Miss Jessie Garvin gave one of her prohibition concerts at the Methodist church Thursday night of last week. Her talk was good and so was her singing, although she had a very bad cold. But we do not believe she made any prohibition party votes.

F. L. Woodward is having the opera house thoroughly cleaned and put in good shape. He is going to have it fixed so it can be heated better, and will put in an extra stove. Our citizens should show their appreciation of the change by a liberal patronage.

There will be no preaching services at the Methodist church next Sunday, on account of the protracted meetings at the Christian church. This will give every one an opportunity to attend the services at the Christian church. The pastors believe in reciprocity.

The Madrigal Concert Co. will be at Nemaha Tuesday night, Jan. 26. This will be the last number of the lecturecourse, and it is said to be even better than the Midland Concert Co. Do not fail to hear them. Reserved seat tickets 35 cents. General admission 25 cents.

The many friends of Mrs. F. E. Hoever will be pleased to learn that her health has wonderfully improved recently, since she has been under the care of specialists in Omaha. A man giving his name as George Sputter and claiming Brownville as his home was in town last week exhibiting a bottle of crude oil which he claimed he drew out of a well between here and Brownville. He also had with him dirt out of the same well, and some mineral specimens. He claims there is much value under the soil in this county.—Peru Pointer.

There was probably more money in Auburn Wednesday night than there has been at any one time before in the history of the town, the occasion being that on Thursday retiring County Treasurer Geo. E. Codrington, turned over in cash all of the county funds to his successor, D. J. A. Dirks, the amount being \$87,597.56.

All the banks in the county that had any funds on deposit were requested to ship the funds to one of the three banks in Auburn that the actual cash could be counted and turned over. This was done, and Treasurer Dirks immediately placed the money as he chose in the various banks.—Auburn Post.

Charley Howe came near having a serious accident Tuesday. He was hauling logs to the mill. In coming down the hill along the bluff next the railroad track northeast of town the logs slipped, the chain gave way, and the logs went forward over the horses and on down the hill. Charley had one leg considerably bruised but feels fortunate in getting off that easy.

Harry Kimmel was in Nemaha Monday afternoon and Tuesday forenoon visiting his friend Miss Florence Minick. Mr. Kimmel was manager of the theatrical troupe with which Miss Minick traveled last summer, and talks some of coming to Nemaha and giving an entertainment with the assistance of home talent. He is said to be a fine actor and comes with the best of recommendations.

D. J. A. Dirks, our new county treasurer, doesn't believe in running by chanches. He demanded that the outgoing treasurer turn over the cash on hand in cash and not in certificates of deposit, so Mr. Codrington called on the banks for the money and they produced it. It made a pile, as there was \$87,597.56 on hand. There was one \$10,000 bill—probably the largest bill ever received by a county treasurer in this county.

This is the reason that travelers, trainmen, street car men, teamsters and all who drive very much, suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease. Geo. E. Hausan locomotive engineer, Lima, O., writes, "Constant vibration of the engine caused me a great deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure."—M T Hill.

Cures When Doctors Fail

Mrs. Frank Chiasson, Patterson, Ia., writes June 8th, 1901: "I had malaria fever in a very bad form, was under treatment by doctors, but as soon as I stopped taking their medicine the fever would return, I used a sample bottle of Herbine, found it helped me. Then I bought two bottles, which completely cured me. I feel very grateful to you for furnishing such a splendid medicine, and can honestly recommend it to those suffering with malaria, as it will surely cure them." Herbine, 50c bottle at Hill's.

Gained Forty Pounds in Thirty Days

For several months our younger brother had been troubled with indigestion. He tried several remedies but got no benefit from them. We purchased some of Chamberlain's Stomach and Liver Tablets and he commenced taking them. Inside of thirty days he had gained forty pounds in flesh. He is now fully recovered. We have a good trade on the Tablets.—Helley Bros. Merchants, Long Branch, Mo. For sale by W. W. Keeling.

Spring Ailments

There is an aching and tired feeling, the liver, bowels, and kidneys become sluggish and inactive, the digester impaired, with little or no appetite no ambition for anything and a feeling that the whole body and mind needs toning up. The trouble is, that during the winter, there has been an over accumulation of waste matter in the system. Herbine will remove it, secure to the secretions a right exit, and give strength in place of weakness. 50c at Hill's.

He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley, "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for the same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. For sale by W. W. Keeling.

Catarrh of the Stomach.

When the stomach is overloaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves, and causes the glands to secrete mucus instead of the natural juices of digestion. This is called catarrh of the stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. R. Rhea, Coppell, Tex. Sold by W. W. Keeling.

Dr. Bergin, Pana, Ill. writes: I have used Ballard's Snow Liniment, always recommend it to my friends, and I am confident that there is no better made. It is a dandy for burns. Those who live on farms are especially liable to many accidental cuts, burns and bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency. 25c, 50, and \$1.00 at Hill's.
