Man- weather signals have been displayed building. New flags are expected from at Keithsburg, Ill. Washington.

-The rooms hitherto occupied Mrs. W. C. Ritner over the Marble Shop have been taken by me and I am prepared to take a few table boarders and would respectfully solicit the patronage of the people. Mrs. M. E. Wood.

-A "watch" meeting was held at the

15th, died before it was fully developed; home by Mr. and Mrs. Fisher, who the backer having concluded to invest passed a day or two in town. his capital in other business.

-The three North Platte banks begin grapher Broach in the shape of a hand- for Denver, where she is employed as me crayon picture of his, the editor's. teacher of music in the public little daughter. The work is exceptiondeposit and with ample cash on hand to ally well executed, and is in keeping with the fine photographs which Mr. Broach is constantly turning out.

Sunday, Mr. Foulk is a very earnest and Coville. worker, delivers strong and excellent discourses and will ably assist the other ministers of the city in building up the Master's cause.

THE TRIBUNE was presented to the amount \$391,252.31. public for approval or disapproval. The two brick buildings on Spruce street fact that the paper enters one thousand occupied by Dr. Longley and F. J. homes each week is evidence that it is Thursday evening in favor of her only the finest and most highly finished appreciated or else the public is very brother C. A. Diamond to which a dozen photos possible to merit a fair share of charitable toward the publisher. No friends were invited. It proved a very the patronage of North Platte and surmatter which surmise is correct so long pleasant gathering. as subscribers pay promptly.

-A. L. McNeel on Monday filed water right in the clerk's office which calls for sixty cubic feet of water per second under a four inch pressure from east Birdwood creek. The proposed ditch will run through sections 15, 23, 26 and 35, town 16, range 33, sections 1, 10, 11, 12, 13, 14, 23, 24, 25, 26, 35 and 36, town 15, range 33, and sections 7, 18, 19, and 30, in town 15, range 32, in Lincoln

-Pehaska Tribe No. 10, I. O. R. M. and the Pocohontas degree held joint sustallation services at the hall last evening, Grand Senior Sagamore Warner installing the officers. At the conclusion of this ceremony a social was held, highfive and other games being played. Monagan's orcnestra discoursed sweet music during the evening. Refreshments, including fried oysters were served, which proved one of the most enjoyable numbers on the programme. The attendance was very large, the ball being packed.

-After six years of efficient service as Sheriff of Lincoln county, D. A. Baker steps down and out. That he has well performed the duties of the office is admitted by all, and that he was not successful in the last election was due to the action of a few voters who refused to support him simply because they held the opinion that he had held the office as long as any one man was entitled to it. No man in the county has a larger circle a number of other North Platte men, of warm personal friends than Mr. Baker has been sick with lung trouble but she tobacco grown in Lincoln county. While and they will wish him success in what- is improving.

-A citizen suggests that in case the proposition to issue bonds for electric lights is re-submitted to the voters at the coming spring election that the when the ground is supposed to be frozen. interest be placed at seven per cent instead of six, in order that the bonds may sell more readily. We are of the opinion that six percent interest is all that North Platte can afford to pay on electric light bonds, and especially when it is an open question as to whether the plant can be made self sustaining. If the democrate are not liars-not all are-by next summer President Grover and his congres will have corked up the panic and six per cent bonds will find a ready market.

-"No politics in mine," said Colonel Cody Saturday, as he sank into one of the latter part of the week and spent a our heavily upholstered office chairs. day or two in town on business. "Pan and spread his feet out on the moquette Malt is a winner," said Mr. Boal as he carpet. "I have a three years' engagedeftly rolled his forth-third cigarette for ment ahead of me, and I don't have time the day. "Orders are coming in faster nor inclination to meddle with politics. than we can fill them, and the plants Next season the Wild West stands in which the company will erect at Salt New York, where we are now fitting up Lake, Denver and other points are an arena and erecting a grand stand came up Wednesday to look after the already needed to supply the demand, which will seat 18,000 people.
