The measles patients are about all well and it will probably be several years before we have another seige of this disease, as there is very little more material to work on.

Very Respectfully,
M. T. HILL.

Mrs. Roy Colerick, daughter-in-law of John W. Colerick, is visiting friends and relatives in this vicinity, arriving here Monday. Mrs. Colerick was formerly Miss Pearl Bennett, daughter of the late James F. Bennett.

Roy Colerick, son of John W. Colerick of this precinct, is now a resident of Canada, having recently taken a claim in the famous Alberta section. Roy writes that lumber is very cheap there. He got enough lumber for a 3-room frame house for only \$30.

We hope that during the winter months a company will be organized for the manufacture of brick in Nemaha. We have fine clay, wood can be bought cheap here, and there is no reason why it would not be a paying investment and furnish employment for a goodly number of men. Who will make the move?

We suggest that the good people of the Christian church build a parsonage for their pastor. In these times of prosperity we believe this can be done without any great sacrifice from any one. Then we could have the pastor living here. The salary paid pastors here is very little and a parsonage ought to be furnished free of rent.

Dr. F. B. Reed, one of the oldest physicians in the county, died Monday evening, at the home of his daughter, Dr. Cap Graves, in Peru. The doctor was 76 years old and has been in poor health for some time. He located in Peru in 1876. He leaves two children, Dr. Cap Reed Graves of Peru and M. F. Reed of Centennial, Wyoming.

A whole page advertisement would not convince you but a visit will that we have a larger stock and lower prices on Christmas goods than some of the so-called "Big Stores." Price goods at where you will, then compare with ours.

Very Respectfully,
M. T. HILL.

A Costly Mistake

Blunders are sometime very expensive. Occasionally life itself is the price of a mistake, but you'll never be wrong if you take Dr. King's New Life Pills for Dyspepsia, Dizziness, Headache, Liver or Bowel troubles. They are gentle yet thorough, 25c, at Keeling Drug Store.

And now the catamount or wild animal that was seen during the summer near St. Deroin and Hillsdale, and later at Nemaha, has been seen near Barney, this side of Nebraska City. It was reported killed at Brownville, but Sherm Kauffman, the reputed slayer, says he never saw the animal. The Barney people are welcome to whatever the thing is.

The protracted meeting at the Christian church closed Monday night. Seventeen members were added to the church during the series of meetings, which were conducted by Rev. D. M. Sayles of Bethany, Nebr., assisted by the pastor, Rev. J. W. Sapp of Brownville. Rev. Sayles and Rev. Sapp are both good revivalists. Much good was accomplished by these meetings.

On Monday of this week Wm. Aue sold to Bernard Ottens ten acres of land adjoining town. The consideration was \$2,000. The property is near the southern limits of the corporation and formerly belonged to the Wm. Daniels estate. It was bought about a year ago by Fred Grable for \$1,000 and Aue bought his bargain from him for \$10. A rise of \$600 in the value of the tract in a year is not so bad.—Auburn Herald.

Fight Will Be Bitter

Those who will persist in closing their ears against the continual recommendation of Dr. King's New Discovery for Consumption, will have a long and bitter fight with their troubles, if not ended earlier by fatal termination. Read what T. R. Beall of Beall, Miss has to say: "Last fall my wife had every symptom of consumption. She took Dr. King's New Discovery after everything else had failed. Improvement came at once and four bottles entirely cured her. Guaranteed by Keeling, Druggist. Price 50c, and \$1.00. Trial bottles free.

WANTED

MEN AND WOMEN in this county and adjoining territories, to represent and advertise an old established house of financial standing. Salary to men \$21 weekly, to women \$12 to \$18 weekly with expenses advanced each Monday by check direct from headquarters. Horse and buggy furnished when necessary; position permanent. Address, Blew Bros. & Co., Dept. A. Monon Bldg., Chicago, Ill.

Saturday night of next week, at the home of Earle Gilbert, the Junior Leaguers, assisted by some of the young ladies, will give a combination social, bazaar and pound party. The pound party is for the benefit of Rev. G. W. Ayers, and all who are so disposed are requested to bring a pound or more of something that is of use either as food or otherwise. Oysters will be served. A bazaar will also be conducted by the young ladies, at which fancy work and articles of use will be sold. Everybody is invited.

The rural mail carriers request their patrons to buy postage stamps and keep a supply on hand, so carriers will not have to stamp letters. They do not object to doing this in warm weather, but when it is cold it puts them to considerable inconvenience and discomfort to have to take out the money and perhaps make change encumbered as they are with wraps, gloves, etc. Make it as easy for the carriers as possible.

Revolution Imminent

A sure sign of approaching revolt and serious trouble in your system is nervousness, sleeplessness, or stomach upsets. Electric Bitters will quickly dismember the troublesome causes. It never fails to tone the stomach, regulate the Kidneys and Bowels, stimulate the Liver, and clarify the blood. Run down systems benefit particularly and all the usual attending aches vanish under its searching and thorough effectiveness. Electric Bitters is only 50c, and that is returned if it don't give perfect satisfaction. Guaranteed by Keeling, Druggist.
