I was all run down from nervousness and overwork and had to resign my position and take a rest. I found that I was not gaining my strength and health as fast as I could wish, and as your Wine of Cardui was recommended as such a good medicine for the ills of our sex, I bought a bottle and began using it. I was satisfied with the results from the use of the first bottle, and took three more and then found I was restored to good health and strength and able to take up my work with renewed vigor. I consider it a fine tonic and excellent for worn-out, nervous condition, and am pleased to endorse it.

Thursday afternoon the window fell down on little Jefferson Knapp's hand, badly mashing the fingers and breaking two of them. Dr. Keeling was called in and dressed the hand and made the little fellow as easy as possible.

**TO SCHOOL OFFICERS**

This is to call your attention to the change in section 11, subdivision 2, of the school laws.

Instead of voting a number of mills on the dollar of the assessed valuation for school purposes, the "trustees of each school district shall, prior to the annual meeting, prepare an estimate showing the amount of money desired for the maintenance of schools during the coming school year, and the legal voters at the annual school meeting each year, shall determine the amount of money required for school maintenance during the school year." And "the amount of money so required shall be levied as a tax upon all of the taxable property of the school district." This amount of money so voted, and not the number of mills voted as heretofore, shall be certified to the county clerk, and the said amount shall be levied by the county commissioners on the assessed value of the school district and collected as other taxes.

Sec. 11a. Where school is not provided for by the annual meeting it shall be the duty of the county superintendent to make and deliver to the county clerk "an itemized estimate of the amount of money necessary to be expended during the ensuing year for school purposes in that district. The county clerk shall then levy such taxes on the taxable property of the district."

I have sent a copy of the school laws to each director with this section marked. Please read it carefully. On the blank "Certificate of School Tax Levied" fill the blank with number of dollars voted instead of the number of mills.

Please notify me at once when you hire a teacher.

In order that the annual report may come to me on time at as little trouble and loss of time to the director as possible I will be at the following places on the dates stated, for the purpose of meeting the directors, looking over their reports and administering the oath:

- Auburn, in my office Tuesday, June 27.
- Peru, Raines' hotel, Wednesday, June 28.
- Brownville, Ed Berlin's store, Thursday, June 29.
- Nemaha, hotel, Friday, June 30.

- Brack, hotel, July 6.
- Johnson, hotel, July 7.
- Auburn, office, July 8.
- The Shurtleff school house, No. 74, July 10.

Please do not fail to meet me at one of these places.

Please notify me when a teacher is contracted with.

**NEW ELECTION LAWS**

It seems that regardless of whether the biennial election law is held to be constitutional or not, County Assessor Maxwell will hold his office for five years, and County Commissioner Doos little will have his term of office extended one year. Hereafter county commissioners will be elected for four years. We take the following from Monday's Lincoln Evening News:

Deputy Attorney General Thompson Saturday called attention to the fact that, even if the biennial election laws is held to be unconstitutional, registers of deeds, and county supervisors will be permitted to hold over until January, 1907, while county assessors will have another year added to their terms being elected in the fall of 1908 instead of 1907. This result was obtained through the passage of house rolls 315, 316, 317, 318 by Representatives Perry and Warner. It is pointed out that none of the officers touched in these measures are constitutional officers, so that the defeat of the general bill will not affect the law extending these terms. The fact that these supplementary bills were introduced is regarded as evidence that the framers of the measure felt none too certain as to the constitutionality of the attempt to change the tenure of constitutional officers.

Another point of view is that the framers of these supplementary measures had in view the objects sought by the county officers' association, which was alleged to have a peculiarly strong interest in the adoption of a biennial bill. The county commissioners were peculiarly active and the bills passed will add considerable time to the tenures of all supervisors and commissioners. It is pointed out that this plan of procedure would serve to make assurance doubly sure as to the county officers, while tending to cast discredit on the omnibus bill. The bill which is now pending in the courts made a clean sweep including registers of deeds, county assessors, and members of county boards, so that in the event it is held valid there will be two laws providing for the holding of elections of these officials on even years and extending their terms.

H. R. 316 provides that, in counties not under township organization, each county commissioner is to hold office for four years, being elected at the general elections held in even numbered years.

H. R. 318 provides that county assessors shall be elected at the general election to be held in November, 1908 instead of 1907, thus adding a year to the terms of the ninety officials.

**No Secret About It**

It is no secret, that for Cuts, Burns, Ulcers, Fever Sores, Sore Eyes, Boils etc., nothing is so effective as Buckien's Arnica Salve. "It didn't take long to cure a bad sore I had, and it is all O. K. for sore eyes," writes D. L. Gregory, of Hope, Tex. 25c at Keeling's drug store.

**STATE FAIR NEWS**

At a meeting of the board of managers on June 10th, President Mellor notified the board that he had appointed S. C. Bassett secretary, to fill the vacancy occasioned by the death of Hon. Robert W. Furnas, also that W. C. Caley of Creighton, Knox county, had been appointed a member of the state board to fill vacancy.

Contracts have been signed for exhibition races during the fair with the owner of the "Guideless Wonder, Cute," a horse that without driver trots against time and has a record of 2:04 1/4 on a mile track and 2:09 on a half mile track; also the trotting steer, "San Antonio Pete." This steer has a half mile record of 2:30.

The fish exhibit by the State Fish commission will again be an interesting feature at the State Fair, \$250.00 having been appropriated to pay the expenses of making such exhibit.

The secretary's office of the State Board of Agriculture has been removed from Brownville to Lincoln and now occupies rooms on the first floor in the capitol building where all interested, and especially those in the state fair and matters pertaining to agriculture will be most cordially welcome.

The loss of one so experienced and efficient as the late secretary, Hon. Robert W. Furnas, is irreparable both to the state and Board of Agriculture, and a serious handicap in the making of the coming State Fair, but the State Fair management will spare neither time nor effort to carry out the plans arranged by the late secretary, and to this end invite the action and hearty co-operation of all well wishers of the fair.

State fair dates are September 1st to 8th.

For premium lists or other information address S. C. Bassett, Secretary, Lincoln, Nebraska.

We will send the Advertiser, the weekly Lincoln State Journal, the Iowa Homestead, the Farm Gazette and the Homemaker, all one year for only \$1.50. The regular price of these papers is \$3.25.

**Huge Task**

It was a huge task to undertake the cure of such a bad case of kidney disease, as that of C. F. Collier, of Cherokee, Ia., but Electric Bitters did it. He writes: "My kidneys were so far gone I could not sit on a chair without a cushion; and suffered from dreadful backache, headache, and depression. In Electric Bitter, however, I found a cure, and by them was restored to perfect health. I recommend this great tonic medicine to all with weak kidneys, liver or stomach. Guaranteed by W. W. Keeling druggist; price 50c."

**DO YOU GET UP WITH A LAME BACK?**

**Kidney Trouble Makes You Miserable.**

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y.

The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
