It will protect you against the dangers of heat, Constipation or Decaying Bowels Cause Diarrhea, Cholera, Stomach Trouble and Dyspepsia

Blood Disorders, Skin Eruptions, Bad Complexion, Sun Stroke, Heat Prostration

Diarrhea, Cholera, Bowel Trouble, Etc., are symptoms of Constipation. Constipation means practically dead intestines and poisoned blood. Constipation is most dangerous during hot weather on account of sun strokes—heat debility—prostration. If you suddenly check dysentery—fatal blood poison may result—a physic weakens and does not remove the cause, makes you worse. Dysentery, Cholera, Bowel Troubles, disappear when Constipation is cured.

Rejuvenate and strengthen the intestines or bowels before they decay from inactivity and contact with rotting food. Until MULL'S GRAPE TONIC was put on the American market there was no cure for constipation.

We will now prove to you that MULL'S GRAPE TONIC will protect you against heat prostration and that it cures Constipation, Blood Disorders, Stomach and Bowel Trouble. It acts as food to the blood and intestines, cleanses and strengthens them and ejects the poison and decayed matter. MULL'S GRAPE TONIC is nearly 50 per cent grape which renders it a splendid tonic for the system during hot weather.

A sure way to put an end to the divorce evil—stop marrying.

After all, woman might not be so peculiar if men did not expect it of them.

This is the season of the year when the flirt of both sexes sow generous crops of wild oats, which the divorce lawyers harvest later on.

It is probably true that beauty is only skin deep, but sometimes the skin is very thick, being composed of several coats of paint.

Walnuts, butternuts, almonds and Spanish peanuts are full of oils and nutriment. Are much more sustaining than meats and easily digested if thoroughly masticated.

Reads Like a Miracle.

Moravia, N. Y., July 17.—(Special).—Bordering on the miraculous is the case of Mrs. Benj. Wilson, of this place. Suffering from Sugar Diabetes, she wasted away till from weighing 200 lbs. she barely tipped the scales at 130 lbs. Dodd's Kidney Pills cured her. Speaking of her cure, her husband says:

"My wife suffered everything from Sugar Diabetes. She was sick four years and doctored with two doctors, but received no benefit. She had so much pain all over her that she could not rest day or night. The doctors said that she could not live.

"Then an advertisement led me to try Dodd's Kidney Pills and they helped her right from the first. Five boxes of them cured her. Dodd's Kidney Pills were a God-sent remedy to us and we recommend them to all suffering from Kidney Disease."

Dodd's Kidney Pills cure all Kidney Diseases, including Bright's Disease, and all Kidney aches, including Rheumatism.

HUMOROUS SAYINGS AND DOINGS HERE AND THERE.

Jokes and Jokelets that Are Supposed to Have Been Recently Born—Sayings and Doings that Are Old, Curious and Laughable—The Week's Humor.

"Did you ask papa?"
"I certainly did. You can't bluff me."

"Well, how did he take it?"
"His manner of taking it gave me quite a start."

"What did he say that gave you a start?"

"It was not so much what he said as what he did."—Fort Worth Record.

Quite Natural.

"I think I'm in love. They say it makes a fellow feel so idiotic."

"Don't know that I notice anything unusual about you."—New York Telegram.

Got What He Asked For.

The Lawyer—Your honor, I ask a little more time in behalf of my client—

The Judge (interrupting)—All right Mr. Clerk, just add six months more time to the prisoner's sentence.—Chicago Enquirer.

Misunderstood.

"Mr. Pink," said the young lady who was getting up a strawberry festival, "did you ever go to a church so diabolic?"

"Why, my dear young lady," replied Mr. Pink in surprise, "I am sociable wherever I go."

Practical Use.

Jessie—Gracious, Myrilla, why did you marry such a thin young man?

Myrilla—Oh, he will be so useful to crawl under my automobile when the machinery breaks down.

Almost Too Late.

Col. McSchwartz was telling the caller how wonderfully the town had grown.

"Why, when I moved here with my wife and daughter, twenty-sev—"

"Papa," interposed Miss McSchwartz, "there's a mosquito on your neck. Let me pinch it off."

"Ouch!" exclaimed the colonel. "As I was saying, when we moved here quite a number of years ago," etc.

Gentle Hint.

"You better watch out when President Roosevelt passes through here," said the lady whose husband was all ways growling at mealtimes.

"What have I to do with the President?" demanded her better half.

"Why, you know he is always on the lookout for bears."

An Open Question.

"Mamma says girls ought to learn to cook instead of to play the piano. What do you think?"

"Well, it all depends on whether it would be worse to eat what they cooked or hear what they played."—Chicago Tribune.

Citing an Exception.

"Art," said the moralizer, "can never successfully imitate nature."

"Oh, I don't know," rejoined the demoralizer. "How about artificial ice?"

Obliging.

The Tramp—Yer needn't be afraid to give me a quarter, boss.

The Millionaire—Needn't be afraid!

The Tramp—No; I won't say it's tainted money.

H. B. Blackwell, the venerable reformer and publicist, lately celebrated his eightieth birthday in Boston. He was a potent factor in the free soil movement and married Lucy Stone, a leader in the women's suffrage movement, in 1855. He has been a persistent advocate of suffrage for women.

Large oil wells have been discovered in the northern part of Roumania. Petroleum is now being exported to many parts of Europe, where it takes the place of American and Russian petroleum.

A WOMAN'S MISERY.

Mrs. John LaRue, of 115 Paterson Avenue, Paterson, N. J., says: "I was troubled for about nine years, and what I suffered no one will ever know. I used about every known remedy that is said to be good for kidney complaint, but without deriving permanent relief. Often when alone in the house the back ache has been so bad that it brought tears to my eyes. The pain at times was so intense that I was compelled to give up my household duties and lie down. There were headaches, dizziness and blood rushing to my head to cause bleeding at the nose. The first box of Doan's Kidney Pills benefited me so much that I continued the treatment. The stinging pain in the small of my back, the rushes of blood to the head and other symptoms disappeared."
