Mrs. Rose Gilbert gave a dinner Friday of last week to the widows of Nemaha. Twelve ladies were present and the day was thoroughly enjoyed by all. There are said to be 26 widows in Nemaha, but many were not able to attend on account of sickness or absence.

Mrs. W. G. Maxwell recently showed us a picture of a great aunt of hers that is said to be a specimen of the earliest form of photograph making. It is simply the profile of the lady, in deep blue print, cut out and pasted on a card. It is an interesting specimen of the photographer's art, and is valued highly by Mrs. Maxwell.

The plate glass in the front of the new bank building has been put in, the walls have received two coats of plaster and are about ready for the third one, the cement sidewalk has been put in, and from present prospects it will be but a short time until the bank will move into the brick. It will be a fine little bank building.

Rev. and Mrs. A. Jacobs were the guests of Mr. and Mrs. A. R. McCandless from train time Monday afternoon until Tuesday afternoon. They have been holding a meeting at Lincoln and were going to Missouri to begin a meeting. Much to the regret of their many friends, Mr. Jacobs' voice was in such a condition that he could not preach while here.

IF YOU WANT

Good Bread

TRY A SACK OF

Golden Rod Flour

High patent. Every sack guaranteed to give full satisfaction in every respect or money refunded. Always the same. No better flour made.

If you want a cheaper flour you cannot do better than to buy the

Red Seal

a straight grade flour. It has no superior in a grade flour. Many prefer it to a high patent.

For a still cheaper flour try the

Gold Leaf

It is a good flour of that grade. These grades are manufactured by Jamason & Son, Stella, Nebr., and are on sale at the store of

J. H. Vanderslice

NEMAHA, NEBR.

If you buy a sack of either of these grades and it is not just as represented, take it back and your money will be returned.
