"Gentlemen: I am glad to endorse Doan's Kidney Pills. The remedy was recommended to me a few months ago when I was feeling miserable; had severe pains in the back; was restless and languid; had a dull headache and neuralgic pains in the limbs and was otherwise distressed. A few boxes of the pills effectually routed my ailment and I am glad to acknowledge the benefit I derived.

IMPORTANT FACTS FOR COW OWNERS

The mechanical Cream Separator has become a vital feature of every home dairy just as of every butter factory.

Its use means much more and much better cream and butter, as well as saving of water, ice, time and room.

The difference in results is not small but big. Few cows now pay without a separator. Dairying is the most profitable kind of farming with one.

98% of the creamery butter of the world is now made with De Laval machines, and there are over 500,000 farm users besides.

PAINFUL PERIODS

AMERICAN WOMEN FIND RELIEF

The Case of Miss Irene Crosby Is One of Thousands of Cures Made by Lydia E. Pinkham's Vegetable Compound.

How many women realize that menstruation is the balance wheel of a woman's life, and while no woman is entirely free from periodical suffering it is not the plan of nature that women should suffer so severely.

Miss Irene Crosby

Thousands of American women, however, have found relief from all monthly suffering by taking Lydia E. Pinkham's Vegetable Compound, as it is the most thorough female regulator known to medical science. It cures the condition which causes so much discomfort and robs menstruation of its terrors.

Miss Irene Crosby, of 313 Charlton Street East Savannah, Ga., writes: "Lydia E. Pinkham's Vegetable Compound is a true friend to woman. It has been of great benefit to me, curing me of irregular and painful menstruation when everything else had failed, and I gladly recommend it to other suffering women."

Women who are troubled with painful or irregular menstruation, backache, bloating (or flatulence), leucorrhoea, falling, inflammation or ulceration of the uterus, ovarian troubles, that "bearing-down" feeling, dizziness, faintness, indigestion, nervous prostration or the blues, should take immediate action to ward off the serious consequences, and be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound, and then write to Mrs. Pinkham, Lynn, Mass., for further free advice. Thousands have been cured by so doing.

Suffered 23 Years from Constipation and Stomach Trouble

Wilbert Thompson never knew a well day—he had been constipated all his life—many doctors treated him, but all failed to even help him—his health failed rapidly and on January 21, 1903, Mrs. Thompson asked us to suggest a treatment for her husband. We thought the case too serious and recommended that a specialist be consulted—but he also failed to help the patient—NOW HE IS WELL.

MR. and MRS. WILBERT THOMPSON, 801 Main St., Peoria, Ill. MULL'S GRAPE TONIC CURED HIM.

Mull's Grape Tonic Cured Him

Mrs. Thompson first wrote us as follows: "My husband, aged 23, suffers from sharp pains in his stomach and sometimes thinks it is his heart. Let me know by return mail what causes the pain, if you can. Mr. Thompson has been treated by several doctors, but they have given him up."
We promptly advised that a first-class specialist be consulted. We quote: "We want to sell Mull's Grape Tonic, because we know it will cure constipation, but 50c a bottle is no object to us when a human life is at stake, and if your husband's case is as serious as you state, we suggest you consult a reliable specialist, not the advertising kind, promptly." At the same time, knowing that Mull's Grape Tonic could do no harm, we advised its use until a physician could be consulted. January 25 Mrs. Thompson wrote that a physician had been consulted. He diagnosed the case as chronic constipation and dyspepsia. His treatment was followed faithfully, but there was no perceptible improvement in Mr. Thompson's health. Then he began taking Mull's Grape Tonic and on September 3, 1903, we received the following letter from Mrs. Thompson:

"You will remember that I wrote to you last January in regard to my husband's health. It is four months since he quit taking Mull's Grape Tonic for constipation, which he suffered from since birth. He took just 24 bottles of it and is perfectly cured. He is much stronger and has gained considerable flesh. I can not thank you enough for Mull's Grape Tonic. 'It is worth its weight in gold.' Just \$12 cured him and he has spent hundreds of dollars with doctors who did him no good. It did all you claimed it would."
Very respectfully yours, MRS. W. H. THOMPSON, 801 Main St., Peoria, Ill.

Mr. Thompson stopped taking Mull's Grape Tonic in June, 1903. He has been completely cured and has taken no other medicine since that date. Almost two years and no return of the disease, should prove a permanent cure.
