### DRESSLER-ANDERSON

Married—Thursday, November 26, 1903, at the home of the bride's parents, Mr. and Mrs. F. M. Anderson, in Auburn, Nebraska, by Rev. B. W. Marsh, Mr. John I. Dressler of Nemaha and Miss Belle Anderson.

Mr. Dressler is one of our best citizens and the bride is a very popular lady. Both have a host of friends who unite in congratulations and best wishes.

Only members of the families were present at the ceremony.

Mr. and Mrs. Dressler came to Nemaha that afternoon. In the evening over thirty of our citizens met at the home of Dr. Gaither and at eight o'clock went to Mr. Dressler's home and serenaded them. They were invited in and after congratulating the newly married couple an hour was spent very pleasantly.

Remember the concert by the Midland Concert Co. Saturday night of next week. It will be a musical treat for our people. Reserved seats on sale at the postoffice. Admission 25 cents. Reserved seats 35 cents.

Mrs. Lizzie Fuller and Mrs. Sowles of Nemaha were pleasant visitors at the home of Mrs. A. L. P. Thompson Wednesday of last week, also Mrs. Marshall Pryor and Mrs. Benson Pryor of Champion.

An oyster supper will be given at the Minick hall Saturday night, Dec. 5. Sandwiches and coffee will also be served. Proceeds for the benefit of the Christian Sunday school. Every body invited.

If you want fire insurance, either in old line or mutual companies, call on W. W. Sanders.

Foley's Honey and Tar is peculiarly adapted for asthma, bronchitis and hoarseness.—M T Hill.

### Traveling is Dangerous

Constant motion jars the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, trainmen, street car men, teamsters and all who drive very much, suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease. Geo. E. Hausan locomotive engineer, Lima, O., writes, "Constant vibration of the engine caused me a great deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure.—M T Hill.

### A New Invention
