Where He Fell Down.

"Yes," said the veteran of '61. "Colonel Blank was the coolest man I ever saw, but one day he lost his head."

"How was that?" queried the man who was posing as the audience.

"A cannon ball struck him in the neck," explained the veteran.

Since She Left.

A city lady wrote to a farmer living in the country, where she spent vacation with her family last summer, and told him she would like to come again, but she objected to the kitchen methods of the hired girl and to the swine being kept too close to the house. She received an answer which contained the following:

"You may cum alright, Hannah has went, and there ain't been no hogs on the place since you left last summer."—Magazine of Fun.

She'd Keep It.

"But can you keep house?" he asked, doubtfully; for he was, above all things, a practical man.

"If you get a house and put it in my name," she replied promptly, "I'll keep it all right enough."

Chattering.

"So the cars that bring the dissipated rounders home at unseasonably hour are called owl cars," said the woman who had been foolish enough to marry a rounder. "Well, that is a good name for them."

"Is that so?" snapped her husband. "Well, the cars that take women down to the bargain sales should be called parrot cars."

YOU HAVE NO RIGHT TO SUFFER

From Constipation, Bowel and Stomach Trouble.

Q. What is the beginning of sickness?
A. Constipation.

Q. What is Constipation?
A. Failure of the bowels to carry off the waste matter which lies in the alimentary canal where it decays and poisons the entire system. Eventually the results are death under the name of some other disease. Note the deaths from typhoid fever and appendicitis, stomach and bowel trouble at the present time.

Q. What causes Constipation?
A. Neglect to respond to the call of nature promptly. Lack of exercise. Excessive brain work. Mental emotion and improper diet.

Q. What are the results of neglected Constipation?
A. Constipation causes more suffering than any other disease. It causes rheumatism, colds, fevers, stomach, bowel, kidney, lung and heart troubles, etc. It is the one disease that starts all others. Indigestion, dyspepsia, diarrhoea, loss of sleep and strength are its symptoms—piles, appendicitis and fistula are caused by Constipation. Its consequences are known to all physicians, but few sufferers realize their condition until it is too late. Women become confirmed invalids as a result of Constipation.

Q. Do physicians recognize this?
A. Yes. The first question your doctor asks you is "are you constipated?" That is the secret.

Q. Can it be cured?
A. Yes, with proper treatment. The common error is to resort to physics, such as pills, salts, mineral water, castor oil, injections, etc., every one of which is injurious. They weaken and increase the malady. You know this by your own experience.

Q. What then should be done to cure it?
A. Get a bottle of Mull's Grape Tonic and once Mull's Grape Tonic will positively cure Constipation and Stomach Trouble in the shortest space of time. No other remedy has before been known to cure Constipation positively and permanently.

Q. What is Mull's Grape Tonic?
A. It is a Compound with 40 per cent of the juice of Concord Grapes. It exerts a peculiar strengthening, healing influence upon the intestines, so that they can do their work unaided. The process is gradual, but sure. It is not a physic, but it cures Constipation, Dysentery, Stomach and Bowel Trouble. Having a rich, fruity grape flavor, it is pleasant to take. As a tonic it is unequalled, insuring the system against disease. It strengthens and builds up waste tissue.

Q. Where can Mull's Grape Tonic be had?
A. Your druggist sells it. The dollar bottle contains nearly three times the 50-cent size.

CURES INDIGESTION

will do the work quickly and pleasantly.
