day.

The report of the Bank of Nemaha  
published this week. The bank has  
been running just two years. It is do-  
ing a good business, which is steadily  
increasing. Our citizens have the ut-

on the tubes. He will probably be  
ready for this work next week.

Three weeks ago Henry Shaw and  
Bud O'dell of Shubert published a chal-  
lenge in the Citizen, offering to wager  
they could husk and crib more corn in

result of a contest, send them along.

brother had been troubled with indig-  
estation. He tried several remedies  
but got no benefit from them. We  
purchased some of Chamberlain's

commenced taking them. Inside of  
thirty days he had gained forty pounds  
in flesh. He is now fully recovered.

While opening a box, J. C. Mount

his hand. "I thought at once of the  
pain and soreness this would cause  
me," he says, "and immediately appli-  
de Chamberlain's Pain Balm and oc-  
casionally afterwards. To my surprise  
it removed all pain and soreness and  
the injured parts were soon healed.—

**Catarrh of the Stomach.**  
When the stomach is overloaded;  
when food is taken into it that fails to  
digest, it decays and inflames the mu-  
cous membrane, exposing the nerves,  
and causes the glands to secrete mucus  
instead of the natural juices of diges-  
tion. This is called catarrh of the  
stomach, caused by indigestion. Doc-  
tors and medicines failed to benefit me  
until I used Kodol Dyspepsia Cure.—

Frank Brown, a brakeman on the  
Missouri Pacific who made his home  
with his parents in Atchison, met  
with an accident at Stella Sunday night  
which caused him to lose his life.  
He was making his first run on the  
Atchison division, and when he arrived  
at Stella he jumped off the engine as  
it passed the depot and collided with a  
truck, which threw him under the  
train. He had presence of mind  
enough to roll on one side so that the  
wheels passed over one of his feet and  
the toes of the other. One foot was  
crushed and torn above the ankle so  
that it had to be amputated. The toes  
of the other foot were mashed. The  
victim of the accident was at once taken  
to the hospital at Atchison for treat-  
ment.

Young Brown is about 22 years of  
age and had been at work on the road  
only about a month. His father is an  
engineer on the Crete branch and he  
was at once notified of the accident.  
A special train was placed at his dis-  
posal and he made a fast run to the  
scene of the accident. The injured  
man succumbed to his injuries and  
died at the hospital. His funeral oc-  
curred Thursday and was largely at-  
tended.—Auburn Herald.

County Treasurer Codrington paid  
off four five hundred dollar bonds of  
the London and Brownville precincts  
compromise bonds in New York last  
week. Of the issue of bonds of  
\$65,100 there is now paid \$26,500  
leaving yet outstanding \$38,600  
These bonds were issued over fifteen  
years ago payable in twenty years with  
the option to pay prior to date of ma-  
turity, and at the rate they are now be-  
ing paid, the entire debt will be liq-  
uidated before the twenty year period.  
The first bond was paid March 30,  
1901, and if the same ratio of pay-  
ments continue, all the bonds will be  
paid off in about four years. This is  
certainly a remarkable showing for  
people of these precincts who were bur-  
dened with an unjust debt.—Auburn  
Herald.

once said to Mistress Wesley, "Why  
do you tell that child the same thing  
over and over again?" "John Wesley,

of these diseases to result in pneu-
