Lesson in Health

Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strenghtens the whole system.—M T Hill.

W. W. Sanders is agent for several good reliable insurance companies mutual and old line. Call on him for insurance.

Traveling is Dangerous

Constant motion jars the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, trainmen, street car men, teamsters and all who drive very much, suffer from kidney disease in some form. Foley's Kidney Cure strenghtens the kidneys and cures all forms of kidney and bladder disease. Geo. E. Hausan locomotive engineer, Lima, O., writes, "Constant vibration of the engine caused me a great deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure.—M T Hill.

M. W. Knapp, Wife and Baby Injured

Last Sunday Mr. and Mrs. Miles W. Knapp visited their daughter, Mrs. Shellenberger, living near Humboldt. Monday morning they started for home expecting to take dinner with their son, Eli Knapp, near Stella. When about seven miles from Stella the swivel on the neckyoke gave away. letting the buggy pole drop to the ground, while the team was going down a gentle incline. Mr. Knapp pulled up on the lines, which ran the buggy on the horses, and they began to kick and run. Mr. Knapp attempted to turn them into the hedge, but the pole ran in the ground and broke off. Then one of the lines broke. Mr. Knapp was jerked out at the horses' feet and one of them kicked him twice, causing him to lose hold of the other line. The horses ran down the road with Mrs. Knapp and the bapy in the buggy.

After going about a quarter of a mile Mrs. Knapp leaned over the side of the buggy, holding the baby by the clothes, and dropped it on the ground. Mrs. Knapp staid in the buggy, with the pole broken, the lines gone and pulled by only one horse, while it ran about two miles, going down two steep hills and over two bridges, one of them at a short turn in the road. She then attempted to get out of the buggy, but when she got one foot on the step she was thrown down, one foot catching on the bed of the buggy, throwing her under the wheels. She was dragged a short distance and then the hind wheel ran over her. When help reached her she was in a fainting condition but expressed her fear for her husband and baby. She was taken to the home of Doc Brockman and a doctor was sent for. In the meantime Mr. Knapp had arrived. He received two cuts on his forehead and one on the knee, but was not badly injured. Mrs. Knapp was quite seriously hurt, her whole body being bruised, and she has little or no use of one side. The baby escaped with a bruise on the back of his head.

The horses ran about a quarter of a mile after Mrs Knapp got out and then stopped. If she had staid in the buggy she would have escaped without injury.

Mrs. Knapp is still suffering severely, and it will probably be several days before she will be well enough to be brought home. Mr. Knapp and the baby are getting along all right. It is hoped all will soon recover from their injuries.

If you want to see some handsome furniture at low prices call at the Edwards & Bradford Lumber yard. They have just received a big assortment.

Holds Up a Congressman

"At the end of the campaign," writes Champ Clark, Missouri's brilliant congressman, "from overwork nervous tension, loss of sleep and constant speaking I had about utterly collapsed. It seemed that all of my organs were out of order, but three bottles of Electric Bitters made me all right. It's the best all-round medicine ever sold over a druggist's counter." Over-worked run-down men and weak, sickly women gain splendid vitality from Electric Bitters. Try them. Only 50c. —Guaranteed by Keeling.
