Y.) made a personal explanation in the house today which clears him from the condemnation of the speaker in the course of Thursday's filibustering. Mr. Payne explains that when he said he would take his seat when he got ready he was addressing Mr. Outhwaite and not the chair. The session after 1 o'clock Brooklyn, is the man likely to far beir to was devoted to eulogies to the late Charles O'Neill of Pennsylvania.

WASHINGTON, April 3.—The principal nterest in the senate Monday centered in the speech of Senator Voorhees, the chairman of the committee on finance. who thus launched the tariff question apon the sea of senatorial debate. While his speech was read from manuscript, it was delivered with all the fiery energy which characterizes his usual extemporaneous efforts. There was an unusus full attendance, both on the floor and in the galleries, and the conclusion of his speech was greeted with a hearty burst Governor Isaac P. Gray woof applause. He lauded the Walker tariff bill of 1848 as "blessed and glorious nemory," and regretted exceedingly that this bill did not more closely resemble it. He vigorously defended the income tax feature and the free wool clause, and as vigorously condemned the sugar boun-ty and reciprocity of the McKinley bill, the former being characterized as "a if

in North Platte. Come and see them. and a fraud." The latter was "an uncod

stitutional freak." He called attent to the fact that Monday was the 18 anniversary of the birth of Thomas Jefferson, "that great emancipator of man-kind," and quoted extensively from Mr. Blaine's "Thirty Years In Congress."
