### A ROYAL FEAST

Fifty-five of J. W. Wolfe's many friends gathered at his beautiful home in Aspinwall precinct on Wednesday of this week in honor of his 50th anniversary. J. W. was wonderfully surprised to see so many coming yet was highly pleased to learn that all brought well-filled baskets. The day was spent in social converse and listening to music furnished by Miss Gaither, Miss Boyd and others. Mr. Wolfe also furnished some fine music from his graphophone. At about 4:30 p. m. all departed for their respective homes after wishing Mr. Wolfe 50 years more of health and happiness. The editor was invited but owing to press of business could not be present but was kindly remembered by a box of good things.

ONE PRESENT.

For Sale—Seven fine thoroughbred male Poland-China hogs, A. B. PARIS.

B. Frank Neal and family start Saturday of this week for Boise, Idaho, where B. F. will go into the law and insurance business. He has a bright outlook there. He goes into partnership with his brother, Charles Neal. We are sorry to lose him from Nemaha county but hope he will prosper in his new home.

The revival meetings at the Methodist church closed Sunday night. These services were conducted by Miss Mae Phillips, evangelist, assisted by Miss Minnie Nelson a fine singer. Seven persons united with the church Sunday night. Miss Phillips and Miss Nelson started to Aurora, Ills., Tuesday, where they will begin a meeting immediately after Christmas. They are good workers.

Miss Minnie Nelson gave a concert at the Methodist church Monday night under the auspices of the Junior League. The entertainment consisted of a number of vocal solos by Miss Nelson, all of which were fine, recitations by several young people, and instrumental solos by Miss Maye Gaither. The receipts for the evening was some thing over \$15. The Junior League desires to return thanks to Mrs. A. F. Walsh, Miss Maye Gaither and others for assistance rendered.

Wednesday afternoon A. R. Titus was paid \$50 on a note. A customer coming in at the time, he shoved the money in his pocket and thought no more about it until he went home to supper, when he discovered he had lost it. Supper did not taste very good to Albert. He hurried back to the store and searched around and also out in the yard where he had been, but could not find it. The next morning Jim Burns helped look for it and found it out by the door of the warehouse, so Albert is rejoicing again.

### Traveling is Dangerous

Constant motion jars the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, trainmen, street car men, teamsters and all who drive very much, suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease. Geo. E. Hausan locomotive engineer, Lima, O., writes, "Constant vibration of the engine caused me a great deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure."—M T Hill.

You never heard any one using Foley's Honey and Tar and not being satisfied.—M T Hill.

The bridge south of town was again thrown open to the public Saturday. The approaches have not been graded up as they should be, on account of the dirt being frozen, but is alright for crossing even with heavy loads. The commissioners were down Monday to inspect it. They said it was surprising the bridge had not gone down, as it was in a worse condition than they had realized.

Two young gentlemen drove down to Antioch church in the county line southeast of Nemaha to attend church Sunday night. When they got there they found the congregation singing the last stanza of the last hymn of the Christian Endeavor meeting and were told there would be no other services. To make the matter worse one of the young ladies of the congregation in whom they were especially interested had another fellow. The young men got back to Nemaha in time to go to church here but were discouraged over their first attempt and went home.

Last Friday afternoon the pupils of the intermediate and primary departments, assisted by a few pupils from the high school, gave a very interesting program. After the entertainment gifts were distributed from a Christmas tree. The pupils from the primary department were each presented with a stocking of candy and nuts and the pupils of the intermediate and high school departments each received a nice book. The teachers received several handsome presents from their pupils. Every one had a good time. A goodly number of visitors were present.

The neighbors and friends of C. H. Barker gave him a surprise last Sunday. Mrs. Barker prevailed on Pres to come to Nemaha to church and Sunday school. When he got back home he found the house filled with neighbors and friends who gave him a hearty greeting. Pres was 44 years old last Friday and it was decided to give him a surprise on Sunday. It was a thorough surprise as he never dreamed of it. A fine dinner was spread which was enjoyed by all, and especially by Pres. May he live to celebrate at least twice as many birthdays.

E. J. Maxwell, county assessor, has appointed Frank Titus deputy assessor for Nemaha precinct. The county clerk, commissioners and others who are in a position to know say Frank is one of the very best assessors in the county, and there are fewer corrections and less complaints over his returns than any other official.

D. H. Clark has been appointed deputy for London, Jack Boatman for Aspinwall, Jerry Marlatt for Brownville, D. W. Carlisle for Peru, Thos. Horn for Douglas, W. H. Stuck for Washington, Wm. H. Davis for Glen Rock, Will Bailey for Lafayette, and C. C. Sodman for Benton. Deputies have not yet been appointed for Bedford, Island and St. Derooin.

### He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley, "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for the same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. For sale by W. W. Keeling.

**EDW. E. LOWMAN**  
Brownville, Neb.

John C. Boyd, one of the leading citizens of Aspinwall precinct, has one of the pluckiest women in the county for his wife.

On Monday morning of this week Mrs. Boyd's daughter placed a lot of bed clothing on a rocking chair in front of the heating stove in the guest chamber of the home, and went out of the room closing the door after her.

There was a fire in the stove, and during the absence of the family the clothing caught fire from the heat. The smell of the smoke apprized Mrs. Boyd that something was wrong, and on investigation she found that the clothing was in a blaze.

Without a moment's hesitation she picked up the chair with its blazing burden and took them out of the house. When she did so the flames were mounting to the ceiling and in carrying them out the blaze scorched her face, singed her hair and eyebrows and burned a place on one of her arms. Had she not performed this heroic act the house would undoubtedly be consumed by fire.—Auburn Herald.

Foley's Honey and Tar is peculiarly adapted for asthma, bronchitis and hoarseness.—M T Hill.

### A Lesson in Health

Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system.—M T Hill.

### Ran A Ten Penny Nail Through His Hand.

While opening a box, J. C. Mount of Three Mile Bay, N. Y., ran a ten penny nail through the fleshy part of his hand. "I thought at once of the pain and soreness this would cause me," he says, "and immediately applied Chamberlain's Pain Balm and occasionally afterwards. To my surprise it removed all pain and soreness and the injured parts were soon healed.—For sale by W. W. Keeling.

FOR SALE—Rat dog pups. See Wilber Wright, Brownville, Neb.

### Catarrh of the Stomach.

When the stomach is overloaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves, and causes the glands to secrete mucus instead of the natural juices of digestion. This is called catarrh of the stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. R. Rhea, Coppell, Tex. Sold by W. W. Keeling.
