**Traveling is Dangerous**

Constant motion jars the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, trainmen, street car men, teamsters and all who drive very much, suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease. Geo. E. Hausan locomotive engineer, Lima, O., writes, "Constant vibration of the engine caused me a great deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure."
