John P. Flack had a good sidewalk laid north of his home the first of the week. It adds much to the looks of the place.

E. J. Maxwell expects to plant two acres of potatoes this year, and J. D. Drumm will put in four acres on Ed's farm on the shares.

Shubert elected the antisalience ticket Tuesday. The three hold-over members are license, but it is thought there will be no saloon there this year.

Dr. Hutchison, optician, will be at Nemaha again on Tuesday, April 19. Call and have your eyes carefully treated for glasses. Examination free.

Joe Bunger is putting in partitions in the north room of the Edwards & Bradford building, and will put in windows and fit it up for living rooms

L. P. Dewese, who has been working at Nebraska City, returned to Nemaha Wednesday. He will remain on his farm northeast of Nemaha this summer.

The electors in Auburn voted direct on the license question this year, and license won by 63 majority. South Auburn will be cursed with saloons for another year.

J. B. Hoover has voted in Nemaha for the last 49 years—in fact he has never voted anywhere else, as he cast his first vote here: We believe he has voted more years in this county than any other man.

We were misinformed about Mr. Camblin's assuming the management of the lumber yard as he will not take charge until after the stock is invoiced, probably next week.

POTATOES

Early Ohio, Rural New Yorker and White Ohio, sorted at \$1.00 per bu. Small potatoes, good size to plant in 5 bu. lots at 60c per bu.

9 Barred Plymouth Rock Cockerels, \$1 each. JOE TITUS.

Mr. and Mrs. A. R. Titus drove down from Syracuse Wednesday, arriving here about 6 o'clock. They will visit until the first of next week. Albert is well pleased with his new location.

H. Denny, who moved here from Iowa week before last, likes Nemaha so well that last week he bought J. H. Bunger's property. Mr. Bunger says he has no intention of leaving here but will build a larger house as soon as he can get time.

Just About Bedtime

take a Little Early Riser—it will cure constipation, biliousness and liver troubles. DeWitt's Little Early Riser are different from other pills. They do not gripe and break down the mucous membrane of the stomach, liver and bowels, but cure by gently arousing the secretions and giving strength to these organs. Sold by W. W. Keeling.

P. KERRER.

MRS. THEO. HILL

HAS JUST RECEIVED A FINE LINE OF NEW

MILLINERY

CALL AND SEE HER

W. W. Sanders is still a notary public, although the impression seems to have gotten out that he no longer holds that office. Nemaha now has two notaries—W. W. Sanders and E. E. Allen.

H. Denny and Joe Bunger swapped places Tuesday, Mr. Denny moving in the property he recently bought of Mr. Bunger, and the latter moving in the room under the opera house where Mr. Denny has been living.

Wm. G. Maxwell and his two sons Alva and Ned, J. H. Littrell, Clarence Aynes and Delbert Webb started for Mystic, So. Dak., Tuesday. They go to assist in developing the Auburn Gold Mining Co.'s property. We hope they will strike it rich and come back loaded with gold.

A surprise party in honor of Eddie Yackley was given at the home of Mr. and Mrs. George Yackley Wednesday night. The young folks present enjoyed themselves until a late hour. It was a total surprise on Eddie, who had gone to a neighbor's and was sent for when the guests arrived.

The Easter services by the Methodist Sunday school Sunday night were fine. Most of the exercises were by the smaller children. All taking part did well. The house was crowded, a great many having to stand. Mrs. Elmer E. Allen and Miss Lulu Cooper deserve much credit for the training given the children.

Mrs. John Titus of Iowa, Kansas, is visiting friends in Nemaha and vicinity. Dan Maxwell went over to Stella on Sunday and brought her over, as she had been visiting relatives there. After visiting here, a few days she will return to Stella and from to Idaho where her children are living and where she expects to make her name.

Dr. Keeling was feeling a great deal better Monday and came up town in the afternoon. The next day he was at the store most of the time, but that night was feeling much worse and Wednesday he was not able to sit up. He says he is going to stay in now until the weather is settled and he gets to feeling allright, which we hope will be soon.

Call in and see us if you want to subscribe for any paper published in the United States.

Take the wagonette when in Auburn if you want to go to any part of the city. John McElhaney prop.

A Lesson in Health

Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system.—M T Hill.

Catarrh of the Stomach.

When the stomach is overloaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves, and causes the glands to secrete mucin instead of the natural juices of digestion. This is called catarrh of the stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. R. Rhea, Coppell, ex. Sold by W. W. Keeling.

Foley's Honey and Tar is peculiarly adapted for asthma, bronchitis and hoarseness.—M T Hill.
