A Lesson in Health

Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system.—M T Hill.

Catarrh of the Stomach.

When the stomach is overloaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves, and causes the glands to secrete mucus instead of the natural juices of digestion. This is called catarrh of the stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. B. Rhea, Coppel, ex. Sold by W. W. Keeling.

Foley's Honey and Tar is peculiarly adapted for asthma, bronchitis and hoarseness.—M T Hill.
