

THE TREATY SIGNED

Panama Cedes to the United States Territory for Canal.

The New Republic, and Not Colombia, Is to Receive the \$10,000,000—Canal to Be Open to All Nations.

Washington, Nov. 19.—Secretary Hay and M. Philippe Bunau Varilla, the minister of Panama, at four o'clock yesterday evening signed the Hay-Bunau Varilla treaty providing for the construction of the Panama canal by the United States. The keynote of the treaty is the provision in one of the very first articles by which Panama cedes to the United States whatever land or lands throughout the republic of Panama this government shall find desirable in connection with the building or the operation and maintenance of the canal. In addition the treaty gives to the United States abundant sovereignty over the canal strip which, it is understood, comprises between eight and ten miles on each side of the canal. Within this zone the power of the United States is as absolute as if the zone were part and parcel of this country.

In general it may be said that while the new treaty contains many of the provisions of the failed Hay-Herran treaty it is not based on that convention, but follows not only the spirit, but the letter of the Spooner act. The money consideration is understood to be the same, only Panama, instead of Colombia, is to receive the \$10,000,000. The canal is to be neutral and open to all nations on even terms.

Amador a "Favorite Son." Panama, Nov. 18.—Several municipalities of the republic of Panama are following the example of Panama in declaring Dr. Amador their "favorite son." His great popularity and prestige among all classes make his friends believe that he will be the first president of Panama.

MUST GO TO PRISON.

Dolan and Garrett, Convicted of St. Louis Naturalization Frauds, Sentenced by Judge Adams—A Stay for Barrett.

St. Louis, Nov. 19.—Judge Adams, in the United States district court Wednesday sentenced John P. Dolan, chairman of the democratic city central committee and Policeman Frank Garrett, convicted of participation in naturalization frauds, to five years' imprisonment in the penitentiary and each to pay a fine of \$1,000.

District Attorney Dyer asked that the passing of sentence on Thomas E. Barrett, former marshal of the St. Louis circuit court of appeals, convicted on the same charges, be deferred until after his trial on other indictments for similar crimes.

REBELLION IN JOLO.

As Soon as a United States Army Transport Landed Some Troops Fighting Commenced.

Manila, Nov. 19.—An unofficial report says the captain of a United States army transport has landed reinforcements in Jolo and that fighting commenced as soon as the troops were landed. No further particulars have been received, as the cable is interrupted.

A cable to the Associated press from Manila November 9 said that the Moros of Jolo had broken out in rebellion and that Maj. Gen. Wood had left for the scene of the disturbance. On October 30 a party of Moros attacked a battery of artillery and firing was kept up all day. Two Americans were wounded.

REMARKABLE OPERATION.

Western Millionaire Who Lost an Ear Paid \$5,000 for Another and Had It Grafted on.

Philadelphia, Nov. 19.—Dr. Andrew L. Nelden, of New York, Wednesday performed the operation here of grafting an ear upon the head of a western millionaire, whose name the surgeon says he is under bond not to reveal. The operation was to have been performed in New York, but District Attorney Jerome is said to have interfered. Dr. Nelden advertised for a man willing to sell an ear for \$5,000 and of 300 applicants he selected a young German who conducts a restaurant in New York.

An Exciting Incident in a Theater.

St. Louis, Nov. 19.—During a play last night at the Imperial theater, Howard Hall, an actor, who enters a cage containing two lions, slipped as he entered and the lions sprang at him. Hall defended himself as best he could and was rescued by prompt action on the part of the keeper. Two actresses fainted and the audience became so excited it was necessary to ring down the curtain until order had been restored.

A Big Fire at Wasco.

Wasco, Ore., Nov. 19.—A fire at this place has destroyed \$134,000 of property. The store of the Oregon Trading company, one of the largest stores in the northwest, was destroyed, with the Wasco opera house, several business blocks and some other buildings.

PERSONAL AND PERTINENT.

President Dias has sent his portrait to Emperor William.

Senator Platt's sons have not, it is said, been on cordial terms with their father for many months past. They were much opposed to his second marriage and did their utmost to prevent it.

Only three of the 15 members of the famous electoral commission of 1877 survive—ex-Senator Edmunds, Senator Hoar and Gen. Eppa Hunton, of Virginia. All of the five justices of the supreme court who sat on the commission long since passed away.

Within the past ten years Mr. and Mrs. Charles Pitrowsky, of Cleveland have tried six times to be divorced. Only once did they succeed in freeing themselves from the hymeneal bond. Six months later they were remarried, but were trying for a divorce again inside of two years. Their latest attempt is now being made, papers having been filed in the common pleas court. In all but one case Mrs. Pitrowsky was complainant.

It was recounted recently that Mrs. Rozett Coulson had secured at Abilene a verdict of \$3,000 against Randall Myer, a wealthy farmer. It was alleged that Myer had cast doubt upon Mrs. Coulson's conjugal faithfulness in a sentence of just 20 words. The judgment amounted to \$150 a word, and evidently Judge Moore regards this as an excessive charge for even that kind of conversation, for he has reduced the sum to \$1,000 or \$50 a word.

Hugh McLaughlin has been a powerful politician for more than a generation, but has rarely endeavored to make himself felt outside of Brooklyn. During that time Tammany has seen numerous leaders come and go, but has never seen the day when McLaughlin was not supreme in his party so far as concerns Brooklyn. He is now over 70 years old, with white hair and countenance seamed by age, but he is hale and vigorous, bright of eye and naturally alert as of yore.

Daniel Leroy Dresser, whose testimony in the shipbuilding company's case at New York has attracted much attention, was the organizer, president and managing owner of the Narragansett Web company, which has also failed, sarrying with it a large amount of Newport money. Mr. Dresser's family and connections are millionaires many times over. Mrs. John Nicholas Brown is his sister and George W. Vanderbilt his brother-in-law. He is the grandson of one of the merchant princes of New York and made a brilliant marriage in his alliance with Miss Burnham.

SISTERS OF CHARITY

Use Pe-ru-na for Coughs, Colds, Grip and Catarrh—A Congressman's Letter.

In every country of the civilized world Sisters of Charity are known. Not only do they minister to the spiritual and intellectual needs of the charges committed to their care, but they also minister to their bodily needs.

With so many children to take care of and to protect from climate and disease, these wise and prudent Sisters have found Peruna a never failing safeguard.

Dr. Hartman receives many letters from Catholic Sisters from all over the United States. A recommend recently received from a Catholic institution in Detroit, Mich., reads as follows:

Dr. S. B. Hartman, Columbus, Ohio:
Dear Sir:—"The young girl who used the Peruna was suffering from laryngitis and loss of voice. The result of the treatment was most satisfactory. She found great relief, and after further use of the medicine we hope to be able to say she is entirely cured."—Sisters of Charity.

The young girl was under the care of the Sisters of Charity and used Peruna for catarrh of the throat with good results as the above letter testifies.

The following letter is from Congressman Meekison, of Napoleon, Ohio: The Peruna Medicine Co., Columbus, O.

Gentlemen: "I have used several bottles of Peruna and feel greatly benefited thereby from my catarrh of the head, and feel encouraged to believe that its continued use will fully eradicate a disease of thirty years' standing."—David Meekison.

Dr. Hartman, one of the best known physicians and surgeons in the United States, was the first man to formulate Peruna. It was through his genius and perseverance that it was introduced to the medical profession of this country.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

Dead Easy.

When Gen. Ian Hamilton, of the British army, was in Washington he was the guest of Maj. Gen. Corbin and all his mail was sent in care of Gen. Corbin at the war department. One day quite a batch of letters arrived and was taken in charge by one of the brightest colored messengers in the war department to be delivered at Gen. Corbin's residence. But this messenger and others had read the addresses and commented on them. "Lieutenant General Sir Ian Hamilton, K. C. B.," they read. "What does K. C. B. mean?" asked one messenger. "Don't you know what that means?" replied the other scornfully. "Why, K. C. B. means the 'at Came Back'! 'Thought every niggah knowed that.'"—Chicago Chronicle.

A Remarkable Woman. Kokomo, Ind., Nov. 23.—Mrs. Anna M. Willis, of this place, a charming old lady of 74 years, has given for publication a very interesting letter.

Mrs. Willis is widely known and highly respected, and the recommendation she gives is well worth the consideration of anyone who may be interested. Mrs. Willis' address is R. R. No. 6, Kokomo. Her letter reads as follows:

"I have been troubled with Kidney Trouble for 20 years. It was so bad that it affected my heart and my back. It hurt so that I could not get up when down, and I began to think that I would be past doing anything. I was recommended to get Dodd's Kidney Pills and purchased some at the drug store of Mr. G. E. Meck. After using several boxes, I was completely restored. I feel twenty years younger, and am able to do all the usual work in the house and garden which a person who lives on the farm has to do, although I am 74 years of age."

"De man dat makes a business of findin' fault," said Uncle Eben, "gits mo' occupation an' less results dan anybody else in de community."—Washington Star.

PILES

"I have suffered with piles for thirty-six years. One year ago last April I began taking Cascarets for constipation. In the course of a week I noticed the piles began to disappear and at the end of six weeks they did not trouble me at all. Cascarets have done wonders for me. I am entirely cured and feel like a new man." George Kryder, Napoleon, O.
