**Dragging Pains**

2825 Keeley St., CHICAGO, ILL., Oct., 2, 1902.  
 I suffered with falling and congestion of the womb, with severe pains through the groins. I suffered terribly at the time of menstruation, had blinding headaches and rushing of blood to the brain. What to try I knew not, for it seemed that I had tried all and failed, but I had never tried Wine of Cardui, that blessed remedy for sick women. I found it pleasant to take and soon knew that I had the right medicine. New blood seemed to course through my veins and after using eleven bottles I was a well woman.

*Maudie Bush*

Mrs. Bush is now in perfect health because she took Wine of Cardui for menstrual disorders, bearing down pains and blinding headaches when all other remedies failed to bring her relief. Any sufferer may secure health by taking Wine of Cardui in her home. The first bottle convinces the patient she is on the road to health.

FRIDAY, JULY 15, 1904.

Who would have believed four years, or two years or a year ago that Bryan would be supporting a man for president who announced himself as a gold standard man?

Is it possible that Bryan will now assist in pressing the crown of thorns on the brow of labor and increasing the weight of the cross of gold? Who would have thought it?

Four years ago Bryan would not consent to any other plank in the democratic platform except the free and unlimited coinage of silver at the ratio of sixteen to one without the aid or consent of any other nation. This year he was glad enough to effect a compromise and have the platform silent on the financial question, and his success is hailed as a great victory by his friends and admirers—and it was a great victory, as the gold standard men had a big majority in the convention. Bryan has all the time denounced the reorganizers and those who did not support the ticket in 1896 and 1900, and endorse those platforms. But now he is working with those same reorganizers, who had more than two-thirds of the convention. He supports a candidate for president who announces that he considers the gold standard irrevocably fixed, and will stand by this if elected. And yet, despite all this, Bryan was easily the most popular man in the St. Louis convention. As Nebraskans we feel proud of his ability and rejoice at his popularity.

**Robbed the Grave**

A startling incident is narrated by John Oliver of Philadelphia, as follows "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to take Electric Bitters; to my great joy the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed at Keeling's drug store.

**Brutally Tortured.**

A case came to light that for persistent and unmerciful torture has perhaps never been equalled Joe Golobick, of Colusa, Cal., writes: "For 15 years I endured insufferable pain from Rheumatism and nothing relieved me, though I tried everything known. I came across Electric Bitters, and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for Liver and Kidney Troubles and general debility. Only 50c. Satisfaction guaranteed by Keeling, druggist.

A big hail storm Tuesday night of last week about four miles north of Smith Center, Kansas, badly damaged the crops of Sam Barnes and Will and Jim Clark. Jim's loss amounts to \$1,000, but he cut part of his wheat and oats, so he did not lose everything. Sam and Will were not so badly damaged. A mile and a half west of where Jim lives the hail was piled five feet deep and everything destroyed, even hedge trees being torn up.

Every housekeeper should know that if they will buy Defiance Cold Water Starch for laundry use they will save not only time, because it never sticks to the iron, but because each package contains 16 oz.—one full pound—while all other Cold Water Starches are put up in 3/4 pound packages and the price is the same, 10 cents. Then again because Defiance Starch is free from all injurious chemicals. If your grocer tries to sell you a 12-oz. package it is because he has a stock on hand which he wishes to dispose of before he puts in Defiance. He knows that the Defiance Starch has printed on every package in large letters and figures "16 ozs". Demand Defiance and save much time and money and the annoyance of the iron sticking. Defiance never sticks.

**Thousands Have Kidney Trouble and Don't Know it.**  
**How To Find Out.**  
 Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.  
**What to Do.**  
 There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y.
