take a Little Early Riser—it will cure constipation, biliousness and liver troubles. DeWitt's Little Early Risers are different from other pills. HAS JUST RECEIVED A FINE LINE OF NEW

CALL AND SEE HER

CARD OF THANKS

NOTICE OF CAUCUS

A caucus will be held in the Advertiser office next Monday at 4 o'clock p. m., for the purpose of nominating candidates for village trustees. Two trustees are to be elected for two years and two for one year.

Mrs. F. L. Woodward received a telegram Wednesday giving the news of the death of the wife of her brother, J. M. Tidrow, at their home in Yates Center, Kan. Mrs. Tidrow has been a sufferer from consumption for some time and her death was not unexpected.

The many friends of E. Bordwell, late auditor of the Edwards & Bradford Lumber Co., with headquarters at Nebraska City, will regret to learn of the death of his son, Mr. Bordwell recently moved to Elk, Washington, and a few days after his arrival his son was hurt while coasting, dying in two or three days from the effects of the injuries.

SOCIAL

The Christian Sunday school will give a Seck social at the Hoover store building, first door south of Keeling's drug store, Saturday evening, March 19. Everybody is invited to come and bring their socks, which will be delivered later. Refreshments of sandwiches, coffee and pickles will be served, also icecream and cake.

One of each lady's socks will be sold for 20c. This pays for ice cream and cake or sandwiches, coffee and pickles. The lady keeps the mate to the sock sold and after the socks are all sold they are mated into pairs. Pay particular attention to the girls' feet boys, so you will be sure to get the one with the right pair of socks.

Catarrh of the Stomach.

When the stomach is overloaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves, and causes the glands to secrete mucin instead of the natural juices of digestion. This is called catarrh of the stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. R. Rhea, Coppell, T ex. Sold by W. W. Keeling.

Foley's Honey and Tar is peculiarly adapted for asthma, bronchitis and hoarseness.—M T Hill.
