

Judge Wm. M. Robertson, who two weeks ago announced himself as a candidate for the republican nomination for governor, has withdrawn from the race. This leaves the field clear for Gov. Mickey.

At the republican congressional convention held at Lincoln Tuesday Congressman Burkett was renominated for the fourth term by acclamation. Herbert R. Howe of Auburn was elected member of the congressional central committee from Nemaha county.

W. C. Parriott went to Lincoln Tuesday to take charge of Campbell's Soil Culture, a farm magazine having a very wide circulation. He will act as business manager of the publication, and has become financially interested in the concern. He is one of the most upright and energetic young men of the county, and possesses all the energy that is necessary for him to make a big success of his new venture. The best wishes of a host of friends go with him to his new field of labor. —Auburn Herald.

Edwards & Bradford Lumber Co. at Petersburg, Nebr.

Five years ago this company leased a tract of land lying south of main street and began the erection of a large store room and lumber and coal sheds for the purpose of handling a full line of hardware, paint, glass, building material, coal etc., and ever since their establishment in Petersburg have received a goodly share of the patronage in their separate lines. H D Beebe, a young man who is braving the dangers of leap year, is the local manager of the company. Mr. Beebe has had several years experience in the lumber and hardware business and his several promotions during the time he has been with the company speak highly of his ability as a successful manager. —Petersburg Index.

There is an aching and tired feeling, the liver, bowels, and kidneys become sluggish and inactive, the digestion impaired, with little or no appetite no ambition for anything and a feeling that the whole body and mind needs toning up. The trouble is, that during the winter, there has been an over accumulation of waste matter in the system. Herbine will remove it, secure to the secretions a right exit, and give strength in place of weakness. 50c at Hill's.

The Lincoln Journal of Tuesday gives further particulars of the drowning of Burch J. McGrew and his sister Grace D. McGrew, as gleaned from the Manila Times of Feb. 13, which has just reached Nebraska. The drowning occurred off the coast of Tayabas, Tuesday night, Feb. 10.

The Journal says: Burch J. McGrew and his sister, whose home was at Auburn, Nebr., were teachers in the public schools at Antimonan, Tayabas. Mr. McGrew was in charge of the schools and had been recommended for principal of the new Antimonan high school.

He was also postmaster at Antimonan.

A party of Americans left Antimonan for Alabat in a native "parao" on the morning of February 10. On the return trip they encountered a severe storm and the boat was overturned.

Four Americans and two native boat men were drowned. Four Filipinos saved themselves by clinging to the overturned craft. The other Americans drowned were Dr. F. L. R. Tetesman, U. S. A. post surgeon at Antimonan; Dr. J. H. Williams, inspector for the board of health in the same town.

Burch McGrew was born in 1873. He studied two years at the Nebraska State Normal and two years at the State University. He was appointed to a position under the bureau of education in the Philippines November 30, 1901. Miss McGrew was appointed a teacher April 22, 1903, and arrived at Antimonan last August. Both were popular. They had spent their last Christmas vacation at Manila.

Alabat is situated on a peninsula which borders on the eastern line of Lamun bay, and the waters there, although generally placid, are turbulent during storms, the topographical peculiarities of the bay making it a concentrating point for heavy winds.

The Manila Times, speaking of the disaster, says editorially:

The untimely death of Burch J. McGrew and his sister could not be sadder. Mr. McGrew was a college man and an efficient educator. He has worked faithfully in the Philippine for nearly three years and well deserved promotion was in easy reach. He had secured a position in the public schools for his sister, who joined him in his chosen field about six months ago. They had just returned from Manila, where the holidays had been spent with old friends. Their sad death will bring woe to their many friends in the city.

Probably the saddest part of the whole tragedy will be the crushing news the cable would take to the friends and relatives of the unfortunates in the home country. It will be a sad cablegram for those who have been counting the months, weeks and days when they should see their dear ones safe home again.

Hold Up a Congressman

Over-worked run-down men and weak, sickly women gain splendid vitality from Electric Bitters. Try them. Only 50c. —Guaranteed by Keeling.

BETTER THAN GOLD

I was troubled for several years with chronic indigestion and nervous debility," writes F G Green, of Lancaster, N H. "No remedy helped me until I began taking Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak run down women. No other medicine can take its place in our family." Try them. NEARLY LOST HIS LIFE

A runaway almost ending fatally started a horrible ulcer on the leg of J B Grner, Franklin Grove, Ill. For four years it defied all doctors and all remedies. Cures When Doctors Fail

Mrs. Frank Chiasson, Patterson, Ia., writes June 8th, 1901: "I had malaria fever in a very bad form, was under treatment by doctors, but as soon as I stopped taking their medicine the fever would return, I used a sample bottle of Herbine, found it helped me. Then I bought two bottles, which completely cured me. I feel very grateful to you for furnishing such a splendid medicine, and can honestly recommend it to those suffering with malaria, as it will surely cure them." Herbine, 50c bottle at Hill's.

Gained Forty Pounds in Thirty Days

For several months our younger brother had been troubled with indigestion. He tried several remedies but got no benefit from them. We purchased some of Chamberlain's Stomach and Liver Tablets and he commenced taking them. Inside of thirty days he had gained forty pounds in flesh. He is now fully recovered. We have a good trade on the Tablets. —Holley Bros. Merchants, Long Branch, Mo. For sale by W. W. Keeling.

Chris Miller of Fremont Nebr. writes: "I suffered from dyspepsia for more than 10 years. I was under the care of a number of doctors, made three trips away, and still no relief. Kodo Dyspepsia Cure being recommended to me by several who had used it, and as the last straw, I concluded to try it. After the first two or three doses I began to improve and have taken several bottles and feel like a new man. I write you this in the interest of humanity, hoping it may fall into the hands of some sufferer, and my prayer is that they may secure the same benefit that I have." Sold by W. W. Keeling.

He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley. "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for the same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. For sale by W. W. Keeling.

What is Foley's Kidney Cure?

Dr. Bergin, Pana, Ill. writes: I have used Ballard's Snow Lintment always recommend it to my friends, and I am confident that there is no better made. It is a dandy for burns. Those who live on farms are especially liable to many accidental cuts, burns and bruises, which heal rapidly when Ballard's Snow Lintment is applied. It should always be kept in the house for cases of emergency. 25c, 50, and \$1.00 at Hill's.
