Over-Work Weakens  
Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

**SCHOOL NOTES**

The following is a theme by Ethel Sherwood, one of our graduates of 1905. It is published that the public may be able to make a more careful note of it than they could by its being delivered. As you read it ask yourself this question: Are our schools accomplishing as much for their pupils as they did twenty years ago? It seems to me that part of the answer to the question is found in what follows.

In order that the people who are interested in the Nemaha school may know who have graduated from it and what they have been doing since they finished this school and to prove that the labor of our Nemaha teachers and school board have not been thrown away I will give you a short history of each graduate.

This first step in the way of education may cause many a pupil to aim higher and thus make nobler men and women. Our teachers have exerted many an effort to shape our youthful minds and hearts into correct forms of education. And we trust that the lessons of mind and heart which this class and others has been taught will never be forgotten.

The first class of 1893 was composed of four graduates Lulu Clark who taught school and then became the wife of Mr. Moore. May Moore married Mr Veeder the same evening that she graduated and is teaching school at the present time. Nettie Hacker is now the wife of Mr. Will Swan. Minnie Elliot is now living in Oklahoma, the wife of W. T. Devoras.

In the class of 1894 there were four graduates. Charlie Howe went to school at Peru and then married and is now farming. Mellie Minick taught school and then became the wife of Albert Titus. Charlie Woodward went to Lincoln and took a business course and at the present time is a member of a commission firm in Kansas City. Nina Moore taught school and then married Mr. Cannon who is at the present time the county clerk of Johnson county.

The class of 1895 contained seven graduates. Carl Sanders farmed the first two years and has since been teaching school. Lulu Elliot married Mr. Paul Argabright and is now living in Indian Territory. Bertha Skeen married Mr. Williams and lives near Ord, Nebraska, Lulu Duerfeldt became the wife of Mr. L. D. Rogers. Eugene Howe graduated at Peru, Neb. and then became the principal of the Nemaha school in 1900 and is now teaching. Guy Taylor is at the present time a doctor of Richardson county. Albert Titus married and is now farming.

There was only one graduate in the class of 1896, Dora Morton, who is a school teacher.

In the year of 1897 there were five graduates. Anna Frost married Mr. Tinklepaugh and then went to Oklahoma. Robert Frost married and went to Oklahoma where he was killed by lightning. Hattie Burgess married Mr. Cranmer and now lives southwest of Nemaha. Leslie Woodward went to Des Moines where he took a pharmacy course and is now running a drug store in Kansas City. Florence Minick taught school in Nemaha and has been taking elocution since.

The class of 1898 consisted of Lillian Minick, who had charge of the post-office for four years, and then became the wife of Mr. Elmer Allen. Lizzie Melvin finished a normal school in Oklahoma and then went to a medical college in Omaha which she will complete this year. Ethel Paris taught school and then married Mr. Blount. Veva Clark clerked in her father's store a few years and then became the wife of Mr. Rainey and is now living in Auburn.

The class of 1899 was composed of ten graduates. May Kerker is living with her parents in Nemaha, working in the Advertiser office and a clerk in the postoffice. Will F. Sanders worked in the printing office and has since been studying to be an operator. He is now "helper" at DeWitt, Nebr. Florence Burns reviewed awhile and is now staying in Shubert. Stella Washburn reviewed two terms of school and has since taught three terms of school in and about Nemaha. Ambrose Howe

went to school at Peru and is now farming. Cora Morton is a dressmaker of Nemaha. Louie Kerker has been clerking in several dry good stores and is now clerking in a store in Des Moines. Grace Paris went to school at Peru and has since taught three terms of school. Cyrus Minick farmed near Syracuse and has been studying to be an operator. Leta Seabury became the wife of Mr. Walter Faris.

The class of 1900 contained five graduates. Mabel Barker taught one term of school and then married Mr. Marion Seid. Rose Seabury reviewed and has been working at home most of the time since. Emery Howe went to school at Peru for two years and is now following the carpenter trade. Pearl Burns reviewed a short time and has since been staying with her parents in Nemaha. Noma Haith went to school at Auburn, taught one term of school, and then married Ambrose Howe.

In the class of 1901 there were four graduates. Dora Clark reviewed awhile and is at the present time a dressmaker. Minnie Yates married and is now living in Kansas City. Daisy Frazier has been staying part of the time with her mother in Nemaha and with her sister in Auburn. Maye Gaither reviewed for some time and then took music lessons and is now a music teacher.

The class of 1902 consisted of William Smiley who graduated in May and was married in July to Ora Shiveley. Norah Burson went to school at Peru and is now teaching. Perry Rowen has been attending the Lincoln Business College. Pearl Wasson went to the state of Oregon as soon as she finished school Robert Stephenson is now farming.

In the year of 1903 there were seven graduates. Maude Kinton has been attending school at Nebraska City. Grace Burson went to school at Peru and has been remaining at home ever since. Blanche and Edna Lytle went to school at Peru and have since been teaching school. Ned Maxwell has been farming and is now mining gold at the Black Hills. Ellen Shiveley reviewed and is now taking music lessons. Minnie Speece went to school at Peru and is now at her home near Shubert.

There was only one graduate in the class of 1904, Eddie Maxwell, who reviewed and is now working at the nursery.

Out of these fifty-seven graduates there are nine school teachers, one clerk, one carpenter, two operators, two dressmakers, one music teacher, one who owns a store, two doctors, one grain commission man, eleven that are remaining at home, fourteen that are married and seven that taught school and then married.

And we hope that this class may still continue to climb the ladder of knowledge. For at the top lies the greatest success and it requires effort and study to reach it.

All through the corn belt there is an unusual interest now being taken in the growing of alfalfa. This crop belongs to the famous legume family and is therefore characterized by being exceedingly rich in flesh-forming constituents. When properly cured into hay it is possibly the richest of all legumes. It is claimed that the crop will thrive on land that produces good corn. The Homestead of this week contains a very interesting article on alfalfa, prepared by Mr. N. C. Dunlap, of Kearney Nebr. Mr. Dunlap is foreman of an extensive alfalfa ranch, so that he speaks from actual experience. He tells how to prepare the seed bed, how to sow, the amount of seed, etc. Farmers in this community who are not subscribers to The Homestead can scarce realize what they are missing, because there is not an issue but what contains communications that are worth much more than the subscription price for a year. This office will be pleased to take your subscriptions at any time.

**Grave Trouble Foreseen**  
It needs but little foresight, to tell that when your stomach and liver are badly affected, grave trouble is ahead, unless you take the proper medicine for your disease, as Mrs John A. Young of Clay, N. Y., did. She says: "I had neuralgia of the liver and stomach, my heart was weakened, and I could not eat. I was very bad for a long time, but in Electric Bitters, I found just what I needed, for they quickly relieved and cured me." Best medicine for weak women. Sold under guarantee by W.W. Keeling, druggist, at 50c a bottle.

We will send the Advertiser, the weekly Lincoln State Journal, the Iowa Homestead, the Farm Gazette and the Homemaker, all one year for only \$1.50. The regular price of these papers is \$3.25.

**TAKE WINE OF CARDUI AT HOME**

Are you a sufferer?  
Has your doctor been unsuccessful?  
Wouldn't you prefer to treat yourself—AT HOME?

Nearly 1,500,000 women have bought Wine of Cardui from their druggists and have cured themselves at home, of such troubles as periodical, bearing down and ovarian pains, leucorrhoea, barrenness, nervousness, dizziness, nausea and dependancy, caused by female weakness. These are not easy cases. Wine of Cardui cures when the doctor can't.

Wine of Cardui does not irritate the organs. There is no pain in the treatment. It is a soothing tonic of healing herbs, free from strong and drastic drugs. It is successful because it cures in a natural way.

Wine of Cardui can be bought from your druggist at \$1.00 a bottle and you can begin this treatment today. Will you try it?
