Omaha's business men have invested thousands of dollars in the arrangements for the horse show, to be given in the auditorium the week of September 20th, and it promises to be a great success, both financially and socially. Leading citizens, aided by Dr. C. D. Gray, an expert in the management of horse shows, have completed a program of events said to be equal in every respect to any ever given in the country. Some of the most famous fashionable turnouts in the country have been entered for prizes. Boxes have been sold to people in Chicago, Kansas City, Omaha, Council Bluffs, St. Louis, Des Moines and other cities.

Brutally Tortured.
 A case came to light that for persistent and unmerciful torture has perhaps never been equalled. Joe Golobick, of Colusa, Cal., writes: "For 15 years I endured insufferable pain from Rheumatism and nothing relieved me, though I tried everything known. I came across Electric Bitters, and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for Liver and Kidney Troubles and general debility. Only 50c. Satisfaction guaranteed by Keeling, druggist.

No Pity Shown.
 "For years fate was after me continually," writes F. A. Gullidge, Verbena, Ala. "I had a terrible case of Piles, causing 24 tumors. When all failed Bucklen's Arnica Salve cured me. Equally good for burns and all aches and pains. Only 25c at Keeling's drug store."

SCHOOL NOTES

All things come to him who has the patience to work.

We go to school to learn many things but chief among them all is how to study. He who knows how to study no longer needs a teacher.

To date we have had seven visitors. This is encouraging to teachers and pupils as well. We would suggest that you will find our latch string hanging on the outside.

It has been announced that teachers interested in reading circle and professional work will meet at the school building Saturday evening. We hope to see a good attendance.

Two more pupils have been enrolled in the high room since the first day thus making the total forty-six. Several have had to miss the first part of this week on account of sickness. We wish them a speedy recovery.

Life is made up of surprises and disappointments so it has been said. The high school felt the disappointment side when the rain Tuesday spoiled their trip to the fair Wednesday. They were intending to go in a body. Look carefully, the cloud from which that rain fell may have a silver lining after all.

Peter Mortenson, present state treasurer and a candidate for re-election upon the republican ticket, was born in Denmark, October 8th, 1854, emigrating to America in 1870, settling in Valley county, Nebraska, and assisting in the organization of that county three years later. In 1875, Mr. Mortenson was elected county treasurer which office he held for nine years or until 1884. At which time he purchased an interest in the Ord City bank, being elected president of that institution in 1888. It meanwhile having been reorganized under the name of the First National bank.

Mr. Mortenson entered state politics in 1898 when he was nominated for state treasurer by the republican convention, but like his fellow candidates upon the ticket he failed of election. He was again nominated in 1903 and elected by a plurality of more than 16,000.

Immediately upon assuming the responsibilities of his office, Mr. Mortenson began to plan for the welfare of the state. He did not stop at merely planning, he executed those plans. The banks which had borrowed state money at a low rate of interest, investing that same money in state warrants at a higher rate of interest, were informed that unless they ceased manipulating the state funds in that way the money the treasurer had deposited with them would be withdrawn at once. The temporary school fund which in former years had lain idle the greater part of the year was invested in state warrants, the same being carried in the funds as cash items. The result of this expedient was to save to the state the interest which before had gone into the pockets of the brokers of Lincoln and elsewhere.

Mr. Mortenson has planned so wisely that he has kept all of the state funds at work at all times, and still never has gone too far in that direction, or found himself out of funds when the same were needed.

Personally, Mr. Mortenson is kind, genial and sympathetic and in public life he is unostentatiously honest, conscientious and industrious and has that happy faculty of doing the right thing at the right time. His friends expect that his majority this fall will not fall short of 25,000 and he is deserving of every vote that he will get.

Visit the Old Folks.
 One fare plus \$2 for the round trip to a great many points in Ohio, Indiana and Kentucky. Tickets on sale September 6, 13, 20, 27 and October 11. Good via St. Louis and for stopover at the great exposition. Final limit thirty-days. See me for full particulars or write to L. W. Wakeley, General Passenger Agent, Omaha.

 A. A. Herren of Finch, Ark., writes, "Foley's Honey and Tar is the best preparation for coughs, colds and lung trouble. I know that it has cured consumption in the first stage."

There are fashions for everybody in the October Designer, from the pink tot blinking for the first time in the world's sunlight to the dear grandmothers, who will be interested and pleased with the designs shown for their special benefit in Growing Old Gracefully. There is good reading too for everybody. Even the man of the family, who with artful intent professes scorn for a woman's magazine, will chuckle over Naming the Birbball Baby, and may profit by Fashion Notes for Men. The daughters of the romantic age will appreciate a Misad Proposal and glimpses into the Life of a Japanese Girl, while the little folks will enjoy the thrilling history of the prairie dog, Dickey-Duo, and the tantalizing puzzles in Knots and Whatnots. There is fancy work galore in this issue; knitted and crocheted sweaters, child's petticoats, and toboggan caps, directions for making handkerchief embroidery, while Points on Dressmaking gives full instruction for making a complete Norfolk suit for a small boy. The Designer departments are practical in every sense of the word.

Robbed the Grave

A startling incident is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to take Electric Bitters; to my great joy the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed at Keeling's drug store.

Thousands Have Kidney Trouble and Don't Know it.

How To Find Out.
 Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also

convincing proof that the kidneys and bladder are out of order.

What to Do.
 There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.
