

Open The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood. It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

PEARL BURNS, Leader.

We had the pleasure last Saturday of meeting our old friend Wm Matthiesen, who recently moved back to Auburn after an absence of a number of years. Mr. Matthiesen was one of the old time blacksmiths of South Auburn, locating there when it was called Calvert. When the editor was in South Auburn, from 1884 to 1887, Mr. Matthiesen, Gus Moore, Dr. McKean, J. V. Graff, Geo. Bool, E. M. Boyd, G. W. Cornell, Freytag & Kuhlman, J. F. Wykes, J. B. Berger, Reub Holmes, J. W. Armstrong, Doc Brush, J. W. Roscow and a few others were the business and professional men of the town. Several of these have gone to their reward. Dr. McKean has for years been a medical missionary in Siam. J. V. Graff has been congressman from the 16th Illinois district for many years, and has long ago got over his disappointment at his failure to receive the nomination for county attorney in 1886. J. F. Wykes, who was B. & M. agent, is now holding a like position at Victor, Colo. G. W. Cornell has moved to Oklahoma. Reub Holmes, who then had a drug store, is now on an orange and lemon ranch in California. Gus Moore, J. B. Berger and Doc Brush are dead, J. W. Armstrong, who operated a brick yard in South Auburn, was appointed postmaster, then put in a stock of hardware adding furniture afterwards, and is now a member of the Gilmore-Armstrong Co. J. W. Roscow retired from business in Auburn a few weeks ago. Many of the others have gone away, and their whereabouts are unknown to the writer. But it always does us good to meet these old time friends.

Some wealthy and philanthropic citizens of St. Louis have organized a company to build some model tenement houses for the poorer classes in that city. Plans for the first building are now complete and work will be commenced at once. The building will cover a half block, will be four stories high and entirely fireproof. The apartments will be arranged in suites of from two to four rooms; with toilet room, hot and cold water and a private hall to each suite, opening into a large hallway. Each room will have two large outside windows. The kitchen in each suite will be provided with the necessary appliances, a sink with running water, two stationary wash tubs with hot and cold water, and gas connections for the range. In the basement will be a general laundry, and each family will have use of a drying room one day in the week. The rooms will all be heated in winter and lighted with electricity. In summer gas will be used. Each one of the larger suites will be provided with a private bath room. There will also be a number of bath rooms for the use of the occupants of the other suites. For all of this the charges for rent will be only 90 cents to \$1.10 per room per week. A janitor will look after the building, basement, public halls, etc.

A Wayne, Nebr., correspondent says: A new sort of business has been evolved here. It is a mush wagon business. To make a living by selling mush from a wagon, just as the milkman makes a living and puts money in the bank by selling milk from a wagon twice each day, is the unique scheme of Sam Davies, who has made arrangements for the proposition and who will soon start out with his wagon in real earnest. There are 400 families in Wayne and Davies figures that every one of them would be glad to purchase a couple of quarts of mush every day—one quart for supper and another to fry for breakfast. He says that there are thirty-two quarts of meal in a bushel and that fifty bushels of meal will make 3,000 quarts of mush; that fifty bushels of meal can be bought for \$25 and that he can sell 800 quarts of mush per day at 5 cents per quart, giving him \$40 per day for his work and expense of delivering, and as mush could be used half the year, he could make \$5,000 to \$6,000 yearly on the business.

RESULTS
The word results means a whole lot to the farmer of to-day and it is especially attractive to the homeseeker or those seeking new locations. If we tell you of a country where you are sure of success, will you believe us? It is only necessary for you to farm the land and the best results will follow—a State which the government reports will show leads in the production of wheat. It also ranks among the first in the raising of corn, alfalfa, timothy and other products, together with stock raising. We speak of
KANSAS
The great State of the West, where lands can be purchased from \$5 to \$30 per acre which equals the returns of the \$50 to \$150 per acre lands of other States. EASTERN COLORADO is identical in most respects and the same opportunities are offered there. Buy quick while the lands are cheap and secure the benefit of an excellent investment. THE MISSOURI PACIFIC RAILWAY touches the heart of this rich agricultural region and extremely low rates are offered, allowing stop-over at pleasure in certain territory for inspection of lands, etc. Write us and we will send you free descriptive literature and full information.
