We must earnestly request of all who are indebted to us to make arrangements to settle their accounts, as we need the money to settle up our business. Our business relations with all of our patrons have been very pleasant and we trust we may be able to do more in the future.

Respectfully,

The "angels" are doing more work in the office every week, and soon we can turn the whole thing over to them. Last week they did the presswork, in addition to setting all the type and mailing the papers.

A. G. Warren of Nemaha, the boss painter and paper hanger, is transforming the interior of the Christian church into a bower of beauty this week by a liberal application of fresh paint and wall paper.—Brownville Letter.

Rev. A. A. Kerber preached a fine missionary sermon at the Methodist church last Friday night. Rev. Kerber is pastor of the church at Talmage. He has had experience in the missionary work and speaks in many cases from personal knowledge.

The Nemaha people certainly ought to be instructed on the questions of missions. The Methodists have had three sermons on this theme, and now the Christian church people are to have three lectures. We certainly ought to get awakened on this matter.

Geo. W. Chapman, who has been section boss at Auburn, has been transferred to Nemaha, taking the place of Frank Frazier, who has been let out— for what reason no one seems to understand, as Frank has the reputation of being a good man for the piece. George has moved back to Nemaha.

The election Tuesday in Nemaha resulted in the defeat of two of the three caucus nominees. Miles W. Knapp, who was on the caucus ticket, was endorsed by the anti, and got every vote cast but three. There were 70 votes cast. The following is the result: J. E. Crother, 27; M. W. Knapp, 67; Chas. F. Zook, 18; F. L. Woodward, 49; Peter Kerker, 43.

Elmer E. Allen and W. H. Barker are the hold-over members.

Ten or twelve of the young men of Nemaha have left town in the past six weeks, and the young ladies are beginning to wonder if the exodus is going to continue. If it does we will have to import some young men soon or lose all our girls, as the young men of neighboring towns will soon begin to realize the situation and take advantage of it to win some of the best girls that ever lived. That is the kind we have here.

Mrs. Maude E. Clark, widow of Holliday Clark, who recently met his death in an accidental manner, received a check for two thousand dollars from the National Life Insurance Co. of the U. S. A. last week, that being the amount of a policy taken out by her husband on Jan 9th of this year. The Company sent this check out on the same day proofs were received. Such promptness is to be commended. Mr. H. E. McKee of Auburn is the Co's general agent for this locality.

Edgar Ferneau received word from Commissioner Hazlett of Beatrice, yesterday morning that the state surveyors of Nebraska and Missouri would commence work April 5th on running the boundary line between this county and Atchison county, Mo. They will use the field notes of Uncle James Hacker, who surveyed the line which the supreme court decided recently was correct. Permanent monuments will be erected as is customary on state boundaries. Clark Cottrell, of this city, will be one of the assistants of the surveyor of this state. All the work will be done under the direction of the United States supreme court.—Auburn Republican.

It is reported that the sanctimonious looking individual who bothered the life out of people last week trying to get pictures to enlarge, went to Nemaha, and there in one of the churches tried to mix religion with the "supreme gall" he carries with him, to an extent that the congregation wouldn't stand it and he was forcibly ejected from the church building.—Brownville Letter.

The Letter is mistaken. Although the man was in one of our churches, he was not fired.

FRANK HARTFORD, Leader.

A delightful surprise was given Dr. and Mrs. W. W. Keeling last Sunday. The members of the Masonic and Eastern Star lodges met at the home of the doctor, without giving any notice, on Sunday, with well filled baskets, and proceeded to take possession. The doctor and his good wife yielded gracefully, especially after they saw the amount of good things to eat that were carried in. It looked as if preparations had been made for a famine. A very pleasant time was enjoyed by those present. The dinner was a feast indeed. The Eastern Star ladies and the Masons wives are certainly good cooks. Dr. and Mrs. Keeling are honored members of their lodges, and the members were pleased to show in a slight manner the appreciation of their brothers and sisters.

Christopher Shuck, one of the old settlers of Nemaha county, died at his residence in Auburn Saturday evening, April 1, 1905. Mr. Shuck came here in an early day, settling on the farm four miles northwest of Nemaha where he lived until three or four years ago, when he moved to Auburn. He leaves a wife, three daughters and four sons—Mrs. Mary E. Conner of Auburn, Mrs. Sally Clark of Wyoming, Mrs. Edwin S. Morrison of Oklahoma, Jacob and Philip Shuck of Nemaha, John Shuck of Auburn, and Samuel C. Shuck of Webster county, Nebr.

The deceased was born in Ohio October 15, 1825. He was 79 years, 5 months and 14 days old at his death. The funeral services were held at the Christian church in Auburn at 10 o'clock a. m. Tuesday.

Fraud Exposed

A few counterfeiters have lately been making and trying to sell imitations of Dr King's New Discovery for Consumption, Coughs and Colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit through stealing the reputation of remedies which have been successfully curing disease, for over 35 years. A sure protection, to you, is our name on the wrapper. Look for it, on all Dr. King's, or Bucklen's remedies, as all others are mere imitations. H. E. BUCKLEN & Co., Chicago, Ill., and Windsor, Canada.

GOLDEN WEDDING
Ezra D. Rogers and Miss Mary H. Sumner were married in Harden county, Iowa, on March 27, 1855. In this city last Monday their children, grandchildren and friends gathered at the residence and appropriately celebrated the anniversary of their marriage of fifty years ago.

In the spring of 1866 Mr. and Mrs. Rogers came to Nemaha county, where he purchased a half section of land in Aspinwall precinct, where they resided with the exception of three years spent in Peru, until ten years ago when they moved to Auburn.

Five of the seven children and eleven grandchildren were present: Helen, wife of J. C. Rimmel; Rosa L., wife of J. D. Shubert; Alva R.; Leroy D.; and Effie, wife of C. G. Duerfeldt. The two absent were Laura E., wife of J. W. Coons, the oldest child; and W. E., the youngest; these two live at Broken Arrow, I. T. and were unable to be present.

Mr. Rogers was a member of company F, 32nd. Iowa Vol. Inf., and served throughout the war, and his father, who lived with them at Aspinwall precinct until he died, was a veteran of the war of 1812.

The dinner was a worthy follower of the wedding feast of two score and ten years ago and the day was enjoyed by all.

The presents from the children were: Berry dish, five dollar gold piece, two gold rings, rug, breastpin and a watch fob. From friends: Eight day clock, pair of napkin rings, gold berry spoon, two gold book marks, berry dish.—Auburn Republican.
