The Spinsters' Return

Two years ago last winter the old maids of Nemaha and vicinity held a convention at the opera house. It was a grand success. Now these old maids have decided on another convention and on Wednesday night, Dec. 9, will give an entertainment at Hoover's opera house entitled "The Spinsters' Return." The married ones will tell of their trials and tribulations with their husbands. It will be even better than the original entertainment. Reserved seats 25 cents. You will miss a bushel of fun if you don't attend. Proceeds for the benefit of the Methodist Sunday school.

Traveling is Dangerous

Constant motion jars the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, trainmen, street car men, teamsters and all who drive very much, suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease. Geo. E. Hausan locomotive engineer, Lima, O., writes, "Constant vibration of the engine caused me a great deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure. —M T Hill.

He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley, "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for the same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. For sale by W. W. Keeling.

For a pleasant physic take Chamberlain's Stomach and Liver Tablets. Easy to take. Pleasant in effect.—For sale by W. W. Keeling.

Ran A Ten Penny Nail Through His Hand.

While opening a box, J. C. Mount of Three Mile Bay, N. Y., ran a ten penny nail through the fleshy part of his hand. "I thought at once of the pain and soreness this would cause me," he says, "and immediately applied Chamberlain's Pain Balm and occasionally afterwards. To my surprise it removed all pain and soreness and the injured parts were soon healed.—For sale by W. W. Keeling.

Catarrh of the Stomach.

When the stomach is overloaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves, and causes the glands to secrete mucus instead of the natural juices of digestion. This is called catarrh of the stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. R. Rhea, Coppell, Tex. Sold by W. W. Keeling.
