## Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

## FEMALE WEAKNESS

112 1-2 Congress St. Portland, Maine, Oct. 17, 1903.  
I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Pains would shoot through my back and sides and I would have bleeding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering the agonies I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.

Wilhelmina Lewis  
Treasurer, Portland Economic League

Periodical headaches tell of female weakness. Wine of Cardui cures permanently nineteen out of every twenty cases of irregular menses, bearing down pains or any female weakness. If you are discouraged and doctors have failed, that is the best reason in the world you should try Wine of Cardui now. Remember that headaches mean female weakness. Secure a \$1.00 bottle of Wine of Cardui today.

#### Preparing Corn for Exhibition

Upon request, Mr. Lee Smith, President of the Association, has offered the following suggestions for preparing the exhibition ears of corn:

The ear should stand on the stalk until fully matured. The selection should be made while husking the entire crop, as there is then an opportunity to see every ear and compare the quality. For this purpose a box may be placed on the rear of the wagon, and desirable ears laid carefully in this box. The ears should be dried in a heated room, but a kitchen is not a good place on account of the steam. Great care should be taken not to shell even a single kernel from the ear.

To ship, wrap each ear separately in cloth or paper, pack carefully in a box or barrel, stuffing paper in any remaining space to prevent the ears from shaking about in transit. Ship by express or freight prepaid, to the Secretary, T. L. Lyon, Lincoln, Nebraska, to reach him not later than Saturday, January 16, 1904.
